Solution	Description
CampaignDocs Subscription	CampaignDocs™ is a powerful desktop system used by the ROV staff that provides numerous features to help you manage your Campaign Filers, generate letters, emails, run reports on Filings, scan paper filing and receive Electronic Filings submitted by the filers that use eCampaign Module.
eCampaign Subscription	eCampaign™ system is a benefit to your filers. Your filers will be able to use our data screens to enter their contributions / expenditures as they occur and file their forms by the due date. The system will validate the information and summarize all the information on the forms. There are several tools that will help your Filer properly file their filings.
CampaignDocs Public Kiosk Subscription	Public access to your filings is available through your Public Kiosk in an unredacted form using our CampaignDocs Public Access™ module. The Public is able to search for filings in your office without the need of taking staff time to pull the original records. This is not only a cost savings for your staff, but eliminates the risk of the original filing disappearing or becoming misfiled when it's returned. If the Public wants a copy of a filing, they order it at the kiosk and pay for it at the counter where they will pick up their copy.
CampaignDocs Web Publishing Subscription	CampaignDocs WebPublisher™ module the public has access to redacted copies of the filings on the web. The public is able to search, view and print from their own computer without the need of using your agency's resources.
