INDEPENDENT AUDITOR'S REPORT

To the Honorable Board of Supervisors
 County of El Dorado
 Placerville, California

We have audited the accompanying Supplemental Statement of Revenue and Expenditures of the California Department of Community Services and Development Programs (financial statements) for the grants awarded to the County of El Dorado (County) by the State of California, Health and Human Services Agency (HHS) as of and for the year ended June 30, 2015 (described in the following table), and the related notes to the financial statements, which collectively comprise the grant program's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

To the Honorable Board of Supervisors
County of El Dorado
Placerville, California

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the California Department of Community Services and Development's revenues and expenditures of the County of El Dorado as of and for the year ended June 30, 2015, in accordance with the requirements of the California Department of Community Services and Development.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the statements referred to previously present only the financial activities of various grants. Accordingly, the accompanying statements do not purport to, and do not, present fairly the changes in financial position of the County in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 24, 2016 on our consideration of the Grant's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over compliance.

Notes to Supplemental Statement of Revenue and Expenditures
For the Year Ended June 30, 2015

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Schedule Presentation

The schedules present only the financial activities of the County of El Dorado's California Department of Community Services and Development (CSD) grants for the period from July 1, 2014 through June 30, 2015 and are not intended to present fairly the financial position or changes in financial position of the County of El Dorado (County) in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The accompanying Financial Statements are prepared in accordance with the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become measurable and available and expenditures are recognized when the related liability is incurred.

NOTE 2: USE OF ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of revenues and expenditures. Actual results could differ from these estimates.

NOTE 3: CONTINGENCIES

The grants are awarded by the CSD and are subject to audit by CSD. It is uncertain whether an audit of the grants by CSD could produce deficiencies in costs claimed under the grants and, therefore, could result in funds being returned to CSD.

NOTE 4: RECONCILIATION OF REPORTED EXPENDITURES TO TOTAL COSTS

The following reconciliations identify differences between "Total Costs" and "Total Reported Expenditures" columns for the CSD programs.

Low Income Home Energy Assistance Program (LIHEAP) direct program activities are shown at actual costs for the program in the columns up to and including "Total Costs" column. "Total Reported Expenditures" column is based on a combination of reimbursement of actual costs and reported measures. "Excess revenue" is that amount of the County's LIHEAP grant allocation for which the County receives reimbursement in excess of the County's actual cost.

Notes to Supplemental Statement of Revenue and Expenditures
For the Year Ended June 30, 2015

NOTE 5: EXCESS REVENUE AND INTEREST INCOME FROM WEATHERIZATION

Excess revenue is defined as the difference between the "Grant Revenue" less "Total Costs". If "Grant Revenue" is equal to or less than "Total Costs", there is no excess revenue. Since excess revenue is the difference between the reimbursement for the installation of measures and the County's actual cost of weatherization measures during the contract term, excess revenues for open contracts, while identified, are not added to the excess revenue balance until the end of the contract.

Interest income is defined as the interest earned by the County directly generated or earned as a result of unexpended LIHEAP grant funds at the end of a contract term period. This type of interest is income generated as a result of depositing federal funds in an interest bearing account. Excess revenue and interest income from the Low Income Home Energy Assistant Program (LIHEAP) is reported as follows:

Beginning Balance	\$	--	
Interest		--	
Excess Revenue 14B-5007 LIHEAP/ECIP		18,759	d
Excess Revenue 14B-5007 LIHEAP/WX		--

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS AND THE CALIFORNIA DEPARTMENT
OF COMMUNITY SERVICES AND DEVELOPMENT GUIDELINES**

To the Honorable Board of Supervisors
County of El Dorado
Placerville, California

We have audited the accompanying Supplemental Statement of Revenue and Expenditures of the California Department of Community Services and Development Programs (the "Financial Statements") for the grants awarded by the State of California, Health and Human Services Agency (HHS) to the County of El Dorado (County) as of and for the year ended June 30, 2015, and have issued our report thereon dated March 24, 2016. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the California Department of Community Services and Development *Supplemental Audit Guide*.

Internal Control Over Financial Reporting

In planning and performing our audit we considered the County's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the Financial Statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Grants' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or the California Department of Community Services and Development *Supplemental Audit Guide*.

To the Honorable Board of Supervisors
County of El Dorado
Placerville, California

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly this communication is not suitable for any other purpose.
