For the record, most taxpayers do NOT consent to the BOS' surreptitious expenditure of \$63,250 of taxpayer funds to benefit the American River Conservancy, a NGO known for its liberal-Progressive agenda. This specific subject was brought up by Jack Sweeney during Monday's Taxpayers Association meeting. Note as well that the BOS is acting contrary to the specific Core Value of Integrity that Pastor Klatt requested the COB post on the monitors prior to the invocation:

Core Values

Integrity

Doing what is right legally and morally

at all times whether or not

someone is watching.
