- A. Consultant shall perform all professional and technical services, work, and tasks required to accomplish the objectives set forth herein, and shall provide and make available Consultant's own personnel, materials, subconsultants, vehicles, and equipment necessary to perform various engineering tasks to assist the Department's Tahoe Engineering Division (TED) staff in delivering Environmental Improvement Program (EIP) projects and to assist with programmatic needs when requested. Tasks may include, but are not limited to, engineering design, project management, project delivery, mapping, hydrology and hydraulic calculations, developing and overseeing monitoring plans for design criteria and/or Best Management Practices (BMP) effectiveness, and slope/soil stabilization and revegetation.

Upon County's request, Consultant agrees to furnish a senior-level project manager to function as staff augmentation for the Department's TED. Said project manager shall work at the Department's TED office in South Lake Tahoe, California, approximately one day per week based on a mutually agreeable schedule. Services shall include, but not be limited to, those tasks assigned by County's Contract Administrator, or designee, such as attending project-related staff meetings, creating project delivery schedules and estimates, coordinating and facilitating project development team meetings, meeting with partner agencies to manage the project delivery, and/or managing other consultants under contract with County. Consultant shall provide a laptop computer, as necessary to perform these services.

- B. The specific services for each assignment shall be determined at a meeting or telephone conference between Consultant and County's Contract Administrator, or designee, to discuss the needs, applicable design standards, required deliverables, specific Consultant staff, subconsultants (if required), project-related travel hours and mileage budget, if applicable, and any necessary permits on a task-by-task basis. Following the meeting, Consultant shall provide the Contract Administrator with a written scope of work, a schedule to complete each task, and a not-to-exceed cost to complete the work (Task Order), which shall require written approval, authorization, and notification to proceed from the Contract Administrator, prior to commencement of the work. No payment will be made for any work performed prior to approval of the Task Order, and no payment will be made for amounts in excess of the not-to-exceed amount of the Task Order.

Consultant shall provide the Contract Administrator with the names and titles of Consultant's representatives that are authorized to bind Consultant by signing Task Orders and Task Order Amendments on Consultant's behalf. Consultant's notification of individuals authorized to execute Task Orders and Task Order Amendments on Consultant's behalf shall be communicated to County in accordance with the provisions of Article XV, Notice to Parties of this Agreement.

The period of performance for Task Orders shall be in accordance with dates specified in the Task Order. No payment will be made for any work performed after the period of performance in the Task Order, unless County's Contract Administrator and Consultant's Project Manager amend the Task Order. No Task Order will be written which extends beyond the expiration date of this Agreement, nor the cumulative total of the not-to-exceed Contract amount.

- C. If a submittal is required to be an electronic file, Consultant shall produce the file in Microsoft Word 2000, Microsoft Excel 2000, software that is compatible with Primavera P3e/c™, and other engineering software used for analytical purposes. Where Consultant produces drawings as a part of a Task Order, they shall be produced in AutoCAD Land Development Desktop 2i or latest release. Failure to submit the requested deliverables in the format required shall be grounds for termination of the Agreement, as provided in Article XIV.
- D. County is working with the Tahoe Regional Planning Agency to develop a project management system that utilizes Primavera P3e/c™ software. If the work to be performed under a Task Order is scheduled to take six months or longer to complete, Consultant shall prepare, manage, and maintain a critical path schedule (including Work Breakdown Structure) for that Task Order, based on a standard template to be provided by County, in a form that is compatible with the aforementioned project management system and software. This critical path schedule shall include a deliverables schedule, as well as other relevant data needed for Consultant's work control and County's review of work status. The relevant data shall include a list of activities with budgeted costs and a target completion date for each. The total budgeted costs shall not exceed the amount agreed to in the Task Order. If the work to be performed under a Task Order is scheduled to take less than six months, Consultant shall prepare a work plan, including a listing of tasks with milestone completion dates, a not-to-exceed cost and a target completion date for the overall Task Order.

County shall review and approve functions through County's Contract Administrator, or designee, at key points, as specified in each Task Order. Milestone reviews shall be performed for the specific products and deliverables listed in each Task Order. Milestones may only be changed by agreement between County's Contract Administrator and Consultant's Project Manager.

- E. The County of El Dorado shall cooperate with Consultant by providing the following information requested, where possible, in connection with this Agreement:

 3. A project number and task code for each assignment.

F. In addition to the time spent working at the TED office in South Lake Tahoe, Consultant's Project Manager shall also be accessible to County's Contract Administrator, or designee, during normal County working hours and shall respond within 24 hours to County inquiries or requests. Consultant's Project Manager shall be responsible for all matters related to Consultant's personnel, subconsultants and operations, including, but not limited to:

1. Assigning qualified personnel to perform the required Task Order work.
2. Reviewing, monitoring, training and directing Consultant's personnel and subconsultants.

NOTICE TO APPLICANTS - CERTIFICATION/DISCLOSURE REQUIREMENTS RELATED TO LOBBYING

Section 319 of Public Law 101-121 (31 U.S.C.), signed into law on October 23, 1989, imposes new prohibitions and requirements for disclosure and certification related to lobbying on recipients of Federal contracts, grants, cooperative agreements, and loans. Certain provisions of the law also apply to Federal commitments for loan guarantees and insurance; however, it provides exemptions for Indian tribes and tribal organizations.

Effective December 23, 1989, current and prospective recipients (and their subtier contractors and/or subgrantees) will be prohibited from using Federal funds, other than profits from a Federal contract, for lobbying Congress or any Federal agency in connection with the award of a particular contract, grant, cooperative agreement or loan. In addition, for each award action in excess of \$100,000 (or \$150,000 for loans) on or after December 23, 1989, the law requires recipients and their subtier contractors and/or subgrantees to: (1) certify that they have neither used nor will use any appropriated funds for payment to lobbyists; (2) disclose the name, address, payment details, and purpose of any agreements with lobbyists whom recipients or their subtier contractors or subgrantees will pay with profits or nonappropriated funds on or after December 23, 1989; and (3) file quarterly updates about the use of lobbyists if materials changes occur in their use. The law establishes civil penalties for noncompliance.

If you are a current recipient of funding or have an application, proposal, or bid pending as of December 23, 1989, the law will have the following immediate consequences for you:

- You are prohibited from using appropriated funds (other than profits from Federal contracts) on or after December 23, 1989, for lobbying Congress or any Federal agency in connection with a particular contract, grant, cooperative agreement, or loan;
- you are required to execute the attached certification at the time of submission of an application or before any action in excess of \$100,000 is awarded; and
- you will be required to complete the lobbying disclosure form if the disclosure requirements apply to you.

Regulations implementing Section 319 of Public Law 101-121 have been published as an Interim Final Rule by the Office of Management and Budget as Part III of the February 26, 1990, **Federal Register** (pages 6736-6746).
