4. List any additional skills or qualifications that would be valuable to this committee:

1. Experience on volunteer groups which serve in a leadership or community representation.
2. This includes experience working with county staff.
3. I have given up nearly all volunteer work on community groups in order to care for my 102 year old mother, on hospice, who lives with me. This is all time consuming. Thus, I believe I have experience with caregiving.

2. What other kinds of community groups do you belong to now or in the past?

I live in Cool and am a director on the Divide Chamber of Commerce. I have served as President of the Chamber in the past and am currently on the Chamber. I also served on the El Dorado County Economic Development Advisory Committee appointed by the Board of Supervisors and the El Dorado County Fire Safe Council. 3. What life or work experiences will help you in serving on this committee?

I have served on Boards and groups involved with El Dorado County as a volunteer/citizen. I have lived in Cool nearly 20 years. I worked at Stanford University prior to moving to El Dorado County.
