- (e) Part-time Employee - A part-time employee who, on December 31, 1989, was provided with the full OBP as a full-time employee, shall continue to be eligible for the full OBP benefit, provided there has been no break in service.

A part-time employee who is hired on or after January 1, 1990, shall receive this benefit according to their regular work schedule, as documented on the Personnel Action Form, subject to the chart below:

Scheduled Hours Per Pay Period	Optional Benefit Plan
64-79	Equivalent to Full-time Employee
40->64	75% of Equivalent to Full-time Employee
34->40	50% of Equivalent to Full-time Employee
less than 34 hours	Not Eligible

A part-time employee may work additional or fewer hours than the employee's FTE without change to the level of entitlement based upon the number of hours initially set forth on the Personnel Action Form prorata contribution. The prorata entitlement level may only be changed by amending the Personnel Action Form which documents a change to the FTE.

1305. LIFE INSURANCE

The County shall provide a group term life insurance plan for each Unrepresented Employee whose FTE as designated on the Personnel Action Form is at least 60 hours of work per pay period in the following amounts:

Elected Department Heads	\$100,000

Appointed Department Heads	\$100,000

1307. EMPLOYEE ASSISTANCE PROGRAM

The County shall maintain an Employee Assistance Program for Unrepresented Employees.

SECTION 14: HOURS OF WORK AND OVERTIME

1401. WORK SCHEDULES

The appointing authority shall fix the hours of work with due regard for the convenience of the public and the laws of the state and the County. The appointing authority shall assign Administrative Management and Confidential Employees to a regular work schedule and may change that schedule at the appointing authority's discretion.

The appointing authority shall give Administrative Management and Confidential Employees reasonable advance notice of any change in work schedule.

In no case may the work schedule of an employee who is eligible for overtime be changed during the work week when the purpose of such change is to avoid overtime compensation, unless agreed to by the employee.

Upon the recommendation of the department head, an alternate work schedule which differs from the standard work schedule of the department may be approved by the appointing authority provided that service to the public is not adversely affected.

Such approval shall occur via completing forms assigned by the County.

1402. ACCUMULATION AND USE OF COMPENSATORY TIME OFF

The maximum accumulation of CTO for eligible employees shall be one hundred fifty (150) hours.

Use of accumulated CTO shall be a time mutually agreeable to the appointing authority and the employee.

Employees may cash out CTO at any time subject to the approval of the appointing authority.

Upon termination, any employee with accumulated CTO shall have it paid off at the base hourly rate at the time of termination.

1403. REST PERIODS

Each appointing authority shall grant rest periods to Confidential Employees and Extra Help Employees. Any such rest periods shall be governed by the Personnel Rules.

1404. MEAL PERIODS

Confidential Employees and Extra Help Employees will be allowed an uncompensated meal period. Any such meal period shall be governed by the Personnel Rules.

1405. OVERTIME

(a) Definition

- i. Except as otherwise specified in this Salary and Benefits Resolution for Unrepresented Employees, overtime shall be defined in accordance with FLSA.
- ii. Holidays will be included in the calculation of "time worked".

(b) Compensation

Overtime required by the FLSA shall be compensated at one and one-half (1 ½) times the employee's regular rate of pay, or at the employee's request and with the department's approval, CTO accrued at the rate of one and one-half (1 ½) hours off for each FLSA overtime hour worked. Overtime not required by the FLSA shall be paid as premium compensation at one and one-half times the employee's base hourly rate of pay, and shall not be eligible for CTO in lieu.

SECTION 15: GRIEVANCE PROCEDURE

1501. INTENT

It is the intent of this procedure to provide for an orderly and equitable procedure for the resolution of misunderstanding and disputes between the County and its Unrepresented Employees. The use of this procedure in resolving employee grievances shall not be held against any employee.

1502. INFORMAL DISCUSSION

Every effort should be made to settle grievances, performance issues, and related disputes at the lowest level of supervision possible. If an employee has a complaint relating to a work situation, the employee is encouraged to request a meeting with their immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively toward settlement.

1503. SCOPE OF GRIEVANCES

A grievance is a claimed violation, misapplication, or misinterpretation of the provisions of this Resolution or employee protections contained in ordinances, resolutions, written Personnel Rules or written policies, adversely affecting an employee's wages, hours, or conditions of employment.

Specifically, excluded from the scope of grievances are:

- 1) Subjects involving the amendment or change of Board of Supervisor's resolutions and ordinances, which do not incorporate the provisions of this Resolution or other employee protections contained in ordinances, resolutions, personnel rules, or written policies.
- 2) Discrimination complaints that allege violations of equal employment opportunity laws or employment discrimination. Such complaints shall be processed pursuant to the E-5 Board of Supervisors Policy Prohibiting Discrimination, Harassment, and Retaliation, and Reporting and Complaint Procedures.
- 3) Appeals of the Reduction in Force Policies, which fall under the appeal process contained within that policy.
- 4) Appeals of disciplinary actions resulting in termination, demotion, or suspensions without pay. Such appeals shall be processed pursuant to the County's Civil Service Appeal Procedure.
- 5) Internal department operational policies and procedures that determine the methods, processes, means, and places of providing services, except as those policies affect the terms and conditions of employment.

1504. GRIEVANCE PROCEDURE

The grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

- a) The employee shall prepare a written grievance within twenty-five (25) working days of the incident or occurrence giving rise to the complaint. The employee shall submit the grievance to the immediate supervisor and appointing authority or designated manager. The grievance shall set forth the facts at issue and identify the provision of this Resolution or section of written policy, rule, resolution, or ordinance that the employee feels has been violated; the time of the occurrence of any alleged incident or violations precipitating the grievance; and the requested remedy.
- b) The appointing authority or designated manager shall conduct such meeting(s) with the employee and investigate the grievance as is appropriate in the appointing authority's judgment. The appointing authority or designated manager shall deliver to the grievant a written decision within ten (10) working days of receipt of the grievance. If the grievance is denied, the reasons for denial shall be included in the response.
- c) If the appointing authority or designated manager's written response does not resolve the grievance and the grievant wishes to appeal the appointing authority's decision, the grievant, within five (5) working days, shall submit the grievance to the Director of Human Resources or their designee. The Director of Human Resources designee shall not be from the same department(s) where the grievance arose.

The Director of Human Resources or designee shall conduct such meeting(s), and/or investigations as are appropriate in their judgment and deliver to the grievant a written decision within fifteen (15) working days. If the grievance is denied, the reasons for the denial shall be included in the response.

1505. ARBITRATION

- (a) If the Director of Human Resources' written response to the grievant fails to resolve

the grievance, the grievant may submit the grievance to arbitration for resolution. The decision of the arbitrator is final and binding on all parties, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.

- (b) The grievant and the Director of Human Resources shall attempt to mutually agree on an acceptable arbitrator for the dispute. If no agreement can be reached on an arbitrator within five (5) working days, a list of seven (7) names from the California State Conciliation and Mediation Service shall be obtained. The parties shall alternately strike names until only one name remains, which name shall be the arbitrator in the dispute. The party to strike the first name shall be chosen by lot.

The arbitrator shall have no power to add to, subtract from, alter, modify, or go beyond the applicable provisions of this Resolution.

- (c) Upon mutual agreement, in lieu of arbitration, the parties may determine to submit the matter to the Civil Service Commission for final resolution, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.

1506. BASIC RULES

- (a) Costs – All costs of arbitration or Civil Service Commission incurred jointly by both parties to the final resolution process shall be borne equally by the parties. Costs incurred separately shall be borne by the party incurring them.
- (b) Time Limits – If a grievant fails to carry their grievance forward to the next level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the most recent step utilized. If a supervisor or manager fails to respond with an answer within the given time period, the grievant may appeal their grievance to the next higher level. Time limits may be waived by mutual written consent of the parties.
- (c) Representation – The grievant may be accompanied by one other County employee of their choice at the informal level of this procedure. At the formal and final stages of this grievance procedure, an employee may be represented by a person selected by the grievant.
- (d) Release Time – The grievant may take reasonable County time without loss of pay to prepare their grievance and meet with County representatives regarding the grievance.

SECTION 16: LAYOFF AND DEMOTION PROCEDURES UPON REDUCTION IN FORCE

The following Reduction in Force Policy is hereby included as a part of this Resolution. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Section. This Reduction in Force Policy does not apply to employees who are covered by the Reduction in Force procedure defined in the California Administrative Code, Title 2, Division 5, Local Agency Personnel Standards.

1601. POLICY

At the discretion of the Board of Supervisors, a reduction in the County's work force may

be initiated for any lawful reason. Insofar as possible, a reduction in force may be accomplished by attrition. When it is determined by the Board of Supervisors that attrition will not provide sufficient relief for the condition warranting a reduction in the number of County employees, the Board of Supervisors may direct a specific layoff by classification, number of employees, and department(s) pursuant to this Reduction in Force Policy.

1602. PROCEDURE FOR PERMANENT LAYOFFS

Reduction in force occurs when the Board of Supervisors by resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

The Department of Human Resources, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level classification(s) if displacement by demoting in lieu of layoff is anticipated in accordance with this Section based on employee retention points. A list of the classifications in which positions have been deleted along with the names and total retention points of employees in those classifications shall be posted in the affected department. It is the department head or their designee's responsibility to ensure posting.

- a) Layoffs and displacements are made within the department involved and are not County-wide.
- b) Written notice of layoff shall be served on affected employees in person or by United States Postal Service (USPS) Priority Mail to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the USPS proof of service.
- c) The written layoff notice shall include the effective date of the separation (layoff); the reason(s) for the layoff; displacement rights, if any; rehire or restoration rights; and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days after service of the notice for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

1603. ORDER OF LAYOFFS

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

1. Extra-help and provisional
2. Probationary employees serving an initial probationary period
3. Regular civil service status full-time and part-time employees

(a) Longevity - A full-time employee shall receive one (1) point for each full month of continuous service as a regular County employee in their classification. Time spent in other classifications which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff and which the employee occupied shall be included in the service time in the affected classification. This includes probationary

time. Part-time employees shall receive a proportional amount of longevity points based upon the number of hours worked. Less than a full month of service shall be prorated. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status, or disciplinary actions as defined in (b) below. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

- (b) Performance/Disciplinary Action - An employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points. An employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with a maximum deduction of twelve (12) points. This will sunset after three (3) years from the effective date of the action, and the lost retention points will be restored to the employee.
- (c) Flexibly-staffed Classifications - Classifications that are budgeted as flexible classifications (e.g., Office Assistant II/I), as stated in the Personnel Allocation Resolution, shall be treated as one classification for purposes of determining retention points.
- (d) Ties - In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: 1) total County of El Dorado service (including County of El Dorado service prior to the most current period of employment); 2) letters of reprimand; and 3) department head determination. Letters of reprimand will be considered as a tie breaking criteria for up to three (3) years from the date of issuance.
- (e) Volunteers for Layoff - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Section.

1604. LAYOFF PRIVILEGES

The following are the options open to affected individuals in each layoff instance:

- a) Displacing into a Lower Classification - An employee affected by layoff may, at the employee's discretion, in lieu of layoff, displace an employee in a classification previously held by the employee. Retention point computation for displacement purposes is made in the same manner as the original layoff. This is considered a voluntary demotion.

Restoration - Restoration shall be in inverse order of layoff. Names of employees with regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of retention points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had civil service status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources. This includes employees taking voluntary demotions in lieu of layoff who shall be placed on a restoration list for the classification from which they were reduced. Three (3) refusals to accept restoration to a position within twenty five (25) miles from the geographical location of the position from which the employee was laid off from a departmental layoff list will remove the eligible individual's name from that list.

- b) A person notified of an offer of restoration must respond within ten (10) working days from the proof of service date. Offers of reemployment shall be sent by USPS Priority Mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to ensure that a current address is provided to Department of Human Resources.
- c) Transfer and Demotion - Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate department head(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that classification. When an employee transfers or demotes in accord with provisions of this Section and is required by the department head or their designee to complete a new probationary period, which results in the employee's rejection during probation, the employee shall not be required to forfeit the employee's status on any layoff list.
- d) Placement in Other Departments - In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same classification in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to one hundred twenty (120) days to evaluate the employee's performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same classification which a department has determined to fill, according to the provisions above.
- e) Separation from County Service - Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, the employee may, upon request, receive payment for those benefits normally given to terminated employees.
- f) Employment Interviews - Department heads who are referred the names of individuals designated for layoff and who have requested transfers shall ensure that such persons are provided an employment interview.
- g) Status on Restoration - An employee who has been laid off or voluntarily reduced under the provisions of this Section and subsequently restored in their former classification within a two (2) year period from the date of layoff or voluntary reduction shall receive the following considerations and benefits:
 - 1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
 - 2. All retention points held upon layoff shall be restored.
 - 3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
 - 4. The employee shall be placed at the step of the salary range that was held at the time of the layoff.

1605. DEVIATION FROM RETENTION POINTS

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the department head or their designee shall fully justify and document the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.

1606. APPEAL OF LAYOFF

(a) Right of Appeal

1. Regular civil service employees receiving a notice of layoff shall have the right to appeal solely on the issue of whether or not there was compliance with the procedures prescribed in this Section.
2. The right of appeal is limited to the scope and process provided in this Section 1606.
3. The scope of any appeal shall not include such issues as the need for layoff, the reasons for layoff, or the exercise of other County prerogatives involved in layoff.

Probation, Provisional, Temporary, and Extra Help Employees have no right of appeal of a notice of layoff. Questions and disputes regarding civil service status shall be determined by the Civil Service Commission in accordance with their rules, regulations, and procedures.

(b) Notice and Timing of Appeal

1. Appeals shall be filed in writing with the Director of Human Resources or their designee.
2. Appeals shall be filed within five (5) working days after the USPS date of service of the notice of layoff as provided in Section 1602.

The notice of appeal shall state the employee's reasons for the appeal consistent with this Section.

(c) Responsibilities of the Director of Human Resources

The Director of Human Resources or their designee shall within three (3) working days of receipt of an appeal, determine which employees, if any, will be adversely affected if the appeal is successful and notify all employees potentially adversely affected of the appeal.

