

AGREEMENT FOR SERVICES #000-S1011

---

---

**THIS AGREEMENT** made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and (**Contractor**), whose principal place of business is (**Address**) (hereinafter referred to as "Contractor");

**WITNESSETH**

**WHEREAS**, County has determined that it is necessary to obtain a Contractor for promotional services in order to promote the local economy and enhance the quality of life in the region; and

**WHEREAS**, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

**WHEREAS**, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

**WHEREAS**, County has determined that the provision of these services provided by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code 31000.

**NOW, THEREFORE**, County and Contractor mutually agree as follows:

## **ARTICLE I**

**Scope of Services:** Contractor agrees to furnish materials and personnel necessary to provide (description of services)

## **ARTICLE II**

**Term:** This Agreement shall become effective when fully executed by both parties hereto and shall cover the period of (term), subject to the provisions for earlier termination as provided for herein below.

## **ARTICLE III**

**Compensation for Services:** For services provided herein, County agrees to pay Contractor monthly in arrears and within thirty (30) days following the County's receipt and approval of each invoice. For the purposes of this Agreement, the billing rate shall be (\$X.00) per month. The total amount of this Agreement shall not exceed (\$X,000.00).

## **ARTICLE IV**

**Changes to Agreement:** This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

## **ARTICLE V**

**Contractor to County:** It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

## **ARTICLE VI**

**Assignment and Delegation:** Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

## **ARTICLE VII**

**Independent Contractor/Liability:** Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and sub-Contractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

## **ARTICLE VIII**

**Fiscal Considerations:** The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

## **ARTICLE IX**

**Audits Required:** Contractor shall submit a year-end audited financial statement covering the term of this Agreement. The financial statements are to clearly show the amounts received and expended for the tasks detailed in Article I. Said audited financial statements shall be submitted to the County within One Hundred Twenty days (120) following the end of the contract term, the end of the Contractor's fiscal year.

Contractor shall maintain client records, books, documents, and other evidence, accounting procedures and practices sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred in the performance of this Agreement, including any matching costs and expenses, all of which will be deemed to constitute “records” for purposes of this section. Such records shall clearly reflect the cost and scope of the services provided.

Contractor’s facility or office or such part thereof as may be engaged in the performance of this Agreement and its records shall be subject at all reasonable times to inspection, audit and reproduction by County, the state or any of its duly authorized representatives, including the Comptroller General of the United States.

Contractor shall preserve and make available its records for a period of four (4) years from the date of final payment under this Agreement, and for such longer period, if any, as is required by applicable statute, by any other provision of this Agreement, or by either of the following:

1. If this Agreement is terminated or partially terminated, all of the records relating to work terminated shall: a) be preserved and made available for a period of four (4) years from the date of any resulting final settlement; or b) at the sole option of the County, immediately become the property of the County and shall be delivered by Contractor to County.
2. If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the four (4) year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular four (4) year period, whichever is later.

## **ARTICLE X**

**Revenue and Budget Surplus:** If it is determined by County at the termination of this Agreement and the Audit review that there have been payments by the County in excess of or contrary to that provided in the aforementioned auditing standards, Contractor agrees to refund and repay all such amounts to the County within thirty (30) days following such determination.

## **ARTICLE XI**

### **Default, Termination, and Cancellation:**

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired.

In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. Bankruptcy: This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement in whole or in part upon seven (7) calendar days written notice by County without cause. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

## **ARTICLE XII**

**Severability:** If any provision of this Agreement shall be held to be invalid, illegal or unenforceable for any reason, the validity, legality or enforceability of the remaining provisions shall not in any way be affected for impaired thereby.

## **ARTICLE XIII**

**Reports:** Contractor shall file quarterly progress reports with the County's Contract Administrator showing the manner and amount in which the funds paid pursuant to this Agreement were actually expended. Said reports shall be in written narrative form, summarizing the progress and extent of completion of the services described in Article I.

The final quarterly report shall reflect cumulative totals of fund usage and shall be filed within sixty (60) days following the end of the contract term.

## **ARTICLE XIV**

**Ownership of Rights:** County and Contractor hereby expressly agree that all printed materials described in Article I, whether produced by Contractor, its agents, representatives, employees, or sub-contractors, shall be considered a "work made for hire" within the meaning of 17 USC Sec. 101.

County shall have sole ownership of all rights, for all purposes, in each completed work, and unused printed materials.

Contractor shall comply with all applicable laws regarding the use, publication, broadcast or dissemination of materials called for in this Agreement. Contractor shall be solely responsible for obtaining any and all required permission or licenses and for the payment of any license or use fees relating to the use, publication, broadcast, or dissemination of materials.

#### **ARTICLE XV**

**Nondiscrimination:** In providing services, employing personnel, or in any other respect of this Agreement, Contractor shall not employ discriminatory practices on the basis of race, color, sex, age, religion, national origin or ancestry, or physical or mental handicap.

This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

#### **ARTICLE XVIII**

**Insurance:** Contractor shall provide proof of a policy of insurance satisfactory to the El Dorado County Risk Manager and documentation evidencing that Contractor maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Contractor as required by law in the State of California. For the purposes of this agreement, Workers Compensation and Employers' Liability Insurance is not required.
- B. Commercial General Liability Insurance of not less than \$1,000,000.00 combined single limit per occurrence for bodily injury and property damage. For the purposes of this agreement, Commercial General Liability Insurance is not required.

For the purposes of this agreement, Professional Liability Insurance is not required.

- E. Contractor shall furnish a certificate of insurance satisfactory to the El Dorado County Risk Manager as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to Risk Management, or be provided through partial or total self-insurance likewise acceptable to Risk Management.
- G. Contractor agrees that the insurance required above shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Contractor agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the Agreement, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of Risk Management and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event the Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
  - 1. The insurer will not cancel the insured's coverage without thirty (30) days prior written notice to County, and;
  - 2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. The Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees, and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.

- N. In the event Contractor cannot provide an occurrence policy, Contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. Certificate of insurance shall meet such additional standards as may be determined by the contracting County Department either independently or in consultation with Risk Management, as essential for the protection of the County.

Contractor attests that it has no current business or financial relationship with any County employee(s) that would constitute a conflict of interest with provision of services under this contract and will not enter into any such business or financial relationship with any such employee(s) during the term of this Agreement. County represents that it is unaware of any financial or economic interest of any public officer or employee of Contractor relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement either party may immediately terminate this Agreement by giving written notice as detailed in the Article in the Agreement titled, "Default, Termination and Cancellation".
