Subject: Support of Green Valley Road Project

Dear Mayor Miklos,

El Dorado County (County) supports the City of Folsom's proposal to the Sacramento Area Council of Governments (SACOG) for a grant to fund the widening of Green Valley Road from two lanes to four lanes between East Natoma Street and Sophia Parkway. We strongly support this grant application, as this project will be a significant benefit for the residents of both of our jurisdictions.

The County acknowledges that a small portion of the project would be constructed in El Dorado County (between the County Line and Sophia Parkway), and that the project would not require financial support from the County.

We look forward to the possibility of improved traffic flow on Green Valley Road between East Natoma Street and Sophia Parkway. The County is pleased to forge a relationship that is beneficial to both of our jurisdictions.

Please contact me at (530) 621-5912 or kimberly.kerr@edcgov.us if you have any questions.

Sincerely,

Kimberly A. Kerr