(d) Layoff Arbitration Panel

A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals having the same effective date for layoff.

1. Appeals shall be heard by the tripartite Layoff Arbitration Panel consisting of:
 - i. The Director of Human Resources or their designee.
 - ii. The Chief Administrative Officer or their designee.
 - iii. A neutral department head.

The Layoff Arbitration Panel shall convene and open the hearing within fifteen (15) working days of the initial filing of the appeal.

(e) Hearing Process

1. The employee filing the appeal and all other potentially affected employees will be notified of the date, time, and place of the hearing not less than two (2) working days in advance of the hearing.
2. The neutral member shall serve as Chair of the Layoff Arbitration Panel.
3. The hearing shall be conducted in accordance with standard administrative hearing procedures used by the Civil Service Commission.
4. In addition to hearing such evidence and witnesses as the parties, including any employees potentially affected by the appeal, may call, the Layoff Arbitration Panel may question witnesses and call such witnesses as they deem appropriate.

(f) Decision

1. The Layoff Arbitration Panel shall issue their written decision within two (2) working days of closing the hearing.
2. The decision of the Layoff Arbitration Panel shall be final and binding on all parties.

SECTION 17: CLOSURE OF COUNTY BUILDINGS

- (a) The Chief Administrative Officer or their designee shall determine when County facilities shall be temporarily closed in an emergency as determined by the appointing authority.
- (b) Employees whose buildings have been temporarily closed may be re-assigned to work sites in the same geographic area.
- (c) Regular County employees scheduled to work but who are directed not to report to work or who are sent home from work due to the closure of their work site shall receive their regular pay for that scheduled shift. An employee shall not receive regular pay pursuant to this Section 17(c) if the employee does not report to work due to any circumstance when there has not been a County directive closing the employee's worksite.
- (d) After the first day of closure of a County building, if the County is unable to re-open a work site, or is unable to obtain an alternative work site in the same geographical area, an employee will be compensated for that day(s).
- (e) Confidential Non-Exempt Employees - During a temporary closure of County buildings, those regular employees who are still required to come to work to provide essential services as defined by the Chief Administrative Officer, will receive premium compensation at one and one-half (1 ½) times the employee's base hourly rate of pay.
- (f) Should the closure of a County facility last longer than five (5) working days, the County reserves the right to reassign employees outside their geographical area. In the event of re-assignment outside the geographical area, the employee may at their request utilize accumulated vacation and/or CTO in lieu of re-assignment unless the Chief Administrative Officer makes a finding that the employee's services are essential to the continued operation

of the County. In the event the Chief Administrative Officer finds the employee's services are essential, the employee will be provided time and compensation for their commute.

(g) For purposes of this Section, geographical area is generally defined as:

Tahoe Basin

Western Slope

SECTION 18: PROBATIONARY PERIODS: UNREPRESENTED EMPLOYEES

1801. APPOINTED DEPARTMENT HEADS AND ELECTED DEPARTMENT HEADS

Appointed Department Heads serve at the will and pleasure of the Board of Supervisors and, as employees exempt from civil service, do not serve probationary periods.

Elected Department Heads, Limited Term, and Extra Help do not serve probationary periods.

1802. OTHER UNREPRESENTED EMPLOYEES

Administrative Management and Confidential Employees serve a twenty-six (26) full pay period probationary period from the date of appointment to a specific single classification.

1803. EXTENSION OF PROBATIONARY PERIOD

An Unrepresented Employee who is subject to a probationary period shall have their individual probationary period extended commensurately by each hour an employee is on authorized leave for more than ten (10) consecutive work days. Leaves include, but are not limited to, vacation, sick leave, compensatory time off, and leaves without pay, including leaves granted under the Family Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave, Americans with Disabilities Act, and Workers' Compensation Laws. Employees who request and receive a temporary modified duty assignment due to medical conditions such that they are not performing the essential job functions of their position shall have their probationary period extended for each hour of such modified duty assignment. Nothing herein is intended to prevent the appointing authority from extending a probationary period one time for a period not to exceed six (6) months to ensure that an employee has demonstrated all of the necessary skills and traits to successfully pass probation for the job classification.

SECTION 19: NEPOTISM

1901. EXTRA HELP ELECTIONS EMPLOYEES

Notwithstanding any contrary provisions of the Personnel Rules regarding Nepotism, the employment of Extra Help Employees within the County's Elections Department who are related to employees within the same supervisory unit of the Elections Department to which the Extra Help Employee is assigned is allowed to the extent that i) such appointment is limited to sufficiently staffing special events pertaining to the election cycle, ii) such appointees will not have ongoing duties/work hours outside the scope and duration of such special events, and iii) no employee shall be in the direct line of supervision with a relative.

The terms "direct line of supervision" and "relative" shall be as defined by the Personnel Rules.

SECTION 20: SUPERVISOR'S ASSISTANT

2001. SUPERVISOR'S ASSISTANT

- C. Except in an emergency, departments which determine to change a work schedule on a long term basis (for more than two [2] weeks) from a standard work schedule to an alternate work schedule (e.g., 4/10s, 9/80s) or from an alternative work schedule to a standard work schedule (5/8s), or to a different alternative work schedule, the department shall give notice to the affected employee(s) and Local 1 and provide the opportunity to meet with the department to discuss the proposed change. Implementation of such change will not occur prior to two full pay periods from the date of notice to Local 1 and employee(s) unless agreed to by affected employees.

- E. Employees shall work eight (8) hours per day, five (5) days per week unless employees are assigned to an alternative work schedule in accordance with the procedures set forth herein.
- F. The Chief Administrative Officer at his/her discretion and upon recommendation of an appointing authority may approve alternative work schedules. Alternative work schedules proposed by Local 1 shall be submitted to the appointing authority and the Chief Administrative Officer. Department initiated alternative work schedules shall be submitted to Local 1. Rest periods if not taken are lost and may not be accumulated to extend lunch hours or to shorten the work day. Neither shall any additional pay accrue to an employee who misses or loses a rest period.

Section 2 Overtime

A. Definition: Except as otherwise specific in this MOU, overtime shall be defined in accordance with FLSA.

B. Authorization: The appointing authority or his/her designee may require and shall authorize the performance of any overtime work in advance of the overtime being worked. If prior authorization is not feasible because of emergency conditions, a confirming authorization must be made on the next regular working day.

C. Compensation: Overtime required by the FLSA shall be compensated at one and one half (1-1/2) times the employee's regular rate of pay, or at the employee's request and with the department's approval, compensatory time off (CTO) accrued at the rate of one and one half (1-1/2) hours off for each FLSA overtime hour worked. Overtime not required by the FLSA, also known as contract overtime, shall be compensated at one and one-half (1-1/2) times the employee's base hourly rate of pay, and shall not be eligible for CTO in lieu. Holidays will be included in calculating time worked for contract overtime.

D. Accumulation and Use of Compensatory Time Off: Subject to the department approval provided for in this Section, part C. Compensation, the maximum accumulation of CTO is two hundred (200) hours per employee.

1. Leaves of absence shall be a time mutually agreeable to the appointing authority and the employee; whether to use accumulated CTO for authorized leaves shall be at the discretion of the employee.
2. Upon termination, any employee with accumulated CTO shall have it paid off.
3. Employees may cash out CTO at any time subject to the approval of the appointing authority.

E. Other Provisions

1. Time worked as overtime shall not be used to earn fringe benefits such as but not limited to, sick leave, vacation, or CalPERS service credit, or to serve out probation or merit increase periods. CTO taken may be used as part of the established work week to earn fringe benefits and to serve out probationary and merit step increase periods.

2. Employees assigned to positions requiring continuous coverage on a twenty-four (24) hour per day, seven (7) days per week basis who are held over at the conclusion of their shift for more than thirty (30) minutes without twenty-four (24) hours advance notice will be paid premium compensation at one and one-half (1-1/2) times the employee's base hourly rate of pay from the time they are required/ordered to remain at work beyond their scheduled shift.
3. Overtime shall be paid in accordance with these rules and the provision of the Fair Labor Standards Act.

Section 3 On-Call Duty Compensation

- A. When warranted and in the interests of the County's operations, appointing authorities or their designees may assign employees, in writing to "on-call" duty for an "on call period". Each on-call period shall consist of a single, seven (7) day FLSA work period.
- B. "On-call Duty" is an assigned duty outside the normal work week assignment during which an employee must remain where they can be contacted by telephone and be ready for immediate call-back to the employee's department to perform an essential service.
- C. During the term of this MOU,
 1. Employees represented by Local #1 of the Health and Human Services Agency shall be compensated at an hourly rate of 20% of the employee's base hourly rate for each hour the employee is assigned to on-call duty.
 2. Employees working for all other agencies and departments assigned to on-call duty shall be compensated at the rate of \$2.50 per hour.
- D. If the County and the employee agree, the employee on an approved vacation may be placed on the on-call duty list if the employee is willing and able to return to work if called during the vacation.

Section 4 Call-Back Compensation

- A. When an employee returns to work because of a department request made after the employee has completed his/her normal work shift and left the work station, the employee shall be credited with two (2) hours plus any hours of work in excess of two (2) hours in which the employee is continuously engaged in work for which he/she was called back.
- B. An employee who is called back shall be entitled to the aforementioned two-hour minimum only once during a single on-call period or twice during a weekend on-call period.
- C. There shall be no duplication or pyramiding of rates paid under this section. No employee shall be compensated for on-call duty and call-back duty simultaneously. Hours worked on call-back duty shall be deducted from the prescribed on-call duty to determine the appropriate on-call pay.

- D. "Call-back" time shall be paid as premium compensation at one and one-half (1 ½) times the employee's base hourly rate of pay.
- E. The (2) two-hour minimum shall apply only when an employee is required to physically return to work (e.g. leave home or another off duty location) in order to perform required duties. An employee who performs work after regular work hours, but who is not required to leave home, shall be compensated, with a (1) hour minimum, at the premium rate for actual time worked. The parties agree the one (1) hour minimum is not meant to be provided on a per phone call basis and the duplication and/or pyramiding of pay will be prohibited in this instance.
- F. Call-back provisions, including the one (1) or two (2) hour minimum, shall not apply if an employee is called to work within one (1) hour of their normal starting time. If an employee is called to work within the one hour prior to their normal starting time, they shall be compensated under normal FLSA compensation provisions.

Section 5 Tahoe Employment Differential

In recognition of limited choices of health care plans, providers, and associated costs in the Tahoe Basin, eligible employees shall receive a total one hundred and one dollars and fifty-three cents (\$101.53) each of the twenty-four benefit pay periods (the first two paydays of each month); part-time employees shall receive fifty dollars and seventy-seven cents (\$50.77) per benefit pay period.

Eligible employees are those employees who meet one of the following criteria:

1. The employee resides in the Tahoe Basin;
2. The employee resides outside of the coverage area for the County's HMO medical care plan (historically having an eastern boundary of Placerville) and the employee's primary work location is in the Tahoe Basin.

Employees not meeting one of these criteria shall not be eligible for this differential. For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address on file with the Human Resources Department.

This differential shall only apply when an eligible employee is in paid status for a majority of their assigned hours in a pay period.

Section 6 Geographic Differential

Employees who reside in the Tahoe Basin (defined as the Tahoe Regional Planning Agency jurisdiction boundary around Lake Tahoe) shall receive two hundred dollars (\$200.00), paid twenty-four (24) pay periods per year (the first two pay days of each month); employees regularly scheduled to work twenty (20) hours or fewer per week (0.5 full-time equivalent [FTE] or less) shall receive half this amount. For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address on record with County Payroll.

Section 7 Longevity Pay

Longevity pay for regular employees who were hired into an allocated position prior to December 19, 2017, shall be granted for continuous service served in an allocated position with the County except as otherwise provided under the terms of this MOU, as follows:

After 10 years	5% of base pay*
After 15 years	7.5% of base pay*

* Represents total amount of longevity granted; amounts shown are not cumulative.

Longevity pay increases shall be based upon continuous service with the County in an allocated position or service as described above. Longevity pay for those employees who are eligible, shall become effective no later than the full biweekly pay period following the completion of the required period of continuous service.

Base pay is as listed in the County's salary schedule for the employee's classification and step.

Employees represented by the GE, PL, or SU bargaining units who are hired on or after December 19, 2017, will not be eligible for longevity pay. Individuals who have separated from County service and are subsequently re-hired and all future new employees will not be eligible for longevity pay.

Employees who were hired prior to December 19, 2017, and who are otherwise eligible for longevity pay upon completion of the required period of service, but who have not yet achieved the first longevity tier (5.0% after 10 years of service) will receive that longevity tier once they complete the required period of service. However, these employees will not be eligible for any further longevity pay advancement thereafter.

In order to be eligible to receive such differential, an employee must demonstrate language proficiency acceptable to the appointing authority as certified in writing to the Director of Human Resources. The County shall adopt a language proficiency testing process to determine employees' qualification to serve as bilingual skill providers. Coverage shall continue for a period of time as specified by the Board of Supervisors. In no case shall the coverage continuation be less than one (1) year from the date the employee commences an approved military leave of absence, or until the employee returns from active duty, whichever occurs first. Such continuation of coverage is contingent upon being allowed under the health care plan chosen by the employee.

The County shall continue the same level of contributions for the employee absent on military leave and that employee's dependents as would apply to other employees in the same classification and bargaining unit. The employee would be responsible for

any contribution toward dependent coverage specified in the MOU. Pursuant to these provisions, the employee absent on military leave shall not be required to use accumulated paid leave in order to be eligible for continuation of coverage and the county's contribution to the medical/dental plan.

Prior to being considered eligible for continued coverage under these provisions an employee shall be required to provide documentary evidence, satisfactory to the County, of the employee's active duty status. The employee shall also be required to notify the County in writing within ten (10) days of the employee's return to inactive duty status. At any point the medical condition of an employee appears to be permanent, long term, of uncertain duration or likely to preclude the employee's ability to return to work, the County will move to separate the employee and, if the employee is eligible, make application to CalPERS for a disability retirement on behalf of the employee. If an employee is not eligible for CalPERS retirement, then the County will refer the employee to long-term disability (LTD). Notwithstanding Article 10, Section 3.F., Payment for unused Sick Leave, employees medically separated under disability retirement shall be paid all of their unused accrued sick leave. If an employee is denied disability under CalPERS or LTD, the employee will return to work.
- G. Eligibility for use of County paid time for these doctor's visits is limited to up to forty-eight (48) hours per

injury.

