Re: CEDAC Letter of Support

Honorable Members of the Board of Supervisors,

The Community and Economic Development Committee met on October 27 and heard from Chief Administrative Officer, Don Ashton. He provided an excellent update of the current plans his office and the County have.

CEDAC was especially gratified to hear that rather than immediately recruit a new economic development coordinator, the strategy is to use a system-wide approach to economic development. This resonated with committee members. The broader the base covering the issue, the better the outcomes are likely to be.

CEDAC would like to add our wholehearted support to Mr. Ashton and the programs and approaches he shared with us. The committee looks forward to helping in any way as the County moves forward with economic development.

Very sincerely,

Maryann Argyres, CEDAC chairperson
Linnea, CEDAC vice-chairperson
Roberta Long, CEDAC member
