TERMS AND CONDITIONS

1. **Use of Funds.** Grantee shall use the grant funds only for the purposes of the specific project described above and substantially in accordance with the approved budget included with Grantee’s proposal. Grantee shall repay to the Foundation any portion of the grant funds which are not spent or committed, or which are not used for the specific project described in this Agreement. Any significant changes in the purpose for which grant funds are spent or in the budget or grant period must be approved in writing by the Foundation before the funds are spent.
2. **Reporting.** Reports are to be furnished to the Foundation no later than the following dates:

Interim	07/01/09
Final	02/01/10

Blue Shield of California Foundation Grant Agreement

The purpose of these reports is to permit the Foundation to learn from its experience as a grantmaker and to meet its obligations under federal and state regulations. Failure to submit these reports may disqualify Grantee from receiving future funding from the Foundation.

3. **Evaluation and Monitoring.** The Foundation may monitor and conduct an evaluation of operations under this grant. This may include a visit from Foundation staff, Trustees, and/or Foundation advisors, to observe Grantee's program, discuss the program with Grantee's personnel, and review financial and other records and materials connected with the activities financed by this grant. In addition, Grantee shall provide to the Foundation copies of any publications or other materials produced, in full or in part, with Foundation funds.
4. **Recordkeeping.** Grantee shall keep adequate records to substantiate expenditures from grant funds. Grantee shall make its books and records pertaining to the grant funds available to the Foundation at reasonable times for review and audit, and shall comply with all reasonable requests of the Foundation for information and interviews regarding use of grant funds. Grantee shall keep copies of all books and records related to this grant and all reports to the Foundation for at least four years after Grantee has expended the last of the grant funds.
5. **Sub-grantees.** Grantee shall retain full discretion and control over the selection of any sub-grantees or sub-contractors to carry out Grantee's charitable purposes and shall act completely independently of the Foundation. The Foundation and Grantee acknowledge that there is no agreement, written or oral, by which the Foundation may cause Grantee to choose any particular sub-grantee or sub-contractor. Grantee shall require that any sub-grantee or sub-contractor be subject to the requirements of Paragraphs 1, 2, 3, 4, 7, 10, 11, 12 and 13 of this Agreement, substituting Grantee for the Foundation and the sub-grantee or sub-contractor for Grantee, as applicable. All obligations of Grantee under these Paragraphs shall remain in full force and effect.
6. **Funds Not Earmarked; Grantee Representation.** The grant funds are not earmarked to be used in any attempt to influence legislation within the meaning of Internal Revenue Code ("IRC") Section 4945(e). The Foundation and Grantee have made no agreement, oral or written, to that effect. Grantee represents and warrants, here and in its proposed budget for this grant, that the total of all grants from the Foundation for this project to be paid to Grantee within a single annual accounting period of Grantee does not exceed the amount budgeted by Grantee for its accounting period for activities of the project that are not attempts to influence legislation within the meaning of IRC Section 4945(e).
7. **Prohibited Uses.** Grantee shall not use any portion of the funds granted:
 - a. To influence the outcome of any specific election for candidates to public office, or to carry on, directly or indirectly, a voter registration drive within the meaning of IRC Section 4945(d)(2), as interpreted by its accompanying regulations;

