Modifications to the deliverables required, to the completion times specified in Exhibit A hereto or to the software requirements may only be made in accordance with the prior written approval of County's Contract Administrator.

Unless otherwise indicated, receipt of this executed Agreement is your Notice to Proceed with the work specified herein. No payment will be made for any work performed prior to the effective date of the Agreement.

In addition to the specific services identified in Exhibit A, "Scope of Work" herein, this Agreement may also include Optional Tasks, as subsequently identified during the course of work under this Agreement by County's Contract Administrator, related to the Scope of Work identified in Exhibit A. Such Optional Tasks may supplement or modify the Scope of Work as identified in Exhibit A hereto or may include, but not be limited to, additional items of work that are deemed critical by County's Contract Administrator to the furtherance of completing the Project.

Before proceeding with any work concerning Optional Tasks under this Agreement, the parties will identify the specific services to be provided for each assignment in individual Work Orders to be issued in accordance with this Agreement.

The specific services for each Optional Task shall be determined at a meeting or telephone conference between Consultant and County's Contract Administrator, or designee, to discuss the needs, applicable standards, required deliverables, specific Consultant staff, subconsultants, and any necessary permits on a task-by-task basis. Following the meeting, Consultant shall provide County's Contract Administrator with a written scope of work for the Optional Task, a schedule including a list of tasks with completion dates, a target completion date for the overall scope of work, and a not-to-exceed cost itemization to complete the work (resulting in a Work Order), which shall require written approval, authorization, and written notification to proceed from County's Contract Administrator, prior to commencement of the work. No payment will be made for any Optional Task work performed prior to approval and full execution of the Work Order, and no payment will be made for amounts in excess of the not-to-exceed amount of the Work Order.

The period of performance for Work Orders issued for Optional Tasks, if any, shall be in accordance with dates specified in each Work Order. No payment will be made for any work performed before or after the period of performance in the Work Order, unless County's Contract Administrator and Consultant amend the Work Order. No Work Order will be written which extends beyond the expiration date of this Agreement, nor which exceeds the cumulative total of the Optional Tasks Estimate amount.

All of the services included in this Article are the responsibility of Consultant, unless specifically described as a task or item of work to be provided by County. Consultant shall be responsible for the supervision, administration and work performed by any subconsultant for services rendered under this Agreement.

County's Contract Administrator will perform milestone reviews for the specific products and deliverables listed in the Scope of Work and in each Work Order as applicable.

Consultant shall submit all deliverables to County's Contract Administrator in accordance with completion time schedules identified in Exhibit A hereto or as specified in the individual Work Order for Optional Tasks, if any, issued pursuant to this Agreement. County's review of deliverables will ensure that Consultant's work meets a level of acceptability as determined by the Contract Administrator, and Consultant shall be required to modify its work as necessary to meet that level of acceptability as defined by the Contract Administrator. ## **ARTICLE II**

**Term:** This Agreement shall become effective when fully executed by both parties hereto and shall expire upon the later of ninety (90) days after County's recordation of the Notice of Acceptance for the Project or the resolution of all construction claims, if any, associated with the Project.

Exhibit C, Cost Proposal\*, is subject to an audit or Certified Public Accountant Indirect Cost Audit Workpaper Review. Exhibit C, Cost Proposal\*, shall be adjusted by Consultant and approved by County's Contract Administrator to conform to the Workpaper Review recommendations or audit recommendations. Consultant agrees that individual terms of cost identified in the audit report shall be incorporated into the Agreement by this reference if directed by County, at its sole discretion. Refusal by Consultant to incorporate the Workpaper Review recommendations or audit recommendations will be considered a breach of the Agreement terms and cause for termination of the Agreement.

The total amount for all Optional Tasks, if any, which may be assigned in accordance with this Agreement, shall not exceed \$110,000, inclusive of all Work Orders, all work of subconsultants, and all costs and expenses. The not-to-exceed amount of each individual Work Order so assigned shall not exceed the amount specified in each Work Order, unless County's Contract Administrator and Consultant amend the Work Order in writing.

The total amount of this Agreement, including all of the services detailed in Exhibit A and including any Optional Tasks which may be assigned, and inclusive of all work of subconsultants, costs, expenses, and Work Orders shall not exceed \$1,300,000.

In accordance with ARTICLE XIV, Prevailing Wage, Consultant shall provide County's Contract Administrator with certified payroll for applicable personnel, including authorized subconsultants, for the period for which payment is requested and such certified payroll shall accompany each invoice submitted. The certified payroll shall contain information related only to the Project. No invoice shall be paid until the certified payroll is submitted. Itemized invoices shall follow the format specified by County and shall reference this Agreement number and the County-supplied Work Order number, if applicable, on their faces. Consultant shall bill County for only one (1) Work Order per invoice.

Copies of documentation attached to invoices shall reflect Consultant's charges for the specific services billed on those invoices. Invoices shall be mailed to County at the following address:
