Placerville, California 95667

**Title:** Church Mine Road – Storm Damage Repair, Contract 78657 -  
Notice of Completion

**Meeting Date:** October 3, 2006

**District/Supervisor:** District II/Supervisor Baumann  
District III/Supervisor Sweeney

Dear Members of the Board:

**Recommendations:**

The El Dorado County Department of Transportation (Department) recommends your Board of Supervisors (Board): 1) accept the Church Mine Road – Storm Damage Repair as substantially complete; and, 2) authorize the Chairman of the Board to sign and record the Notice of Completion.

**Reasons for Recommendations:**

The Contract for Church Mine Road – Storm Damage Repair (Project) was executed by your Board on March 23, 2006, was substantially completed May 19, 2006. The Board actions above will start legal time frames for guarantees, a lien period, and return of retention monies. Joe Vicini, Inc. acceptance of the final contract cost is attached and summarized below:

Original Bid Price:	\$216,725.00
Construction Contract Item Cost:	\$217,595.75
Contract Change Orders:	\$ 8,027.46
<b>Final Cost of Construction:</b>	<b>\$225,623.21</b>

This project was one of three projects which utilized emergency contracting provisions in sections 20395, 22035, and 22050 of the Public Contract Code. Once all three projects are complete, an item will be brought forward to terminate the use of the provisions.

Major contract change orders on this project dealt with traffic control, the placement of import borrow material to complete finished subgrade, and the placement of bird netting to prevent the entrance of nesting birds into the culvert.

**Fiscal Impact:**

There is no fiscal impact associated with this Item.

**Action to be Taken Following Approval:**

1. The Board Clerk will obtain the Board Chairman's signature on the Notice of Completion.
2. The Board Clerk will send the Notice of Completion to the Recorder's Office for recordation.
3. Copies to be returned the Department.

Sincerely,

Richard W. Shepard, P. E.  
Director of Transportation