- b. To undertake an activity for any purpose other than a religious, charitable, scientific, literary, educational, or other purpose specified in IRC Section 170(c)(2)(B); or
 - c. To induce or encourage violations of law or public policy, to cause any private inurement or improper private benefit to occur, or to take any other action inconsistent with IRC Section 501(c)(3).
8. **Grant Announcements.** Grantee shall submit in advance to the Foundation, for review and revision at the sole discretion of the Foundation, any announcements Grantee intends to make regarding the grant, and any publications referring to the grant Grantee intends to publish other than in its annual reports or tax returns. The Foundation may include information on the grant in its periodic public reports and may also refer to the grant in a press release. If there are special considerations concerning the public announcement of this grant, or if Grantee would like to coordinate a public announcement of the grant with the Foundation, Grantee may contact the Foundation to discuss Grantee's plans.
9. **Representation and Warranty Regarding Tax Status.** By entering into this Agreement, Grantee represents and warrants that Grantee is exempt from federal income tax under IRC Section 501(c)(3) or in the absence of such a determination, that Grantee is a state or any political subdivision thereof within the meaning of Code Section 170(c)(1), or a state college or university within the meaning of Code Section 511(a)(2)(B) (referred to hereafter as a "Public Charity") and that it is not a private foundation as defined in IRC Section 509(a) (i.e., that it is a "Public Charity"). Such representation and warranty shall continue through the completion date of this grant.
10. **Publications; License.** Any information contained in publications, studies, or research funded by this grant shall be made available to the public following such reasonable requirements or procedures as the Foundation may establish from time to time. Grantee grants to the Foundation an irrevocable, nonexclusive license to publish any publications, studies, or research funded by this grant at its sole discretion.
11. **Violation of Terms; Change of Status.** In the case of any violation by Grantee of the terms and conditions of the grant, including but not limited to not executing the work of the grant in substantial compliance with the proposal, or in the event of any change in or challenge by the Internal Revenue Service of Grantee's status as a Public Charity, the Foundation reserves the right in its absolute discretion to terminate the grant as provided in Paragraph 16. The Foundation's determination will be final and will be binding and conclusive upon Grantee. Grantee shall give the Foundation immediate written notice of any change in Grantee's tax exempt or Public Charity status. If final or interim reports are not received in a timely manner, the Foundation may withhold payment until the outstanding report is received, and may terminate the grant as provided in Paragraph 16 if any such report is not received within a reasonable time (no more than sixty [60] days) following the date on which it was due.
12. **No Agency.** Grantee is solely responsible for all activities supported by the grant funds, the content of any product created with the grant funds, and the manner in which such

products may be disseminated. This Agreement shall not create any agency relationship, partnership, or joint venture between the parties, and Grantee shall make no such representation to anyone.

13. **Terrorist Activity.** Grantee agrees that the grant funds will be used in compliance with all applicable anti-terrorist financing and asset control laws, regulations, rules and executive orders.
14. **Further Assurances.** Grantee acknowledges that it understands its obligations imposed by this Agreement, including but not limited to those obligations imposed by reference to the IRC. Grantee agrees that if Grantee has any doubts about its obligations under this Agreement, including those incorporated by reference to the IRC, Grantee will promptly contact the Foundation or legal counsel.
15. **Indemnification.** Grantee irrevocably and unconditionally agrees, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the Foundation, its officers, directors, employees, and agents, from and against any and all claims, liabilities, losses, and expenses (including reasonable attorneys' fees) directly, indirectly, wholly, or partially arising from or in connection with any act or omission of Grantee, its employees, or agents, in applying for or accepting the grant, or in expending or applying the grant funds, except to the extent that such claims, liabilities, losses, or expenses arise from or in connection with any act or omission of the Foundation, its officers, directors, employees, or agents.
16. **Remedies.** If the Foundation determines, in its sole discretion, that Grantee has substantially violated or failed to carry out any provision of this Agreement, including but not limited to failure to submit reports when due, the Foundation may, in addition to any other legal remedies it may have, refuse to make any further grant payments to Grantee under this or any other grant agreement, and the Foundation may demand the return of all or part of the unexpended grant funds, which Grantee shall immediately repay to the Foundation. The Foundation may also avail itself of any other remedies available by law.
17. **Captions.** All captions and headings in this Agreement are for the purposes of reference and convenience only. They shall not limit or expand the provisions of this Agreement.
18. **Entire Agreement.** This Agreement supersedes any prior or contemporaneous oral or written understandings or communications between the parties and constitutes the entire agreement of the parties with respect to its subject matter. This Agreement may not be amended or modified, except in a writing signed by both parties.
19. **Governing Law.** This Agreement shall be governed by the laws of the State of California applicable to contracts to be performed entirely within the State.