H. Modified Duty - The County of El Dorado has a return-to-work philosophy. The purpose is to return employees to employment at the earliest date following any injury or illness. The County desires to speed recovery from injury or illness and reduce insurance costs. This philosophy applies to all employees and will be followed whenever appropriate. The County of El Dorado defines "transitional" work as temporary modified work assignments within the employee's physical abilities, knowledge, and skills. Where feasible, transitional positions will be made available to injured employees in order to minimize or eliminate time loss. As related to this section, for any business reason, at any time, the County may elect to change the working shift of any employee based on the business needs of the County.

Transitional/temporary positions are provided with consideration of the employee's physical abilities per the employee's medical provider, the business needs of the County of El Dorado, and the availability of transitional work.

The County agrees to continue the provisions contained in Section 414(h) (2) of the Internal Revenue Code concerning the tax treatment of employee retirement contributions to CalPERS.

D. Retiree Health Coverage For all employees hired before January 1, 2009 who attain a cumulative total completed years of service (excluding extra help service and provisional) with the County of El Dorado as specified below, shall be entitled to the percentage monthly contribution of the "employee only" low-deductible PPO medical coverage rate (strictly health and not to include dental or vision) at retirement toward a County-Sponsored Health Plan as follows:

Level 3	20 years plus	67%
Level 2	15-19 years	50%
Level 1	12-14 years	33%

Contributions for part-time employment (excluding extra help and provisional) shall be treated in accordance with the Retiree Health Benefits Contribution Plan Document.

County contributions for all bargaining units under this program shall not exceed 1.2% of total County payroll costs during any given fiscal year pursuant to the provisions of the Retiree Health Benefits Contribution Plan Document.

In lieu of the above, a retiring employee with 20 or more years of service with the County of El Dorado shall have a one-time irrevocable option to elect four (4) years of contributions, at the low-deductible PPO medical coverage rate (not to include dental and vision), toward a County-Sponsored Health Plan or Alternate County-Sponsored Health Plan in which the retiree is otherwise eligible to enroll. Retired employees have the option to include eligible dependents at additional cost.

Pursuant to the Letter of Agreement dated September 1, 2015, between the County and the Association the County contribution toward retiree health was discontinued for bargaining unit members hired on or after January 1, 2009. However, bargaining unit members hired into an allocated position (excluding extra help and provisional) on or after January 1, 2009, may continue to participate, at their own cost, in the County-sponsored retiree health plan options provided they meet the criteria specified in the plan.

E. 1959 Survivors Benefits - The County will provide to employees Level 3 of the 1959 Survivors Benefits, as defined in CalPERS Section 21573. Each employee shall contribute ninety-three cents (\$0.93) per pay period as required by CalPERS regulations. schedule, their first day off shall be treated as if it was a Saturday and their second day off as if it was a Sunday.

E. F. Regular part-time employees shall be entitled to holiday pay as described above in proportion to the employee's FTE.

Section 2 Vacations

Unit employees receive vacation benefits consistent with the provisions of the El Dorado County Personnel Rules subject to the provisions herein:

A. Accumulation Earned

1. First through forty-eight months of employment: .03875 per hour on pay status (3.1 hours earned per full pay period paid.)
Maximum accumulation of 240 hours.
2. Forty-ninth through one hundred and thirty-second months of employment: .05875 per hour on pay status (4.7 hours earned per full pay period paid).
Maximum accumulation of 320 hours.
3. One hundred and thirty-third and higher months of employment: .0775 per hour on pay status (6.2 hours earned per full pay period paid).
Maximum accumulation of 320 hours.

B. Limitations

1. Use of vacation shall be limited to those hours that were accrued as of the prior pay period, and vacation cannot be used in the pay period in which it is earned.
2. Extra-help, CETA or other employment time may not count toward the required continuous employment for vacation benefits.

C. Donation of Vacation Time

An employee may donate in four (4) hour increments his/her accumulated vacation time to another employee who has exhausted their sick leave and vacation leave due to an extended, catastrophic or serious medical condition of the employee, or member of the employee's immediate family (child, spouse, parent, or person for which the employee has been designated as legal guardian). An employee may also donate vacation time, pursuant to the form above, in the event of the death of an employee. Such donation shall be on a form prescribed by the County Auditor. The hours donated will be deducted from the donating employee's accumulated balance and credited to the accumulation vacation account of the employee receiving the donation. The accepting employee shall be responsible for payment of any applicable taxes. The County shall withhold any amounts authorized or required by law.

Section 3 Sick Leave

A. Accrual

Every regular employee shall accumulate sick leave at the rate of .04625 per hour on a pay status, calculated on the basis of actual service (3.7 hours earned per full pay period paid). There is no maximum accumulation. The accumulation rate for sick leave is based upon regular hours worked, not overtime hours.

B. Eligibility

1. New employees are eligible to use sick leave with pay after completion of two (2) full biweekly periods of continuous service with the County of El Dorado.
2. Use of sick leave shall be limited to those hours which were accrued as of the prior pay period, and sick leave cannot be used in the pay period in which it is earned.

C. Verification

Employees are required to notify their supervisor as soon as possible of their absence due to illness or injury. A department, depending on its internal record keeping, may require an employee upon returning after an absence due to illness or injury, to fill out a sick leave request form or record of sick leave use.

1. If an employee who has taken sick leave is suspected of sick leave abuse, the Department may institute an investigation. Based on the results of that investigation, appropriate action will be taken.
2. The County may request that the employee provide a physician's statements or acceptable substitute during an absence if the employee receives notice prior to returning and the absence is longer than three days. However, if an employee has a record of excessive sick leave use, or if the employee's leave use is suspect, the County may require a physician's letter or other acceptable substitute before authorizing future sick leave usage. Examples of excessive sick leave usage might include but are not limited to:
 - a. Documented abuse, or;

- b. In excess of six individual uses of sick leave in a twelve (12) month period, or;
- c. More than four uses of sick leave in conjunction with vacation and/or holidays in a twelve (12) month period.

Each use of sick leave may last one or more days. Each day of a multi-day sick leave absence does not constitute its own individual use of leave.

It is important to note that use of leave identified under paragraphs "b" and/or "c" above does not automatically trigger discipline. There may be legitimate reasons why an employee is using leave under these circumstances. The primary goal of identifying leave use thresholds is to initiate communication between the County and the employee to determine why an employee is using so much leave.

D. Usage

Employees are entitled to be paid for sick leave used, to a maximum of the time accrued, under the following conditions:

1. The employee's illness, injury, disability or exposure to contagious disease which incapacitates him/her from performance of duties.
2. The employee's receipt of required medical, dental or optical care or consultation.
3. Employees may integrate their sick leave with their Worker's Compensation as provided for by State Workers Compensation laws. In addition, employees may integrate this sick leave with their S.D.I. Benefits in accord with Article 9, Section 4.
4. The employee's attendance to care for a family member as defined by and in accordance with applicable State and/or Federal law, including the FMLA and CFRA (Family Medical Leave Act and California Family Rights Act), who is ill.
5. The employee's preparation for or attendance at the funeral of a member of the immediate family. (Funeral Leave) For the purpose of this paragraph D.5., immediate family means: parent, spouse, son, daughter, sibling, mother-in-law, father-in-law, brother-in law, sister-in-law, grandparents or grandchildren by blood or marriage, or any person who is a regular member of the employee's household or for which the employee has been designated legal guardian. Under this paragraph D.5., an employee shall be allowed a reasonable amount of sick leave time to travel, attend and return from the funeral.

E. Incapacity to Perform Duties

If the appointing authority has been informed through a doctor's report of a medical examination, that an employee is not capable of properly performing his/her duties, he/she may require the employee to absent himself/herself from work until the incapacity is remedied. During such absence the employee may utilize any accumulated sick leave, vacation, holiday and compensatory time or leave without pay. If the incapacity is not of a temporary nature, the appointing authority may take such actions as appropriate under the County rules on medical retirement, termination or

demotion.

F. Payment for Unused Sick Leave

1. In order to receive payment for unused sick leave at the time of retirement, layoff, or voluntary termination, a County employee must have five or more years of County service. However, an employee hired after January 1, 2014 may only receive payment for unused sick leave at the time of retirement or layoff.
 - a. Employees with Over 5 years of service:
Shall receive 20% of their unused sick leave paid.
 - b. Employees with Over 10 years of service:
Shall receive 40% of their unused sick leave paid.
 - c. Employees with Over 15 years of service:
Shall receive 70% of their unused sick leave paid.
 - d. Employees with Over 20 years of service:
Shall receive 100% of their unused sick leave paid.
 - e. In the event an employee dies while in active service with the County their sick leave payoff will be made in accord with the above schedule and the limitation of this Section and will paid in the same manner as the final check.
2. Maximum number of hours paid shall not exceed 500. Employee's last hourly rate of pay shall be used in computing payment.

G. Retirees' Conversion of Sick Leave to Health Insurance Premium

An employee who is retiring under the CalPERS system may, at his/her option, in lieu of Section F. Payment for Unused Sick Leave (above) receive the equivalent value of that benefit in paid health plan premiums. Employees shall be responsible for whatever taxes are appropriate for this benefit.

This Section G titled Retirees' Conversion of Sick Leave to Health Insurance Premium as stated above was discontinued for all newly hired employees effective the first full pay period following approval by the Board of Supervisors of the effective date of the Parties' 2010 through 2013 MOU.

Section 4 Supervisory Leave

Employees in the Supervisory (SU) Unit will receive up to sixteen (16) hours of Supervisory Leave per year. Continuing employees shall receive up to sixteen (16) hours of Supervisory Leave in pay period 01 of each year. Part time supervisory employees shall receive this leave prorated proportionate to the employee's FTE. Employees newly entering the SU Unit shall receive Supervisory Leave on their appointment date as follows:

Appointment Date	Full-Time	Part-Time
In pay periods 01-13	16 hours	Prorated proportionate to employee's FTE
In pay periods 14-26	08 hours	Prorated proportionate to employee's FTE

Such leave does not accrue from year to year and must be used by the last day of pay period twenty-six (26) of each year. This benefit is forfeited immediately upon leaving the SU Unit.

Section 5 Court Appearances

The provisions of the Personnel Rules will apply to any employee who shall be called as a witness arising out of and in the course of his/her employment with another governmental agency. An employee called back to work to testify pursuant to a subpoena shall receive at least three (3) hours of paid time.

Section 6 Contracts with State for Employee Services

A department may, when it determines it is in the best interests of the County, enter into a contract with the State to outstation a department employee for a temporary period to perform services and tasks for the State pursuant to contract. Such temporary reassignment shall be with the concurrence of the employee and in no case exceed one year, except by mutual agreement between the County and Local 1.

The State shall, pursuant to contract, reimburse the County for all salary and benefits received by the employee, as prescribed by the Memorandum of Understanding, during the temporary period of reassignment.

- B. Employees whose buildings have been temporarily closed may be re-assigned to work sites in the same geographic area.
- C. Regular County employees scheduled to work but who are directed to not report to work or who are sent home from work due to the closure of their work site under this section, shall receive their regular pay for that scheduled shift. An employee shall not receive regular pay if the employee does not report to work due to any circumstance when there has not been a County directive closing the employee's worksite.
- D. After the first day of closure of a County building, if the County is unable to re-open a work site, or is unable to obtain an alternative work site in the same geographical area, an employee will be paid for that day(s).
- E. During a temporary closure of County buildings, those regular employees who are scheduled to work at a closed County building and still required to come to work as part of our essential services, as defined by the County Administrative Officer, will receive premium compensation at time and one-half the employee's base hourly rate of pay for those hours actually worked during the designated closure.
- F. Should the closure of a County facility last longer than five (5) working days, the County reserves the right to reassign employees outside their geographical area. In the event the Chief Administrative Officer finds the employee's services are essential, the employee will be compensated for the time it takes to get from the employee's ordinary work site to the alternate work site and will be paid for mileage in accordance with the County's established rate.
- G. Geographical area is generally defined as
 - 1. Tahoe Basin
 - 2. Western Slope

Section 4 Drug Free Work Place

The County and Local 1 agree that they are committed to providing and maintaining a drug free work place in accord with the Drug Free Work Place Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the work place and that violation of this provision would subject the employee to disciplinary action. The County has a zero tolerance standard for employees being under the influence of, or in possession of, alcohol and/or drugs while at work. Reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance. The Parties shall

discuss the adoption of a reasonable suspicion drug testing policy during the term of this Agreement.

ARTICLE 12 REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article. This Reduction in Force policy does not apply to employees who are covered by the Reduction in Force procedure defined in the California Administrative Code, Title 2, Division 5, Local Agency Personnel Standards (LAPS).

A. Policy

When necessary, and as directed by the Board of Supervisors, a reduction in the County's work force may be initiated by (1) lack of work, (2) lack of funds, (3) program or organizational changes resulting in a surplus of employees, or (4) elimination of a specific program or service. Insofar as possible, a reduction in force shall be accomplished by attrition. When it is determined by the Board of Supervisors that attrition will not provide relief for the condition warranting a reduction in the number of County employees, the Board may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this policy, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this policy.

B. Procedure for Permanent Layoffs

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

1. The Department of Human Resources, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level classification(s) if displacement by demoting in lieu of layoff is anticipated in accordance with this Article based on employee retention points. A list of the classifications in which positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to Local 1 current address. It is the appointing authority's responsibility to ensure posting.
2. Layoffs and displacements are made within the department involved and are not Countywide.
3. Written notice of layoff shall be served on affected employees in person or by U.S. P.S. priority mail sent to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the proof of service.

4. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

C. Order of Layoffs

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- a. Extra-help and provisional,
 - b. Probationary employees serving an initial probationary period,
 - c. Regular permanent full-time and part-time employees.
1. Longevity - A full-time employee shall receive one point for each full month of continuous service as a regular County employee in his/her classification. Time spent in other classifications which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff and which the employee occupied for a period of time after July, 1990 shall be included in the service time in the affected class. This includes probationary time and GAIN sponsored training. Part-time employees shall receive a proportional amount of longevity points based upon the number of hours worked. Less than a full month of service shall be prorated. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status or disciplinary actions as defined in 2 below. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.
2. Performance/Disciplinary Actions
An employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points. An employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with a maximum deduction of twelve (12) points. This will sunset after three years from the effective date of the action, and the lost retention points will be restored to the employee.
3. Alternate Classes - Classes which are budgeted as alternate classes (e.g. Office Assistant II/I), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.
4. Acting Assignments – Acting time will not be credited towards the out-of-class position in which the employee served. Out-of-class time will be considered as continuous service in the employee's regular classification.
5. Ties - In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including the County of El Dorado service

prior to the most current period of employment); disciplinary actions; appointing authority determination. Letters of reprimand will be considered as a tie breaking criteria for up to three years from the date of issuance.

6. **Volunteers For Layoff** - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

D. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

1. **Displacing in a Lower Class** - An employee affected by layoff may, at his/her discretion, in lieu of layoff, displace an employee in a class previously held by the employee or in succeeding lower classes in the class series who has less retention points. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.
2. **Restoration** - Restoration shall be in inverse order of layoff. Names of employees with regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of Retention Points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had permanent status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources. This includes employees taking voluntary demotions in lieu of layoff who shall be placed on a restoration list for the class from which they were reduced. Three refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of restoration must respond within ten (10) working days from the proof of service date. Offers of reemployment shall be sent by first class mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to insure that a current address is provided to the County Department of Human Resources.

3. **Transfer and Demotion** - Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate appointing authority(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the appointing authority to complete a new probationary period, which results in his rejection during probation, he shall not be required to forfeit his status on any layoff list.

4. Placement In Other Departments - In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to 120 days to evaluate the employee's performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.
5. Separation from County Service - Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, he/she may, upon request, receive payment for those benefits normally given to terminated employees.
6. Employment Interviews - appointing authorities who are referred the names of individuals designated for layoff and who have requested transfers shall personally ensure that such persons are provided an employment interview.
7. Status on Restoration - An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefits:
 - a) All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
 - b) All Retention Points held upon layoff shall be restored.
 - c) All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
 - d) The employee shall be placed on the step of the salary range that was held at the time of the layoff.
8. Meet and Confer - Prior to the actual layoffs, the County's representatives and Local 1 shall, at the request of Local 1 meet and confer over the practical effects of the proposed layoffs.

E. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the appointing authority shall fully justify and document in writing no later than two (2) weeks prior to submittal to the Board with the

reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.

F. Appeal of Layoff

1. Right of Appeal

- a. Regular civil service employees receiving a notice of layoff shall have the right to appeal solely on the issue of whether or not there was compliance with the procedures prescribed in this Article.
- b. The right of appeal is limited to the scope and process provided in this paragraph F, "Appeal of Layoff".
- c. The scope of any appeal shall not include such issues as the need for layoff, the reasons for layoff, or the exercise of other County prerogatives involved in layoff.

Human Resources will notify all employees potentially adversely affected of the appeal within five (5) working days of receipt of the appeal.

4. Layoff Arbitration Panel

A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals having the same effective date for layoff.

- a. Appeals shall be heard by a tripartite panel consisting of:
 1. A representative designated by the County Director of Human Resources.
 2. A representative designated by Local 1.
 3. A neutral member selected in accordance with Article 12.F.4.b.
- b. The neutral Layoff Arbitration Panel member shall be chosen by:
 1. Mutual agreement between the County and Local 1 or their designated representatives within five (5) working days of notification to Local 1 of an appeal.
 2. If the County and Local 1 fail to name a neutral arbitration panel member within five (5) working days of notification to Local 1 of the appeal, a member of the Civil Service Commission (CSC) shall serve as the neutral third member of the arbitration panel.
 - (a) Human Resources will notify the Chair of the CSC of their inability to agree on a neutral;
 - (b) Human Resources will notify the Chair of the CSC of their desire that a member of the CSC serve as the neutral member of the Layoff Arbitration Panel in lieu of agreement on a third party.
 - (c) The Chair of the CSC shall name a member of the CSC to serve as the neutral member of the Layoff Arbitration Panel and an alternate.
- c. The Layoff Arbitration Panel shall convene and open the hearing within fifteen (15) working days of the initial filing of the appeal. Representatives to the arbitration panel shall be named with primary consideration being given to their availability to meet within the fifteen (15) working day time limit.
 1. If either or both parties fail to name a representative who can meet within the time limit, the CSC Chair shall name a member(s) of the CSC to serve as a 2nd, and if necessary, 3rd neutral in lieu of the failure of either or both parties to provide an available representative.
 2. If the Civil Service Commissioner(s) designated, or the alternate, cannot serve within the time limit, the Chair shall designate another Civil Service Commission(s) who can serve within the time limit.

5. Hearing Process

- a. The employee filing the appeal and all other potentially affected employees will be notified of the date, time and place of the hearing not less than two (2) working days in advance of the hearing.

- b. The neutral member shall serve as Chair of the Layoff Arbitration Panel.
- c. The hearing shall be conducted in accordance with standard administrative hearing procedures used by the Civil Service Commission.
- d. In addition to hearing such evidence and witnesses as the parties, including any employees potentially affected by the appeal, may call, the Layoff Arbitration Panel may question witnesses and call such witnesses as they deem appropriate.

6. Decision

- a. The Layoff Arbitration Panel shall issue their written decision within two (2) working days of closing the hearing.
- b. The decision of the Layoff Arbitration Panel shall be final and binding on all parties.

ARTICLE 13 APPEALS OF DISCIPLINARY ACTIONS

- A. Except as specified in B, below, an employee in the GE, PL, or SU Units, having obtained permanent status in the County's Civil Service System, shall have the right to appeal a termination, demotion in class or salary step or suspension without pay. Such appeal shall be in accordance with the provisions of County's Personnel Rules Part 12.
- B. GE, PL, or SU Unit employees who are covered by the State Merit System shall have the right to appeal a termination, demotion or suspension without pay in accordance with the definitions and procedures provided for in the California Administrative Code, Title 2, Division 5, Local Agency Personnel Standards (LAPS).
- C. If the County takes any adverse action against an employee, the employee will have a right to County documents which are job related and which might have an exculpatory effect.

ARTICLE 14 GRIEVANCE PROCEDURE

A. Intent

It is the intent of this procedure to provide for an orderly and equitable procedure for the resolution of misunderstandings and disputes between the County and its employees and/or Local 1.

B. Informal Discussion

Every effort should be made to settle grievances, performance issues, and related disputes at the lowest level of supervision possible. If an employee has a complaint relating to a work situation, the employee is encouraged to request a meeting with his/her immediate supervisor and may seek assistance from a shop steward, to discuss

the problem in an effort to clarify the issue and to work cooperatively toward settlement.

C. Early Intervention Process

If a matter remains unresolved, at the written request of the employee or a department, an early intervention team may be requested to attempt to facilitate resolution of the matter. The Early Intervention Team (EIT) shall be composed of a representative of Local 1 and a representative of management and/or Human Resources. The EIT shall meet with the employee and designated representative of the department having authority to resolve the dispute (subject to final approval of the appointing authority and/or County). If the parties agree to participate in the EIT process, the parties agree to extend the timelines for filing a formal grievance by up to an additional twenty-five (25) working days.

If the matter remains unresolved, an employee may utilize the formal grievance procedure or other appropriate process defined by County policy and/or provisions of the Memorandum of Understanding. Designated Local 1 representatives will be provided release time to participate in this process.

D. Scope of Grievances

1. A grievance is a claimed violation, misapplication or misinterpretation of the provisions of a Memorandum of Understanding or employee protections contained in ordinances, resolutions, written Personnel Rules or written policies that adversely affects an employee's wages, hours or conditions of employment.
2. Specifically excluded from the scope of grievances are:
 - a. Subjects involving the amendment or change of Board of Supervisor's resolutions and ordinances, which do not incorporate the provisions of this Memorandum of Understanding or other employee protections contained in ordinances, resolutions, personnel rules or written policies.
 - b. Discrimination complaints that allege violations of equal employment opportunity laws or employment discrimination. Such complaints shall be processed pursuant to the County Policy Prohibiting Discrimination, Harassment and Retaliation.
 - c. Appeals of the Reduction in Force Articles and Policies which fall under the appeal process contained within that policy.
 - d. Appeals of disciplinary actions resulting in termination, demotion, or suspensions without pay. Such appeals shall be processed pursuant to the County's Civil Service Appeal Procedure.
 - e. Internal department operational policies and procedures which determine the methods, processes, means and places of providing services except as those policies affect the terms and conditions of employment.

E. Definitions

1. **Grievant** - A grievant is (1) an employee in the unit who is filing a grievance as defined herein or (2) if two or more employees have essentially the same grievance, they may, if approved by the Director of Human Resources, submit their combined grievances as one grievant. Local 1 may initiate a grievance where actions or policies directly affect employees in the bargaining units represented by Local 1.
2. **Working Day** - shall mean day(s) in which the County's main administration office is open for business.

F. Grievance Procedure

The grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

1. Employee-Initiated Grievance

- a. The employee shall prepare a written grievance within twenty-five (25) working days of the incident or occurrence giving rise to the complaint. If the parties elect to engage in the E.I.T. process as defined in paragraph C, the timelines shall be extended up to an additional twenty-five (25) days not to exceed a total of fifty (50) working days. The employee shall submit the grievance to the immediate supervisor and appointing authority or designated manager. The grievance shall describe the issue, identify the Article of the Memorandum of Understanding or section of written policy, rule, resolution or ordinance which the employee feels has been violated and the requested remedy.
- b. The appointing authority or designated manager shall investigate the grievance. The appointing authority or designated manager's investigation should include a meeting with the grievant and their representative. The appointing authority or designated manager shall respond to the grievance in writing within ten (10) working days of receipt of the grievance. The appointing authority shall sign the response to the grievance.
- c. If the appointing authority or designated manager's written response does not resolve the grievance, the grievant, within ten (10) working days, shall submit the grievance to the Director of Human Resources or designee. The Director of Human Resources or designee shall not be from the same Department(s) where the grievance arose.
- d. The Director of Human Resources or designee shall investigate the grievance. The Director of Human Resources or designee's investigation should include meeting with the grievant or his/her representative. The Director of Human Resources or designee shall respond to the grievance in writing within twenty (20) working days.

2. Local 1 Initiated Grievance

- a. Local 1 shall submit a written grievance to the Director of Human Resources within twenty-five (25) working days of the incident giving rise to the grievance, with copies to affected Appointing authority(s).
- b. The Director of Human Resources shall investigate the grievance and, within twenty (20) working days, shall issue a written response to the grievance.

G. Arbitration

1. If the Director of Human Resource's written response to either an employee or Local 1 initiated grievance fails to resolve the grievance, Local 1 may submit a written arbitration appeal to the Director of Human Resources within 30 working days of the date of the Director's written response after which the grievance shall be submitted to arbitration for resolution. The decision of the arbitrator is final and binding on all parties, subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.
2. The grievant's representative, and the Director of Human Resources, shall attempt to mutually agree on an acceptable arbitrator for the dispute. If no agreement can be reached on an arbitrator within five (5) working days, a list of seven (7) names from the California State Conciliation and Mediation Service shall be obtained. The parties shall alternately strike names until only one name remains, which name shall be the arbitrator in the dispute. The party to strike the first name shall be chosen by lot.

The arbitrator shall have no power to add to, subtract from, alter, modify or go beyond the applicable provisions of the Memorandum of Understanding.

3. Upon mutual agreement, in lieu of arbitration, the parties may determine to submit the matter to the Civil Service Commission for final resolution subject to ratification by the Board of Supervisors if the decision requires an unbudgeted expenditure.

H. Basic Rules

1. Costs

All costs of arbitration or Civil Service Commission incurred jointly by both parties to the final resolution process shall be borne equally by the parties. Costs incurred separately shall be borne by the party incurring them. Upon expiration of this Memorandum of Understanding, the County shall bear the cost of any grievance heard by the Civil Service Commission. The County and Local 1 shall continue to share equally in the cost incurred jointly by both parties for arbitration heard after the expiration of this Memorandum of Understanding.

2. Time Limits

If a grievant or Local 1 fails to carry his/her grievance forward to the next level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the most recent step utilized. If a supervisor or manager fails to respond with an answer within the given time period, the grievant

may appeal his/her grievance to the next higher level. Time limits may be waived by mutual written consent of the parties.

3. Representation

The grievant may be accompanied by a shop steward or one other County employee of his/her choice at the informal level of this procedure. At the formal and final stages of this grievance procedure, an employee may be represented by a shop steward or person designated by Local 1 unless otherwise agreed upon by Local 1 and Director of Human Resources.

4. Shop Stewards

Local 1 may designate a reasonable number of shop stewards who will be available to assist employees with grievances. Only such shop stewards as are recognized by the Director of Human Resources will be given release time as provided below.

5. Release Time

The grievant may take reasonable County time without loss of pay to prepare his/her grievance and meet with management representatives regarding the grievance.

A Local 1 designated shop steward may take a reasonable amount of time, as determined by the Director of Human Resources, without loss of pay to assist a grievant in preparing and presenting a grievance. Only one shop steward will be allowed release time to assist any one grievant or on any one grievance.

ARTICLE 15 EMPLOYEE RELATIONS POLICY AND PRACTICES

A. Employee Relations Policy

Local 1 and the County agree to meet and confer on the Employer/Employee Relations Policy for the purpose of updating the policy and providing for a locally selected, neutral, third party dispute resolution process for unit modification and/or representation petition issues.

B. Unfair Labor Relations Practices

Local 1 and the County agree to submit allegations of unfair employer-employee relations practices to binding arbitration in accordance with the arbitration clause of the grievance procedure.

