

AGREEMENT FOR SERVICES #072-S0911

THIS AGREEMENT made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Summitview Child Treatment Center, Inc., a California Corporation, duly qualified to conduct business in the State of California, whose principal place of business is 768 Pleasant Valley Road, Suite 304, Diamond Springs, CA 95619, (hereinafter referred to as "Contractor");

WITNESSETH

WHEREAS, County has determined that it is necessary to obtain a Contractor to provide Specialty Mental Health Services for children (hereinafter referred to as "Beneficiaries") on an "as requested" basis for the El Dorado County Department of Mental Health (MHD); and

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

WHEREAS, County has determined that the provision of these services provided by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor agrees to furnish the personnel and equipment necessary to provide therapeutic treatment for Beneficiaries on an “as requested” basis for the Mental Health Department.

Contractor shall provide the following services to Beneficiaries referred by County:

1) **Day Rehabilitation** services as defined in California Code of Regulations, Title 9, Rehabilitative and Developmental Services, Sections 1810.213 and 1810.212 and as further described in Exhibit “A” marked “Program Description,” incorporated herein and made by reference a part hereof; and

Contractor shall provide quality care in a manner consistent with efficient, cost effective delivery of covered services.

Contractor shall provide covered services to a Beneficiary in the same manner in which it provides said services to all other individuals receiving services from Contractor subject to any limitations contained in Beneficiaries’ treatment plans.

While County Beneficiaries may be placed by the County in Contractor’s facility, Contractor recognizes that County is under no obligation to place any Beneficiary in Contractor’s facility.

Contractor agrees to provide documentation or reports to County when requested to assure Contractor’s compliance with contract terms.

Services shall include, but not be limited to, those set forth in Exhibit “A”.

Meetings. Contractor will participate in periodic meetings with the County MHD for the purpose of reviewing the implementation of the program under this contract and will at all times cooperate in making data and information on the implementation of this contract accessible to MHD.

Interpretation Services. To the extent that it may be needed, free interpretation services will be available via the interpretation agreement maintained by County for each client as may be needed, as a backup service. It is expected that Contractor will at all times have the internal capacity to provide the services called for in this agreement with personnel that have the requisite cultural/linguistic competence required to achieve the purposes of this agreement.

Reports and Data. Contractor shall collect and provide program implementation, financial, and related data and information on the activities conducted hereunder as may be requested by County. To the extent that a Federal or State audit disallowance results from a claim or claims for which Contractor has received reimbursement for services provided, County shall recoup within 30 days from Contractor through offsets to pending and future claims or by direct billing, amounts equal to the amount of the disallowance in that fiscal year, less the amounts already remitted to the State for the disallowed claim. All subsequent claims submitted to County applicable to any previously disallowed claim may be held in abeyance, with no payment made, until the federal or state disallowance issue is resolved.

ARTICLE X

Conflict of Interest: The parties to this Agreement have read and are aware of the provisions of Government Code Section 1090 et seq. and Section 87100 relating to conflict of interest of public officers and employees. Contractor attests that it has no current business or financial relationship with any County employee(s) that would constitute a conflict of interest with provision of services under this contract and will not enter into any such business or financial relationship with any such employee(s) during the term of this Agreement. County represents that it is unaware of any financial or economic interest of any public officer or employee of Contractor relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement either party may immediately terminate this Agreement by giving written notice as detailed in the Article in the Agreement titled, "Default, Termination and Cancellation".

ARTICLE XI

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XII

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's

responsibilities to County during term hereof.

ARTICLE XIII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE XIV

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subContractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE XV

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XVI

Default, Termination, and Cancellation:

- A. Default: Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. Bankruptcy: This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement in whole or in part upon seven (7) calendar days written notice by County without cause. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.
