Clerk can you please supply copies to all our Supervisors?

Supervisors, by proclaiming May as Bike Month you are proclaiming your support of bicycle use.

Currently an organization called 50 Highway Corridor TMA is working to make El Dorado Hills "A Bike Friendly Community"

When a community strives for this designation it: improves the quality of life, induces business to come to a community, relieves car congestion and induces people to shop local.

We applaud our Department of Transportation and our Transportation Commission in their effort to make our county "A Bike Friendly Community "