ARTICLE 16 PEACEFUL PERFORMANCE

The parties to this Memorandum of Understanding recognize and acknowledge that the services performed by the County employees covered by this Agreement are essential to the EDCEA Local 1

public health, safety, and general welfare of the residents of the County of El Dorado. Local 1 agrees that under no circumstances will Local 1 recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, sick-out, slowdown or picketing (hereinafter collectively referred to as work stoppage) in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. Nor will this organization recognize the strike or job action of any organization or engage in any sympathy strike by recognizing the strike, job action or picket lines of any other organization. In the event of any such work stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased.

In the event of any work stoppage, during the term of this Memorandum of Understanding, whether by Local 1 or by any member of the bargaining unit, Local 1 by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. In the event of any work stoppage Local 1 had not otherwise authorized, permitted or encouraged such work stoppage, Local 1 shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, as against any such employee.

A. Job Action - Sick Outs

1. Variance from Personnel Rule 1404

Whenever the CAO or his/her designee determines that an increase in absenteeism due to a job action or sick out is significantly and detrimentally affecting the ability of one or more departments to carry out their functions, he/she may declare that this Section shall be in force and the following rules shall apply. These requirements shall stay in effect for all purposes until after the CAO determines that the increased incidence of absenteeism and the threat of such increased incidence of absenteeism have abated.

- a. The appointing authorities of the departments specified in the CAO declaration shall require that each employee who is unable to report for duty due to illness or injury that is requesting sick leave shall provide a certificate completed and signed by a licensed physician or other qualified medical professional. This certificate shall show that the physician examined the employee during the period of absence from work, state the date of each examination, describe the physician's diagnosis of the employee's illness or nature and extent of the employee's injury and certify that the physician has recommended that the employee be excused from work for medical reasons, and the specific number of days of the recommended excuse. Such medical verification shall be provided to the appointing authority within three (3) working days of the employee's return to work.
- b. The employee shall also provide a sworn affidavit justifying their claim of sick

leave. Such affidavit shall be provided to the employee by the appointing authority upon their return to work. Each request for sick leave time will be evaluated individually at the time the required documentation is received.

- c. An employee shall not be allowed sick leave credit and shall not be compensated for any period of absence unless he/she has complied with the requirements of this policy and unless the information provided therein and otherwise required of or provided by the employee is deemed to substantiate the claimed illness or injury. The employee may appeal a denial of sick leave through the County's Grievance Procedure.
- d. It is recognized that the facts which constitute the basis for use of sick leave may vary considerably from employee to employee and that in rare instances, the specific requirements of this rule may not be appropriate or feasible. Accordingly, discretionary variances, (but not waivers from the requirements of these rules) may be considered and allowed by the CAO or his/her designee. Any such variance shall, if feasible, provide for an acceptable alternative means by which the employee involved shall provide assurance of the existence of facts which are adequate as a basis for proper use of sick leave.

ARTICLE 17 FULL UNDERSTANDING, MODIFICATION, WAIVER

This Memorandum of Understanding sets forth the full and entire understanding regarding the matters set forth herein, and any other prior or existing understandings or agreements relating to such matters are hereby superseded or terminated as appropriate. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein during the term of this Memorandum of Understanding.

No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties, unless made and executed in writing by all the parties hereto, and if required, approved and implemented by the County.

ARTICLE 18 SEVERABILITY

If any provisions of this Memorandum of Understanding are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 19 SUCCESSOR AGREEMENT

Negotiations for a successor Memorandum of Understanding shall begin no later than seven (7) months prior to the end of this MOU.

ARTICLE 20 ECONOMIC HARDSHIP

At any time after Board of Supervisors' approval of this Memorandum of Understanding and upon 30 calendar days written notice to Local 1, the County may reopen this agreement for renegotiation regarding future increases in compensation if a financial shortfall in the County budget has occurred that has caused the Board of Supervisors to actually reopen negotiations with all other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the El Dorado County Charter. Any notice provided subject to this section must include substantial evidence demonstrating the basis for the claim of hardship.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.

- C. All increases shall be effective on the first day of the biweekly pay period following completion of the required period of service.

ARTICLE 6. DAYS AND HOURS OF WORK, PREMIUMS, AND BONUSES

Section 1. Work Schedule

Rest periods (breaks) are defined as a period of time during a shift in which an employee is allowed to take time off from their job duties and use this time for their own rest purposes. If an employee's rest period is interrupted by a call to duty, requiring the employee to discontinue their rest period, the unused portion of the rest period may be continued at the earliest opportunity, provided however, rest periods may not be accumulated to extend lunch hours or to shorten the work day. Neither shall any additional pay accrue to an employee

who misses or loses a rest period. Rest periods are not cumulative and if not taken during the four (4) hour period are lost.

All shift assignments will be in place at least ten (10) days prior to the start of the new shift.

6. In order to comply with the provisions of the Americans with Disabilities Act (ADA). This provision cannot be used for punitive purposes.

F. For purposes of shift sign-up, seniority of Correctional Officer I and II will be defined as the date of initial appointment and continuous employment as a regular Correctional Officer with the County. If an employee resigns and is subsequently reemployed under provisions of Article 5, Section 3, Salary Status Upon Reemployment, such an employee shall receive credit towards seniority for the amount of prior service in effect at the time of resignation.

G. Provided advanced approval is obtained from the appropriate supervisor, line staff will be permitted to temporarily exchange shift assignments for educational commitments which meet the requirements in Article 7, Section 1 herein.

Section 2. Overtime

Overtime required by the FLSA shall be compensated at one and one-half (1 ½) times the employee's regular rate of pay, or at the employee's request and with the department's approval, compensatory time off (CTO) accrued at the rate of one and one-half (1 ½) hours off for each FLSA overtime hour worked. Overtime not required by the FLSA, also known as contract overtime, shall be compensated at one and one-half (1 ½) times the employee's base hourly rate of pay, and shall not be eligible for CTO in lieu.

D. Accumulation and Use of Compensatory Time Off

The maximum accumulation of Compensatory Time Off (CTO) shall be one hundred sixty (160) hours.

1. Overtime which is worked will be compensated by either cash or CTO at the employee's option, subject to the CTO accumulation maximum.
2. Employees may cash-out compensatory time-off at any time subject to the approval of the appointing authority.
3. Use of accumulated CTO shall be a time mutually agreeable to the appointing authority or designee and the employee.
4. Upon termination, any employee with accumulated CTO shall have the

CTO paid off in full.

E. Other Provisions

- C. There shall be no duplication or pyramiding of rates under this Section. No employee shall be compensated for on-call duty and call-back duty simultaneously. Hours worked on call-back duty shall be deducted from the prescribed on-call duty to determine the appropriate on-call pay.

- D. "Call-back" time shall be paid as premium compensation at one and one-half (1 ½) times the employee's base hourly rate of pay.
- E. The two (2) hour minimum shall apply only when an employee is required to physically return to work (e.g. leave home or another off duty location) in order to perform required duties. An employee who performs work after regular work hours, but who is not required to leave home, shall be compensated at the premium rate for actual time worked.

The bilingual differential shall be paid for bilingual proficiency in any language determined by the appointing authority in writing as necessary to provide primary services to the public.

In order to be eligible for bilingual pay the unit member must:

- A. Be certified by the Department of Human Resources as possessing the requisite skill in the foreign language (or American Sign Language) required in the assignment; and
- B. Be authorized and required as a regular part of the assignment of duties to converse and/or write in a language other than English (including American Sign Language). In order to be eligible to receive such differential, an employee must demonstrate language proficiency acceptable to the appointing authority (including American Sign Language). The County shall adopt a language proficiency testing process to determine employees' qualification to serve as bilingual skill providers. The Department of Human Resources shall use a verbal and/or written testing process,

depending upon the level of bilingual skills required of the employee, to validate the employee's skills. Written authorizations to receive a bilingual differential shall be reviewed and renewed annually by the appointing authority or designee.

Section 7. Jail Training Officer Pay

Required qualifications and assignment as a Jail Training Officer and assignment of new Correctional Officers to Jail Training Officers shall be made at the sole discretion of the Sheriff or designee. The duties and responsibilities of Jail Training Officers and the activities that constitute "jail training" shall also be at the sole discretion of the Sheriff or designee. When such assignment is terminated at the discretion of the Sheriff or designee, and the employee is no longer entitled to Jail Training Officer Pay, such loss of Jail Training Officer Pay shall not be considered a "punitive action" under the Public Safety Officer Procedural Bill of Rights Act (Government Code Section 3300 et. seq.), nor a loss of pay under "due process", and is not subject to appeal or grievance.

Section 8. Ammunition

Each Correctional Officer required to carry a handgun shall be entitled to draw 120 rounds of .40 caliber or .45 caliber target ammunition per month on a non-cumulative basis. Expended cartridge cases shall be returned to the El Dorado County Sheriff each month and before the issuance of the next month's allotment. Said ammunition shall be expended for training purposes according to a training program directed by department policy. This procedure is dependent upon acquisition of free ammunition by the County in sufficient amounts to cover the obligation herein.

ARTICLE 8. EMPLOYEE BENEFITS AND RETIREMENT

Section 1. Medical/Dental

A. A mutual goal of the County and the Union is to limit and manage the impacts of health plan costs on both County employees and the County's budget.

1. The County and the Union agree to continue during the terms of the MOU, to meet and work on long term options for payment of health care costs. For the term of this MOU, the parties agree to implement a standardized cost sharing for the health insurance premium contribution rates, with the County paying eighty percent (80%) of the premium for full-time employees and the employee paying twenty percent (20%) of the premium.
2. Health care coverage is on a calendar year (January 1 – December 31). Rates for the ensuing calendar year shall be effective upon approval by

the Board of Supervisors, but no earlier than the pay period containing December 1. Rates will be unblended.

3. Effective the pay period containing December 1, the contributions shall be per the health plan published rates.
4. The OE3 Trust Health Plan currently offers members two health plan options, Plan A and Plan B. For the term of this MOU, the County will make these plans available to Unit members and will work with OE3 Trust to explore and potentially add additional plan options.

The County contribution levels to the OE3 Trust Health Plans will be the same amount as provided to similar County health plans (e.g., Blue Shield 200 to Plan A and Kaiser to Plan B), but will not exceed the OE3 Trust Health plans actual cost. If additional plans are offered during the term of this MOU, the County and Union will meet and confer over negotiable changes.

Costs for the OE3 Trust Health Plans are determined solely by the OE3 health plan administrator.

Following the Board of Supervisors' approval of the MOU, a one-time double health insurance premium deduction will be deducted from each current employee's pay (or until paid in full) that is enrolled in an OE3 sponsored health plan and as necessary for future changes related to qualifying events.

Employees who are hired after the Board of Supervisors' have approved the MOU, OE3 Health Trust Plan premium deductions will begin the first pay period after enrollment election made within enrollment time period. Payroll may double deduct premiums in consecutive pay periods based on when employee elects coverage. If enrolled, health insurance benefits will go into effect the first day of the month following hire.

5. For purposes of this Article, a full-time employee is defined as an employee in an allocated position whose regular work schedule on an ongoing basis is eighty (80) hours of work in each pay period; a part-time employee is defined as an employee who is in an allocated position and whose regular work schedule on an ongoing basis is less than eighty (80) hours of work in a pay period.
6. In order to be eligible for County contribution, other than required by law, a full-time employee must be in pay status, i.e., where the employee is receiving pay from work hours, CTO, vacation or sick leave in accordance with Section 1.A.5. An employee who is receiving Worker's Compensation, temporary disability shall be eligible for continuation of the County's contribution until such time as eligibility for Worker's

Compensation, temporary disability ceases.

7. An employee who ceases to be eligible for County contributions must pay directly to the Department of Human Resources the full amount of employee and County contribution in order to retain benefit coverage under the County-sponsored health/dental benefit plan.
8. The County will not contribute toward the cost of any plan other than the OE3 Trust Health Plan, as described in Section 1.A.4., above, and those specifically sponsored by the County.

B. County health plan benefits are described in the Specific Health Plan Document. While mention may be made in this MOU of various benefits and provisions of benefit programs, specific details of benefits provided under the County Health/Dental Plan, Life, Worker's Compensation and Long-Term Disability Programs shall be governed solely by the various plan documents or insurance contracts and/or policies maintained by the County.

OE3 Trust Health plans are described in the OE3 Specific Health Plan Document.

C. Part-Time Employees

A part-time employee whose regular work schedule is more than thirty-two (32) hours per pay period shall be eligible to participate in the health/dental insurance programs on a pro rata basis according to the following schedule.

1. The County shall pay the full County contribution to the medical/dental costs as specified in Article 8. Section 1.A.5. for a part-time employee whose regular work schedule as documented on the payroll personnel form is between sixty-four (64) to seventy-nine (79) hours per pay period on an ongoing basis; the employee contribution will be automatically deducted from the biweekly pay check.
2. The County shall pay seventy-five percent (75%) of the County contribution to the medical/dental costs for a part-time employee whose regular work schedule as documented on the payroll personnel form is forty (40) to sixty-three (63) hours per pay period on an ongoing basis; the remaining twenty-five (25%) of the County contribution plus the employee contribution will be automatically deducted from the biweekly pay check.
3. The County shall pay fifty percent (50%) of the County contribution to the medical/dental costs for a part-time employee whose regular work schedule as documented on the payroll personnel form is thirty-two (32) to thirty-nine (39) hours per pay period on an ongoing basis; the remaining fifty percent (50%) of the County Contribution plus the Employee Contribution will be automatically deducted from the biweekly pay check.

4. Part-time employees whose regular work schedule is less than thirty-two (32) hours per pay period shall not be eligible for participation in the County medical/dental insurance program.

A part-time employee may work additional or fewer hours than the employee's "ongoing" work schedule without changing the pro rata contribution. The pro rata contribution level may only be changed by amending the payroll personnel form which documents the change to the ongoing work schedule. Related to Section 1.C., an employee, who believes the employee's regular ongoing work schedule has been modified, can submit a written request to the appointing authority to formally change the ongoing work schedule.

D. Enrollment

1. Union employees may choose the County sponsored Plan or OE3 Trust Health Plan. Employees may enroll themselves and their eligible dependents in accordance with the provision of the Plan. Employees may opt not to be covered by the County sponsored medical/dental plan as allowed/required by law, or the OE3 Trust Health Plan if allowed by law. In such case, neither the County nor the employee shall be required to make the contributions specified in Article 8, Section 1.A or 1.C as allowed/required by law.
2. Open Enrollment Periods will occur once every calendar year in October. During an Open Enrollment Period, eligible employees may enroll themselves and eligible dependents in the County-offered health plan of their choice.

