Subject: Fire-Safe Review APN 08720067

The Latrobe Fire Protection District has reviewed the road conditions from the intersection of Latrobe Road and Ryan Ranch Road to the subject property. We find that the road is adequate to provide for fire safe access and egress relative to the proposed development of the subject property and we have no objections to the parcel split.

If you have any additional questions please feel free to contact me at my Placerville office at 530-621-6656 or on the cell phone at 530-919-9100.

Walter N. Jukes, Fire Chief
