**A. Introduction**

The purpose of this sign program is to ensure coordination and compatibility between all signs with the Center. Signs will be high-quality and will be consistent with the established City and/or County Sign Program. Criteria shall establish the sign standards necessary to provide coordinated, imaginative, and proportional exposure for all the Tenants to be located within the Center. Performance shall be strictly enforced and any non-conforming sign that is installed shall be removed immediately by a professional sign contractor at Tenant's expense.

**B. General Criteria and Sign Design**

1. Each Tenant shall submit for approval to Landlord or designated agent, two (2) original sets of the detailed shop drawings of its proposed sign, indicating conformance with the Planned Signed Program herein outlined.
2. Tenant shall submit the sign drawing approved by the Landlord to the City for its approval and issuance of a sign permit prior to the start of any sign construction.
3. Tenant shall pay for all signs and their installation and maintenance. Tenant shall also obtain all necessary permits and approvals.
4. Tenant shall be responsible for fulfillment of all requirements of this Planned Sign Program.
5. Tenant may place signs at rear entry for delivery and emergency purposes only. Sign size not to be more than a total of 144 square inches.
6. Tenant may place signs upon entrance to its demised premises; not more than 144 square inches of lettering, not to exceed two (2") inches in height, indicating hours of business, telephone, etc.
7. Location and spacing of the signs on all buildings shall generally conform at a location which centers on Tenant's space. The Landlord shall determine the exact horizontal placement of all signs upon the building in conjunction with the approval of the shop drawing of the individual signs.
8. Each Tenant shall be responsible for and repair of any damage to any surface caused by the sign or its installation.
9. Landlord reserves the right to periodically hire and independent electrical or sign consultant, at Tenant's sole expense to inspect the installation of all of Tenant's signs. Tenants will be required to correct discrepancies and/or code violations at Tenant's expense. Any code violations, requests for sign removals, or discrepancies not addressed within fifteen (15) days of notice or pursuant to Leasehold provision(s) or City requirements, may be corrected by Landlord at Tenant's expense.
10. Tenant's sign contractor shall carry Workmen's Compensation and Public Liability Insurance against all damage by any and all persons and /or property while engaged in the construction or erection of signs in the amount of \$1,000,000 per occurrence. An insurance endorsement must be provided to the Landlord prior to installation naming: Landlord, Gryphon Capital, LLC and Rich Development Enterprises, LLC as Additional Insured.
11. Tenant shall remove sign and restore the fascia to original condition which Landlord shall approve at Tenant's sole cost and expense within fifteen (15) days of expiration of terms or earlier termination of Tenant's lease. Failure to repair and restore will result in Security Deposit deduction or other legal remedies.
12. Landlord will install and pay for the following building address signs according to Fire Department requirements.
  - a. Building Address Sign: To be twelve inches (12") high, located and installed by Landlord.
  - b. Front Suite Address Sign: Suite address numbers or letters are to be three inches (3") high, in a uniform color (matte finish only) and font with the letters installed over entry door.
  - c. Rear Suite Address Sign (as needed): Three inches (3") high store address numbers in a uniform color (matte finish only) and font are to be installed on the rear doors.

**C. Prohibited Signs**

The following types of signs are prohibited:

1. Outdoor advertising or advertising structure including, but not limited to, "sandwich boards", banners, flags, inflatables, "lawn" signs, vehicles and mobile billboards displaying Tenant name outside demised premises.
2. Exposed junction boxes, transformers, lamps, tubing, conduits, exposed raceways or neo crossovers of any type, except as noted otherwise in the Planned Sign Program.
3. Signs visible through the windows of the premises are subject to city and/or county code. These include painted, hanging. Neon signs are not allowed. Decorations attached to windows are prohibited unless approved by Landlord.
4. Temporary wall signs are not permitted with the exception of Banners in accordance with Section F of this Sign Program.
5. Paper, cardboard, stickers or decals placed around, on, or behind storefronts.
6. Exposed fastenings unless fastenings make an intentional statement.
7. Freestanding signs, except as provided in the Planned Sign Program.
8. Signs which move, swing, rotate, flash, except as provided in the Planned Sign Program.
9. No person shall install or maintain, or cause to be installed or maintained, any sign which simulates or imitates in size, color, lettering or design any traffic sign or signal, or any other symbol or characters in such manner to interfere with, mislead or confuse traffic.
10. Signs, banners, flags or similar advertising devices that are exhibited, posted or displayed by any person, including anything of an obscene, indecent, or immoral or unlawful activity are strictly prohibited. Landlord reserves the right in its sole discretion to immediately remove items that it believes violate this clause.
11. No sign shall be installed, relocated or maintained so as to prevent free ingress or egress from any door. No sign shall be attached to a standpipe, post, or any other item in the common area, except those signs as required by code or ordinance.
12. Signs or parking lot flyers on or affixed to trucks, automobiles, trailers, or other vehicles which advertise, or identify a store of its merchandise is prohibited.
13. Any sign located on the roof or projected above the roofline of a building, except as noted otherwise in the Planned Sign Program.

**D. Sign Construction**

1. All signs and installation shall comply with all applicable City building and electrical codes, and shall bear a U.L. label.
2. The Tenant's sign contractor shall completely install and connect sign and primary wiring at sign location consistent with Landlord's approval. Signs are to be connected to a J-box which is connected to Tenant's electrical panel.
3. All penetration of exterior fascia to be sealed watertight, and finished to match adjacent material, subject to Landlord's approval.
4. All signs shall be kept in good condition, be legible adequately repaired and maintained by the Tenant at all times. The standards for maintenance and repair of signs shall maintain the highest visual quality.
5. All exterior signs shall be secured by concealed fasteners, stainless steel, nickel or cadmium plated.
6. Plastic surfaces to be 3/16 inch (3/16") as manufactured for outdoor advertising.

7. All exterior signs shall be mounted flush to building wall.
8. Internal illumination to be 600 milli-amp Neon or LED installations labeled in accordance with the "National Board of Fire Underwriters Specifications". No other labels or identification will be permitted on the exposed surfaces of the sign except those required by local ordinances.