E. Terms & Conditions

1. County sponsored medical plan coverage starts the first day of the month following employment and ends the last day of the month following termination of employment. Retirees, at their own expense, may continue to be enrolled in the County-sponsored plan or may be eligible for contributions pursuant to Article 8, Section 9.E. Health Plan coverage shall be in accordance with the provisions of the Plan. Employees who retire or who separate from County service may, at their own expense, continue to be enrolled in the County-sponsored plan in accordance with provisions of the plan or as provided by law.
2. The parties agree that the County Medical/Dental Plan is a Defined Benefit Plan, and that the County is required to provide the specified benefits during the term of this MOU regardless of the level of contribution by the County and its employees.
3. The County agrees to maintain the IRC 125 Plan for employees in the OE3 Trust Health Plan in order to provide the tax advantages to the employees

in that Plan for the premiums that they pay.

F. Continuation of Medical/Dental Plan - Military Call-Up

An employee who is a member of the United States Reserve Armed Forces or the National Guard and is called to or volunteers for active military duty in response to a call-up by the President of the United States as provided for by law, shall continue to be eligible for coverage under the applicable medical/dental plan, notwithstanding the employee's absence due to the call-up or ineligibility due to such absence. Coverage shall continue for a period up to one (1) year from the date the employee commences an approved military leave of absence, or until the employee returns from active duty, whichever occurs first. Such continuation of coverage is contingent upon being allowed under the respective health care plan of the employee.

The County shall continue the same level of its contributions for the employee absent on military leave and that employee's dependents as would apply to other employees in the same classification and bargaining unit. The employee will be responsible for any contribution toward dependent coverage specified in the MOU. Pursuant to these provisions, the employee absent on military leave shall not be required to use accumulated paid leave in order to be eligible for continuation of coverage and the County's contribution to the medical/dental plan.

Prior to being considered eligible for continued coverage under these provisions an employee shall be required to provide documentary evidence, satisfactory to the County, of the employee's active duty status and shall also be required to notify the County in writing within ten (10) days of the employee's return to inactive duty status. Upon the employee's discharge from active duty status, the standard provisions of Article 8 of this MOU shall apply with full force and effect.

G. Patient Protection and Affordable Care Act

The parties acknowledge that the Federal Patient Protection and Affordable Care Act ("PPACA"), its current and future related regulations, and California law developed in response to the PPACA may create new requirements for the County during the term of this MOU. The County will comply with these new statutory and regulatory requirements to the best of its ability. The parties acknowledge that compliance with these requirements is mandatory and therefore not subject to meet and confer.

Section 2. Life Insurance

The County shall provide a \$40,000 Group Life Insurance Plan for each employee who is regularly scheduled to work at least sixty (60) hours per pay period. Accidental Death and Dismemberment (AD&D) coverage is included in this Plan.

The County has the non-appealable right to increase the group term life insurance plan

and AD&D coverage amounts for classifications covered by this MOU.

Section 3. Vision Care

The County will maintain a vision care component for employees who are enrolled in a County Medical/Dental plan.

Full salary is defined as payment for all regularly scheduled hours of work in a pay period, including those differentials associated with scheduled hours, such as Longevity Pay and Tahoe Differential. Excluded from this payment would be those pays associated with actual work during a pay period, such as Shift Differential, Bilingual Pay and Overtime.

C. Procedure

Salary Continuation/Workers' Compensation Leave shall commence from the first day's absence. Payment of this benefit will be contingent on the County's acceptance of the injury or illness as compensable under Worker's Compensation Law. This benefit shall be provided in accordance with state law and schedules. Upon expiration of the benefit provided for in this Section 4, eligible employees would be eligible for the benefits provided for under Workers' Compensation, State Disability Insurance and/or Long Term Disability.

Section 5. State Disability Insurance (SDI)

Section 7. Injury or Illness Leave Time

The County and Union agree to the following in regard to "leave time" associated with employee injury and illness:

- A. When an employee is off work due to an illness or injury, the County will work with the Union to offer a plan that allows for crediting of service time to the extent possible under the law and CalPERS rules. The parties understand that employees' use of their accrued time, i.e., sick leave, vacation, etc., counts as service credits for CalPERS purposes.
- B. Family Medical Leave Act (FMLA) and California Family Medical Rights Act (CFRA) leave shall begin to count towards an employee's twelve (12) week entitlement from the first day of the FMLA/CFRA qualifying event, with notice to the employee. All terms and conditions of the FMLA/CFRA shall apply.
- C. Employees off work due to a medical leave of absence shall be required to use accumulated sick leave, which may include being integrated with SDI, LTD, Worker's Compensation, etc., if necessary, before going on any other County paid or unpaid leave. Employees may elect to "bank" up to eighty (80) hours of their sick leave for use upon their return to work.
- D. Employees will be allowed to use accumulated vacation, CTO, etc., during a medical leave. For employees who are off work and eligible for FMLA, the County will continue its health insurance contribution, as defined in Article 8, Section 1, on the employee's behalf (employees will be responsible for their portion), up to the time of the employee's separation from County service.

An employee who is receiving less than their scheduled hours as stated above and who ceases to be eligible for County contributions must pay directly to the Department of Human Resources the full amount of the employee and County contribution, as prorated below, in order to retain benefit coverage under the County-sponsored Health/Dental/Vision Benefit Plan.

medical leave. Assessments will be conducted at thirty (30) days of leave (or 90 days of limited duty) and at least every ninety (90) days thereafter. The employee will be provided with the opportunity to provide input into the assessment.

- F. At any point the medical condition of an employee appears to be permanent, long term, of uncertain duration or likely to preclude the employee's ability to return to work, the County will move to separate the employee and, if appropriate, make application to CalPERS for a disability retirement on behalf of the employee who is eligible for a CalPERS disability retirement. If an employee is not eligible for CalPERS retirement, then the County will move to refer the employee to LTD. Notwithstanding Article 9, Section 3.E., Payment for Unused Sick Leave, employees medically separated under disability retirement shall be paid all of their unused accrued sick leave. If an employee is denied disability under CalPERS or LTD, the employee will return to work.
- G. The County and the Union agree to encourage employees on medical leaves to return to work as soon as possible in a "light duty" or "modified duty" capacity if possible.

Section 8. Employee Assistance Program

3. At the time of termination an employee shall be paid off for all unused accumulated vacation hours.

Section 3. Sick Leave

A. Accrual

Every regular employee shall accumulate sick leave at the rate of .04625 per hour on a pay status, calculated on the basis of actual service (3.7 hours earned per full pay period paid). There is no maximum accumulation.

B. Eligibility

1. Employees covered by this MOU will be eligible to use sick leave with pay after completion of two (2) full biweekly pay periods of continuous service with the County.
2. Employees requesting sick leave to care for family members will be approved in accordance with applicable Federal and State law.
3. Use of sick leave shall be limited to those hours that were accrued as of the prior pay period, and sick leave cannot be used in the pay period in which it is earned.

C. Verification

Employees are required to notify their supervisor as soon as possible of their absence due to illness or injury. A department, depending on its internal recordkeeping, may require an employee upon returning after an absence due to illness or injury, to fill out a sick leave request form or record of sick leave use.

1. Departments may request information in order to aid in the determination of whether the sick leave use is legitimate. The appointing authority or designee may require a physician's statement or acceptable substitute from an employee who applies for sick leave, or make whatever reasonable investigation into the circumstance that appears warranted before taking action on a sick leave request.
2. Departments may require a prescribed affidavit or medical report from. When an employee is absent for longer than ten (10) consecutive working days, the employee will be required to submit a statement from the employee's physician releasing the employee for normal duty.
3. If an employee who has taken sick leave is suspected of abuse, the Department may institute an investigation. Based on the results of that investigation, appropriate action will be taken.

4. Departments may request that the employee provide a physician's statement, as authorized by law or acceptable substitute during an absence if the employee receives notice prior to returning and the absence is longer than three days. However, if an employee has a record of excessive sick leave use, or if the employee's leave use is suspect, Departments may require a physician's letter or other acceptable substitute before authorizing future sick leave usage. Examples of excessive sick leave usage include but are not limited to:
 - a. Documented abuse, or;
 - b. More than six individual uses of sick leave in a twelve (12) month performance evaluation period, or;
 - c. More than four (4) uses of sick leave in conjunction with vacation and/or holidays in a twelve (12) month period.

Each use of sick leave may last one (1) or more days. Each day of a multi-day sick leave absence does not constitute its own individual use of leave. It is important to note that use of leave identified under paragraphs "b" and or "c" above does not automatically indicate abuse; there may be legitimate reasons why an employee is using leave under these circumstances. The primary goal of identifying leave use thresholds is to initiate communication between the County and the employee to determine why an employee is using so much leave and determine if the leave is being abused. Protected leave cannot be tracked for performance evaluation and/or disciplinary reasons unless an employee is using protected leave in an unlawful manner.

D. Incapacity to Perform Duties

If the appointing authority has been informed through a doctor's report of a medical examination, that an employee is not capable of properly performing his/her duties, he/she may require the employee to absent himself/herself from work until the incapacity is remedied. During such absence the employee may utilize any accumulated sick leave, vacation, holiday and CTO or leave without pay. If the incapacity is not of a temporary nature, the appointing authority may take such actions as appropriate under the County rules on medical retirement, termination or demotion.

E. Payment for Unused Sick Leave

1. In order to receive payment for unused sick leave at the time of retirement, layoff or voluntary termination, a County employee must have five (5) or more years of County service.

2. Maximum number of hours paid shall not exceed five hundred (500). The employee's last hourly rate of pay shall be used in computing payment.

Section 4. Catastrophic Leave

Catastrophic leave donation is designed to allow employees to donate vacation leave to other employees in times of exceptional need. Justifications for such transfers may include a catastrophic medical condition, injury or incapacitation of the employee.

- A. To be eligible for this benefit, an employee must have been employed by the County for one continuous year and worked no less than one thousand two hundred fifty (1,250) hours over the immediate preceding twelve (12) months. In addition, this leave may not be used for more than twelve (12) weeks in any twelve (12) month period.
- B. The employee requesting leave donations (requestor) must first exhaust all other forms of accrued paid leave.
- C. Contributions will cease if/when the catastrophic occurrence is resolved, or when twelve (12) weeks from the first transfer has passed.
- D. The amount of donated time paid to the requestor will be reported as taxable income.
- E. Hours donated will not qualify the employee for hours worked as it relates to holiday pay, on-call duty compensation, Tahoe employment differential, bilingual differential, overtime or time in class.

Procedure

- A. The requestor must provide a signed written request for donations of vacation leave to his/her supervisor. Additionally, a statement from a health professional verifying an injury or incapacity likely to last for at least one (1) month must be forwarded to the supervisor before any action will be taken. The supervisor will forward the written request and verification to the Department of Human Resources.

The contributor must have at least forty (40) hours of vacation hours remaining after the donation. Once submitted, transfers of leave may not be revoked by the contributor. The requestor will not be made aware of who has donated leave.
- E. Donations will be made in one (1) hour increments. Employees may donate up to an annual maximum donation of sixteen (16) hours to any one (1) employee. All donations will be deducted from the contributor's balance and held in queue until such time as they are needed by the requestor. Donated hours will be drawn on by the requestor, as the need arises, from the pool of donated hours on an hour for hour basis. All unused pledges remaining in the pool will be credited back to the original contributors on a last donated, last used basis.

Donations will be charged hour for hour at the pay rate of the contributor to the department in which the requestor is employed.

Section 1. Probation Periods

A. Initial Probationary Period

Probationary periods are considered as a continuation of the selection process and apply to all initial appointments, promotions and employee initiated lateral transfers to a different position. The County must inform the employee in writing of any probation extension before expiration of the initial probation period.

Time worked by an employee in a temporary, extra-help, or other employment shall not count toward completion of the probationary period. Civil service status shall attach only when a regular employee successfully completes the probationary period for the specific classification during their initial appointment. An employee, who is not rejected prior to completion of the prescribed probationary period, unless extended as per provision herein, shall acquire civil service status automatically.

Leaves of absences, paid or unpaid, leaves granted under the Family Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave, Americans with Disabilities Act, Workers' Compensation Laws, or other legally mandated leaves, and light duty, transitional duty or modified duty assignments that are not considered significantly within the job functions of the job classification or job assignment shall not count towards completion of the probationary period, as provided by law. Individual probationary periods shall be extended commensurately by each hour under these circumstances.

B. Laid-Off Employees

An employee with civil service status who is laid off and subsequently reinstated to their former position or lower position in their class series shall not serve a new probationary period. Laid off employees hired into another County classification from which they were not specifically laid off shall serve a new probationary period. Former probationary employees who were laid off and subsequently reemployed shall serve a complete new probationary period upon rehire.

C. Rejection During Initial Probation

The appointing authority may terminate (reject) a probationary employee at any time during the probationary period without the right of appeal in any manner and without recourse to either the Grievance or Appeal Procedure, except when the employee alleges and substantiates in writing that the termination was due to political or religious or union activities, race, color, national origin, sex, age, handicap or sexual orientation, or otherwise provided by law. Appeals on this basis shall be processed through the County's Discrimination Complaint Procedure. The appointing authority shall notify the employee in writing that he/she is rejected during probation. No reasons for the action are necessary.

D. Rejection During Secondary Probation

Should an employee who has been promoted fail to satisfactorily complete his/her probationary period such employee may elect to return to a position in the classification in the department from which the employee was promoted. If the employee held permanent status in such former classification, the employee shall not be required to serve a new probationary period. The employee's step and anniversary date shall be restored to their pre-promotion status.

Section 2. Performance Evaluation

- A. An employee shall be evaluated by the first-level supervisor above the employee approximately annually. Probationary employees shall receive evaluations every thirteen (13) weeks until completion of their probationary period with the final probationary evaluation due two (2) weeks before the scheduled completion of the probationary period. The evaluation, as prepared by the first level supervisor, shall be reviewed by that supervisor's superior up to and including the appointing authority.

