**Re: Serrano Request for Continuance;
August 10, 2010 Board Agenda Items 14 and 15**

Honorable Members of the Board:

We hereby request a continuance of the above-referenced items for a period of one week to the August 17, 2010 Board meeting.

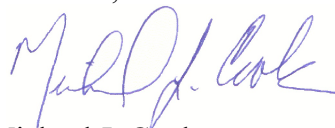

We received the staff reports for these two items last evening. The information contained therein is significant and requires research and coordination to fashion an appropriate response. The one week continuance will provide us that opportunity.

Secondly, I wish to attend the funeral of a family member on Tuesday morning, and in absence of a continuance would be precluded from attending. My uncle, Robert Cook, died in a Tahoe boating accident earlier this week.

Your consideration of this request is appreciated. Because we have out of town consultants who must fly in for the hearing, we would appreciate it if you would provide us with an indication as to whether this request will be granted.

Very truly yours,

HEFNER, STARK & MAROIS, LLP
