Subject Item 20 of today's agenda

Honorable Board:

Part of item 20 of today's agenda deals with Proposition 90, intercounty factored base year transfers. Just as an FYI, the Assessor's Office would need funding for an additional .75 FTE (about \$50,000/yr) to administer this worthy program and avoid an unfunded mandate on this department. Currently, a .33 FTE is dedicated to the administration of Proposition 60. (intracounty factored base year transfers) If you would like more details about the workload of administering the Proposition 90 program, I will be at your disposal today.

Thank you.