- E. When an employee is rated unsatisfactory on any factor, the evaluation will give the reasons for such rating and include specific recommendations for improvement in writing. However, the contents of an employee's performance evaluation are not subject to the grievance procedure.
- F. The employee's signing of an evaluation form does not necessarily mean that the employee agrees with the evaluation, but it does mean that the employee has had an opportunity to discuss the evaluation with his/her evaluator. Evaluations that are unsigned due to the employee's refusal to discuss or sign the evaluation shall be placed in the employee's file with the signed comment by the supervisor indicating that the employee refused to sign.
- G. The employee will be given a copy of his/her completed evaluation form after it has been reviewed by the Department of Human Resources.
- H. Nothing shall be added to an evaluation after the employee has received a copy of the final evaluation form without the employee's written acknowledgment except as provided in Section 2. F. above.

Section 3. Safety Reporting Procedure

A. Purpose

The purpose of this Section is to encourage employees to observe and report unsafe working conditions or equipment to their supervisors, and for the supervisor to give immediate attention to such reports.

B. Procedure

2. The supervisor will respond in writing to the complaint within two (2) working days of the time the written complaint is filed.
3. If the written response of the supervisor is unsatisfactory, the employee may present the complaint to the appointing authority or designee within two (2) working days. The appointing authority or designee will review the alleged unsafe condition and will make the final decision on the complaint within two (2) working days of receiving the complaint.

Copies of the safety complaint and the responses at all levels will be provided to Risk Management. The substantive decision of the supervisor or the appointing authority is not grievable under Article 13 of the MOU. However, failure to adhere to this procedure is grievable under Article 13 of the MOU.

It is understood that the unlawful manufacture, distribution, dispensing, possession or use of drugs and/or alcohol is prohibited in the work place and that violation of this provision would subject the employee to disciplinary action. The County has a zero tolerance standard for employees being under the influence of or in possession of alcohol and/or drugs while at work. Reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work

performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of the MOU.

Section 7. Hepatitis B Inoculations

The County shall provide Hepatitis B inoculations to all existing and newly hired members of this Unit.

Section 8. Closure of County Buildings Policy

- C. Regular County employees scheduled to work, but who are directed not report to work or who are sent home from work due to the closure of their work site due to an emergency shall receive their regular pay for that scheduled shift. An employee shall not receive regular pay if the employee does not report to work due to any circumstance when there has not been a County directive closing the employee's work site.
- D. After the first day of closure of a County building, if the County is unable to reopen a work site, or is unable to obtain an alternative work site in the same geographical area, an employee will be compensated for that day(s) as if it were a holiday.
- E. During a temporary closure of County buildings, those regular employees who are still required to work as part of essential services, as defined by the CAO, would receive premium compensation at one and one half (1 ½) times the employee's base hourly rate of pay for those hours actually worked during designated closure.
- F. Should the closure of a County facility last longer than five (5) working days, the County reserves the right to reassign employees outside their geographical area. In the event of reassignment outside the geographical area, the employee may at his/her request utilize accumulated vacation and/or CTO in lieu of reassignment, unless the CAO makes a finding that the employee's services are essential to the continued operation of the County.
- G. Geographical area is generally defined as:
 - 1. Tahoe Basin
 - 2. Western Slope

Section 9. Concealed Weapons Permit Fees

Employees in the Union who are eligible and approved for a Concealed Weapons Permit through the El Dorado County Sheriff's Office will not be required to pay any fees charged by the El Dorado County Sheriff's Office. The permit will be for four (4) years provided the employee has met the Penal Code 832 requirements consistent with state law.

Section 10. Special Assignments

Assignments within a specific job classification will be made consistent with Department Policy Manual Section 1005, "Selection Policy".

Section 11. Administrative Investigation Policy

The parties acknowledge that the Sheriff's Office maintains a policy concerning administrative investigations that is subject to change at the sole discretion of the Sheriff. Such change shall not be subject to appeal or the grievance procedure.

ARTICLE 11. REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article. This Reduction in Force policy does not apply to employees who are covered by the Reduction in Force procedure defined in the California Administrative Code, Title 2, Division 5, Local Agency Personnel Standards.

Section 1. Policy

The Board of Supervisors may reduce the size of the County's workforce for any lawful reason that it determines is in the best interests of the County. The Board of Supervisors may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this Article, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this Article.

Section 2. Procedure for Permanent Layoffs

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

- A. The Department of Human Resources, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level classification(s) if displacement by demoting in lieu of layoff is anticipated in accordance with this Article based on employee retention points. A list of the classifications in which positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy

mailed to Local 1 current address. It is the appointing authority's responsibility to ensure posting.

- B. Layoffs and displacements are made within the department involved and are not County-wide.
- C. Written notice of layoff shall be served on affected employees in person or by USPS Priority mail sent to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the proof of service.
- D. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

Section 3. Order of Layoffs

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- (1) Extra help and provisional/Limited Term,
- (2) Probationary employees serving an initial probationary period,
- (3) Regular (civil service status) part-time and full-time employees.

A. Longevity

A full-time employee shall receive one (1) point for each full month of continuous service as a regular County employee in his/her classification and higher classifications, including probationary time but excluding time as extra help.

Part-time employees shall receive a proportional amount of retention points based upon the employee's FTE.

Less than a full month of service shall be prorated proportionate to the number of days employed to the number of days in the month. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer; extra help status; or disciplinary actions as defined in 2, below. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

- B. Performance Disciplinary Actions
 - 1. A full-time employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points.
 - 2. A full-time employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with a maximum deduction of twelve (12) points.
 - 3. Part-time employees shall have a commensurate number of points deducted proportionate the employee's FTE.
- C. Flexibly-Staffed Classes - Classes which are budgeted as flexibly-staffed classes (e.g. Office Assistant II/I), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.
- D. Out of Class Assignments - Out-of-class time will not be credited towards the out-of-class position in which the employee served. Out-of-class time will be considered as continuous service in the employee's regular classification.
- E. Ties - In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including County service prior to the most current period of employment); discipline actions; appointing authority determination. Letters of reprimand will be considered as a tie breaking criteria for up to three (3) years from the date of issuance.
- F. Volunteers For Layoff - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

Section 4. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

- A. Displacing in a Lower Class - An employee affected by layoff may, at his/her discretion, in lieu of layoff, displace an employee in a class previously held by the employee or in succeeding lower classes in the class series who has less retention points. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.
- B. Restoration - Restoration shall be in inverse order of layoff. Names of employees with regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of retention points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a

reclassification of the classification which the person previously had regular civil servant status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources.

Three refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of restoration must respond within ten (10) working days from the proof of service date. Offers of reemployment shall be sent by first class mail to the last address on file in the Department of Human Resources. It is the individual's responsibility to ensure that a current address is provided to the Department of Human Resources.

- C. Transfer and Demotion - Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate appointing authority(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accordance with provisions of this Article and is required by the appointing authority to complete a new probationary period, which results in his rejection during probation, he/she shall not be required to forfeit his/her status on any layoff list.
- D. Placement In Other Departments - In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to six (6) months to evaluate the employee's performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.
- E. Separation from County Service - Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring, or demoting. In the event an employee is laid off for an indefinite period, he/she may, upon request, receive payment for those benefits normally given to terminated employees.
- F. Employment Interviews - appointing authority(s) who are referred the names of individuals designated for layoff and who have requested transfers shall ensure that such persons are provided an employment interview.
- G. Status on Restoration - An employee who has been laid off or voluntarily reduced

under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefit:

1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
2. All retention points held upon layoff shall be restored.
3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
4. The employee shall be placed at the step of the salary range that was held at the time of the layoff.

H. Meet and Confer - Prior to the actual layoffs, the County's representatives and the Union shall, at the request of the Union, meet and confer over the practical effects of the proposed layoffs.

Section 5. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the appointing authority shall fully justify and document in writing no later than two (2) weeks prior to submittal to the Board of Supervisors with the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore, and the date the Board of Supervisors shall consider the department's request.

Section 6. Appeal of Layoff

A. Right of Appeal

1. Regular civil service employees receiving a notice of layoff shall have the right to appeal solely on the issue of whether or not there was compliance with the procedures prescribed in this Article.
2. The right of appeal is limited to the scope and process provided in this Section, "Appeal of Layoff".
3. The scope of any appeal shall not include such issues as the need for layoff, the reason(s) for layoff, or the exercise of other County prerogatives involved in layoff.
4. Probation, provisional, temporary and extra help employees have no right

of appeal of a notice of layoff. Questions and disputes regarding regular civil service status shall be determined by the Civil Service Commission in accordance with their rules, regulations and procedures.

B. Notice and Timing of Appeal

1. Appeals shall be filed in writing with the Director of Human Resources or designee. An email shall be accepted as a written appeal.
2. Appeals shall be filed within five (5) working days after the date of service of the notice of layoff as provided in this Section, "Appeal of Layoff".
3. The notice of appeal shall state the employee's reasons for the appeal consistent with this Article.

C. Responsibilities of the Director of Human Resources or Designee

1. The Director of Human Resources or designee shall within three (3) working days of receipt of an appeal, forward a copy of the appeal to the Union.
2. The Director of Human Resources or designee shall within five (5) working days of receipt of an appeal, determine which employees, if any, will be adversely affected if the appeal is successful. The Department of Human Resources will notify all employees potentially adversely affected of the appeal within five (5) working days of receipt of the successful appeal.

D. Layoff Arbitration Panel

A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals having the same effective date for layoff.

1. Appeals shall be heard by a tripartite panel consisting of:
 - a. A representative designated by the Director of Human Resources.
 - b. A representative designated by the Union.
 - c. A neutral member selected in accordance with D.2.
2. The neutral Layoff Arbitration Panel member shall be chosen by:
 - a. Mutual agreement between the County and the Union or their designated representatives within five (5) working days of notification to the Union of an appeal.
 - b. If the County and the Union fail to name a neutral arbitration panel member within five (5) working days of notification to the Union of the

appeal, a member of the Civil Service Commission (CSC) shall serve as the neutral third member of the arbitration panel.

- i. The Department of Human Resources will notify the Chair of the CSC of their inability to agree on a neutral;
- ii. The Department of Human Resources will notify the Chair of the CSC of their desire that a member of the CSC serve as the neutral member of the Layoff Arbitration Panel in lieu of agreement on a third party.
- iii. The Chair of the CSC shall name a member of the CSC to serve as the neutral member of the Layoff Arbitration Panel and an alternate.

3. The Layoff Arbitration Panel shall convene and open the hearing within fifteen (15) working days of the initial filing of the appeal. Representatives to the arbitration panel shall be named with primary consideration being given to their availability to meet within the fifteen (15) working day time limit.
 - a. If either or both parties fail to name a representative who can meet within the time limit, the CSC Chair shall name a member(s) of the CSC to serve as a second and if necessary, third neutral in lieu of the failure of either or both parties to provide an available representative.
 - b. If the member(s) of the CSC designated, or the alternate, cannot serve within the time limit, the Chair shall designate another member(s) of the CSC who can serve within the time limit.

E. Hearing Process

1. The employee filing the appeal and all other potentially affected employees will be notified of the date, time and place of the hearing not less than two (2) working days in advance of the hearing.
2. The neutral member shall serve as Chair of the Layoff Arbitration Panel.
3. The hearing shall be conducted in accordance with standard administrative hearing procedures used by the CSC.
4. In addition to hearing such evidence and witnesses as the parties, including any employees potentially affected by the appeal, may call, the Layoff Arbitration Panel may question witnesses and call such witnesses as they deem appropriate.

F. Decision

1. The Layoff Arbitration Panel shall issue their written decision within two (2) working days of closing the hearing.
2. The decision of the Layoff Arbitration Panel shall be final and binding on all parties.

ARTICLE 12. APPEALS

Section 2. Administrative Appeal

Employees of this Unit are "Public Officers" as defined in Penal Code Section 831.5, and are not entitled to the protections provided by the Peace Officers Procedure Bill of Rights (Government Code Section 3300 et. seq.); however, through this MOU, the County provides similar rights as specified below.

As regards alleged "punitive actions" in the nature of terminations, demotions in class or salary step, and suspensions without pay only, the right to appeal such discipline to the Civil Service Commission as provided for in the foregoing section is agreed to constitute the "administrative appeal" required by Government Code Section 3300 et. seq.

As regards any other alleged "punitive action" for which there exists a right of "administrative appeal" pursuant to Government Code Section 3300 et. seq., and including the appeal of a written reprimand, the following "administrative appeal" is provided:

Within ten (10) working days from the effective date of such punitive action, the employee must submit in writing a "Notice of Appeal" to the Sheriff or designee acting in the capacity of Administrative Appeal Officer, together with any and all documents supporting the employee's appeal including statements from any witnesses. Failure to submit a "Notice of Appeal" to the Sheriff or designee within the time period prescribed shall constitute an absolute waiver of the right to an "administrative appeal" pursuant to Government Code Section 3300 et. seq.
- B. The Sheriff or designee must respond in writing to the "Notice of Appeal" within twenty (20) working days following submission. No hearing is required to be held and the designee may respond to the appeal solely on the materials and documents provided by the appealing employee and by the department.

- C. The Sheriff or designee, acting as the Administrative Appeal Officer, shall have the power to amend, modify, rescind, or uphold, in whole or any part thereof, the claimed punitive action of the department or authority imposing discipline.
- D. The "administrative appeal" provided for herein need not be completed prior to the implementation of the alleged "punitive action".
- E. With respect to appeal rights governing written reprimands, the decision of the Sheriff or designee is final and binding. Nothing in this section confers upon the employee the right to challenge the decision of the Sheriff or designee in any other formal, informal or administrative proceeding.

