This Amendment I to that Agreement for Services #277-S1411, made and entered into by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Conforti Plumbing, Inc., a California Corporation duly qualified to conduct business in the State of California, whose principal place of business is 6080 Pleasant Valley Road (Mailing: PO Box 1090) El Dorado, CA 95623, and whose Agent for Service of Process is Robert Laurie, 253 Main Street, Placerville, CA 95667 (hereinafter referred to as "Contractor").

RECITALS

WHEREAS, Contractor has been engaged by County to provide plumbing system repair and replacement services on an "as requested" basis for the Health and Human Services Agency (HSSA) in accordance with Agreement for Services #277-S1411, dated January 14, 2014, incorporated herein and made by reference a part hereof; and

WHEREAS, the parties hereto have mutually agreed to amend **Article I – Scope of Services, Article III – Compensation for Services, Article XXIII – Notice to Parties, and Article XXXIV – Administrator**; and

WHEREAS, the parties hereto have mutually agreed to add **Article XLI – Licenses**; and renumber **Article XLI** to accommodate the insertion of the aforementioned Article.

NOW THEREFORE, the parties do hereby agree that Agreement for Services #277-S1411 shall be amended a first time as follows:

//

//

//

//

Articles I, III, XXIII, and XXXIV are amended in their entirety to read as follows:

ARTICLE I

Scope of Services:

County shall:

1. County shall award bids based on the lowest responsible bid within the maximum allowed reimbursement pursuant to the County's funding contracts with the California Department of Community Services and Development.
2. County shall ensure the Contractor's cost of labor and materials are within current applicable market rates but do not exceed the maximum reimbursement.

Contractor shall:

1. By signing this Agreement, Contractor attests that they have the necessary equipment, personnel, materials, and services to perform the required job.
2. Contractor shall respond to County's request for a bid within 48 hours, and Contractor understands that providing a bid does not guarantee award of bid by County. Services shall only be provided upon approval by County's Program Supervisor or Program Manager. The County shall not pay for unauthorized, incomplete, or unsatisfactory services.
3. Contractor acknowledges that all services are provided in accordance with all applicable federal, state, local, and municipal laws, codes, and regulations, as may be amended from time to time. Additionally, services shall be provided in accordance with County's weatherization contracts with the California Department of Community Services and Development (CSD). CSD contracts are available for review at <http://www.edcgov.us/HHSForContractors/>.
4. Contractor shall perform a combustion gas analysis test on all combustion appliances worked on to ensure they are operating per manufacture specifications and are safe. Contractor shall provide County with print-out proof of combustion gas analysis testing.

ARTICLE III

Compensation for Services: For services provided herein, County agrees to pay Contractor monthly in arrears. Payment shall be made within forty-five (45) days following County receipt and approval of itemized invoice(s) detailing services rendered. Contractor shall submit the original invoice, which shall act as a declaration that its contents have been reviewed and approved by Contractor. Each invoice shall contain the following data:

- A. Contractor name, address, and telephone number
- B. Service dates
- C. Type of service(s) provided.
- D. Rate for each service (i.e., repair, replacement, permit, HERS rating), parts, and labor. Each service shall be listed in a separate line item.
- E. Total amount billed to the County of El Dorado under the subject invoice and authorization.
- F. Contractor shall close all permits prior to invoicing and shall attach the closed permit to the invoice.

Contractor is strongly advised to submit monthly invoices to HHSa no later than fifteen (15) days following the end of a “service month.” For billing purposes, a “service month” shall be defined as a calendar month during which Contractor provides services in accordance with this Agreement. Failure of Contractor to attach closed permits to invoices, or Contractor’s failure to submit invoices by the 15th of the month following the end of a service month, or Contractor’s failure to submit original invoices may result in payment(s) being withheld until HHSa fiscal staff receives the appropriate documents. Receipt by County of invoices submitted by Contractor for payment shall not be deemed evidence of allowable costs under this Agreement. Upon request by County, Contractor may be required to submit additional or new information, which may delay reimbursement.

Invoices shall be sent as follows:

<p><i>Please send invoices to:</i></p> <p>County of El Dorado Health and Human Services Agency ATTN: Weatherization Program 937 Spring Street Placerville, CA 95667</p>
--