2. Day - Shall mean day(s) in which the County's main administration office is open for business.

D. Grievance Procedure Steps

1. Informal Discussion - Every effort should be made to settle grievances at the lowest level of supervision possible. If an employee has a complaint relating to a work situation, the employee is encouraged to request a meeting with the employee's immediate supervisor to discuss the problem in effort to clarify the issue and to work cooperatively toward settlement. Such discussion shall occur within fifteen (15) working days of the incident or occurrence giving rise to the complaint. The immediate supervisor shall respond informally within seven (7) working days.
2. Formal Grievance Steps - The formal grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.
 - a. Immediate Supervisor - An employee and representative may formally submit a grievance to the immediate supervisor within fifteen (15) working days from the date of the immediate supervisor's informal decision or if the informal discussion has not taken place fifteen (15) working days from the date of the incident or occurrence giving rise to the complaint. An email may serve as a formal submission. Such a written grievance shall set forth the facts at issue, the relief sought and the time of the occurrence of any alleged incident or violations precipitating the grievance. The immediate supervisor shall respond in writing within seven (7) working days after receiving the grievance. If the grievance is denied, the reasons for denial shall be given in the supervisor's response. This response shall contain the position to which the next level of employee grievance should be addressed such as an intermediate supervisor or appointing authority.
 - b. Intermediate Supervisor - If the grievance is not resolved by the written decision of the immediate supervisor and if there is an intermediate level of supervision, the grievant and representative may, within ten (10) working days after the date of the immediate supervisor's decision, file a written appeal to the intermediate

supervisor designated in the decision being appealed. Such intermediate supervisor shall respond in writing within fifteen (15) working days. This response shall contain the position to which the next level of employee grievance should be addressed.

Appointing Authority - If the grievance is not resolved by the written decision of the immediate/intermediate supervisor, the grievant and representative may submit in writing within ten (10) working days after the date of the immediate/intermediate supervisor's written decision the grievance to the appointing authority. The appointing authority shall conduct such meeting(s) with the employee; informal hearings and investigations as are appropriate in the appointing authority's judgment and deliver to the grievant a written decision within fifteen (15) working days. If the grievance is denied, the reasons for denial shall be included in the response.
- d. Director of Human Resources or Designee - If the grievant and representative wish to appeal the appointing authority's decision, the grievant may do so in writing to the Director of Human Resources or designee within ten (10) working days after the date of the appointing authority's decision. The Director of Human Resources or designee shall conduct such meeting(s), informal hearings and/or investigations as are appropriate in their judgment and deliver to the grievant a written decision within twenty (20) working days. If the grievance is denied, the reasons for the denial shall be included in the response.

3. Final Resolution - Should the grievant and representative be unsatisfied with the decision of the Director of Human Resources or designee, the grievant and representative may within ten (10) working days notify the Director of Human Resources or designee that the grievant is appealing the Director of Human Resource's or designee's decision to arbitration, for final resolution of the grievance, subject to ratification by the Board of Supervisors if the decision required an unbudgeted expenditure.
Grievances that involve an interpretation of a personnel resolution, personnel rule or MOU shall be appealed through the arbitration method as it is described in this paragraph.

If Arbitration is chosen, the grievant and representative and the County's management representative shall attempt to mutually agree on an acceptable arbitrator. If no agreement can be reached on an arbitrator within five (5) working days, a list of seven (7) names from the California State Conciliation and Mediation Service shall be obtained. The parties shall alternately strike names until only one (1) name remains, which name shall be the arbitrator in the dispute. The party to strike the first name shall be chosen by lot. The arbitrator shall have no power to add to, subtract

from, alter, modify, or go beyond the applicable provisions of the MOU or Resolution.

4. Basic Rules:

- b. Time Limits - If the grievant and representative fail to carry the grievance forward to the next level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the most recent step utilized. If a supervisor or manager fails to respond with an answer within the given time period, the grievant may appeal the grievance to the next higher level. Time limits may be waived by mutual written consent of the parties.
- c. Representation - The grievant may be represented by a person of choice at any formal level of this procedure. The grievant may take reasonable County time without loss of pay to prepare the grievance and meet with management representatives regarding the grievance. Other employees assisting or representing the grievant shall do so on their own time.

ARTICLE 14. PEACEFUL PERFORMANCE CLAUSE

The parties to this MOU recognize and acknowledge that the services performed by the County employees covered by this MOU are essential to the public health, safety, and general welfare of the residents of the County. Union agrees that under no circumstances will the Union recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the Unit take part in any strike, sit-down, stay-in, sick-out, slowdown or picketing (hereinafter collectively referred to as work stoppage) in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. Nor will this organization recognize the strike or job action of any non AFL-CIO organization or engage in any sympathy strike by recognizing the strike, job action, or picket lines of any other non-AFL-CIO organization. In the event of any such work stoppage by any member of the Unit, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased.

In the event of any work stoppage, during the term of this MOU, whether by the Union or by any member of the Unit, the Union by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. In the event of any work stoppage the Union promptly and in good faith performs the obligations of this paragraph, and providing the Union had not otherwise authorized, permitted or encouraged such work stoppage, the

Union shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, against any such employee.

ARTICLE 15. FULL UNDERSTANDING, MODIFICATION, and WAIVER

This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, relating to any such matters are hereby superseded or terminated in their entirety.

It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein during the term of this MOU.

No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by the County Board of Supervisors and the Union membership.

The waiver of any breach, term, or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 16. SEVERABILITY

If any provisions of this MOU are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 17. ECONOMIC HARDSHIP REOPENER

At any time upon thirty (30) calendar days written notice to the Union, the County may reopen this agreement for renegotiation if a financial shortfall in the County budget has occurred that caused the Board of Supervisors to actually reopen negotiations with other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the El Dorado County Charter. Any notice provided subject to this Section must include evidence demonstrating the basis for the claim of financial hardship.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.

El Dorado County Probation Officers Association (herein referenced to as "Association") and representatives of the County of El Dorado (herein referenced to as "County") have met and conferred in good faith regarding wages, hours and other terms and conditions of employment of employees in the Probation (PR) Bargaining Unit (Unit), have exchanged freely information, opinions and proposals and have reached mutual agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Memorandum of Understanding (MOU) is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500-*et seq.*), and has been jointly prepared by the parties.

This MOU shall become of full force and effect for the period commencing January 1, 2023 through December 31, 2025. Nothing contained herein is intended to be applied retroactively unless expressly indicated below within this MOU.

The County's Personnel Rules shall remain in force and effect other than where superseded by specific provisions of this MOU. Nothing contained herein shall be applied on a retroactive basis unless specifically stated.

The Association shall provide in writing to the County and be responsible for keeping current the name, address and telephone number of the designated representative and

a list of persons authorized to act on its behalf or receive service in its name.

Section 2. Recognition

- A. County recognition - The Director of Human Resources or designee is the representative of the County in matters related to employer employee relations.
- B. The Association is the exclusively recognized employee organization for the PR Unit.

Section 3. Labor Management Committee

The County and the Association agree that the Labor Management Committee (LMC) is an ongoing problem solving forum designed to aid in communication between the parties and administer this Agreement.

1. The LMC shall meet on the odd months (January, March, May, July, September, and November) unless the parties mutually agree to have more frequent meetings. Meetings can be postponed by mutual agreement due to business necessity.
2. The parties will mutually prepare an agenda a week in advance. The meeting will be cancelled if there is no agenda.
3. The LMC shall consist of an employee-member representative and a management representative from Placerville, Shingle Springs, South Lake Tahoe, the business agent for the Association, and Probation Officer or designee.
4. The County shall allow the employee-member representative to attend LMC meetings on County time, including travel, but shall not pay for overtime used beyond an employee-member representative's regularly scheduled shift.

ARTICLE 3. COUNTY RIGHTS

County retains, solely and exclusively, all the rights, powers, and authority exercised or held prior to the execution of this MOU, except as expressly limited by a specific provision of this MOU. Without limiting the generality of the foregoing, the rights, powers, and authority retained solely and exclusively by the County and not abridged herein, include, but are not limited to, the following; to manage and direct its business and personnel; to manage, control, and determine the mission of its departments,

building facilities, and operations; to create, change, combine, or abolish jobs, departments, and facilities in whole or in part; to direct the work force; to increase or decrease the work force, and determine the number of employees needed; to hire, transfer, promote, and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation, and reasonable work load; to specify or assign work requirements and require overtime; to schedule working hours and shifts; to adopt rules of conduct; to determine the type and scope of work to be performed by County employees, and the services to be provided; to classify positions, to establish initial salaries of new classifications; to determine the methods, processes, means, and places of providing services, and to take whatever action necessary to prepare for and operate in an emergency.

Nothing in this article is intended to alter the post-agreement rights of the respective parties as established by law to meet and confer on changes which would affect the wages, hours, and other terms and conditions of employment, except, however that the scope of representation shall not include consideration of the merits, necessity, or organization of any service or activity provided by law or executive order.

ARTICLE 4. ASSOCIATION RIGHTS

Section 1. Payroll Deductions

- A. The Association may have the regular dues, insurance plans and credit union deductions of its members deducted from employees' paychecks under procedures prescribed by the County Auditor/Controller. Nothing herein shall prohibit the County from placing reasonable limits as to the number of payees or deductions per employee for the purpose of efficient administration of the payroll system.
- B. The County will provide to the Association a list of new employees hired into regular positions represented by the Association on a biweekly basis.
- C. The County shall not be liable to the Association, employees, or any other party by reason of the requirements of this Article for the remittance or payment of any sum other than the constituted actual deductions made from an employee's wages earned. The Association shall hold and keep the County harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that may arise out of or by reason of action taken by the employer under this Article.

Section 2. Communications with Employees

The Association shall be allowed by a County department, in which it represents employees, use of available bulletin board space and electronic media for communications having to do with official organization business. All material posted shall 1) not be obscene, 2) shall not malign the County or its representatives and shall not constitute harassment, discrimination or retaliation based on a legally protected status. The Director of Human Resources or designee reserves the right to remove any material posted in violation of this section if the Association refuses to remove the material on its own.

The designated representative of the Association shall give notice to the appointing authority or designee when contacting departmental employees during the duty period of employees, provided that solicitation for membership or other internal employee organization business shall be conducted only during the non-duty hours of all employees concerned. Non-duty hours are defined as before or after work, lunch periods and rest break periods.

Section 3. Use of County Buildings

County buildings and other facilities shall be made available for use of the Association or its representatives during non-duty hours in accordance with such administrative procedures as may be established by the Chief Administrative Officer (CAO) or appointing authorities concerned.

Section 4. Duplicating Equipment

The County agrees to allow the Association to use County duplicating equipment and facilities subject only to the following conditions:

- A. The Association purchases any required access keys.
- B. The Association reimburses the County promptly upon demand for the actual costs of the use of the equipment and material.
- C. The Association's use of such equipment and facilities does not interfere with the use by County employees for County business.

Section 5. Release Time

County employees who are official representatives of the Association shall be given reasonable time off with pay to attend formal meet and confer sessions, grievance or discipline meetings with management representatives. The Association shall notify the Director of Human Resources or designee of the names and departments of employees who are official representatives of the Association. Such representatives shall notify

their supervisors in writing on the first business day after a meeting has been scheduled of the dates of excused absences. This advance notice may be waived by the Director of Human Resources or designee in unusual circumstances. Except by agreement with the Director of Human Resources or designee, the number of employees released for meet and confer sessions shall not exceed four (4) in number.

Section 6. Advance Notice

Except in cases of emergency as provided below in this subsection, the Association, if affected, shall be given reasonable advance notice of any ordinance, resolution, rule or regulation directly relating to matters within the scope of representation proposed to be adopted by the County and shall be given the opportunity to meet with appropriate management representatives. In case of emergency, the County shall notify the Association on the first business day after the emergency of its actions.

ARTICLE 5. WAGES AND OTHER RELATED ISSUES

Effective the first full pay period following Board of Supervisors adoption of the January 1, 2023 to December 31, 2025 MOU, the County will increase base wages for benchmark classifications and internally tied non-benchmark classifications to approximately the median (+/- 1%) of the County's May 2022 comparable agency compensation survey.

Effective the first full pay period in July 2023, the County will increase base wages for all classifications in this bargaining unit by 2.0%.

Effective the first full pay period in July 2024, the County will increase base wages for all classifications in this bargaining unit by 2.0%.

Section 1. Salary Status Upon Reemployment

A full-time or part-time employee who resigns in good standing and is reappointed in the same or closely related class within the same classification series within two (2) years of resignation shall be eligible, with the approval of the appointing authority, to be reappointed at any step up to and including the salary step received prior to resignation. If the appointing authority wishes to rehire the employee at a step which exceeds the step paid at the time of resignation, approval shall be required consistent with the Early Salary Range Step Advancement Personnel Rule. For purposes of vacation accrual, such an employee shall receive credit for the amount of prior service in effect at the time of resignation and shall be restored to the place on the vacation accrual table in effect at the time of resignation.

Section 2. Salary Step Increases

A. After initial appointment into an allocated classification and completion of thirteen (13) biweekly pay periods of satisfactory service at Step 1 of the salary range, and

upon recommendation of the appointing authority, the employee shall be advanced to Step 2. If an employee is appointed above Step 1, the employee's first step increase shall occur after completion of twenty-six (26) biweekly pay periods.

- B. After completion of twenty-six (26) biweekly pay periods of service at each of the salary steps of Step 2 and above, if the employee has completed probation, the employee shall be automatically advanced to the next higher step in the salary range. However, the employee will not automatically advance to the next step of the applicable wage range if the employee's appointing authority or designee submits the required paperwork denying the step increase at least one full pay period prior to the employee's salary review date.
- C. All increases shall be effective on the first day of the biweekly pay period following completion of the required period of service, excluding an increase from Step 1 to Step 2 pursuant to Section 2(A), which shall be effective on the first day of the biweekly pay period following the recommendation of the appointing authority.

Section 3. Classification Consolidation

- A. The County shall recommend to the Board of Supervisors that it 1) adopt the consolidated classification series DPO I/II/III, Supervisor A (collectively, "DPO-A"); and 2) retitle and amend the existing DPO (field) classification series to DPO I, II, SR, Supervisor B (collectively, "DPO-B"), effective the first full pay period following the Board of Supervisors adoption of the January 1, 2023 to December 31, 2025 MOU.
- B. Base wages for DPO-A classifications shall be set and maintained equal to commensurate level retitled DPO-B classifications.
- C. Should a DPO-B classification be vacated for any reason, including but not limited to voluntary resignation, retirement, promotion, transfer, etcetera, the vacated position shall be deleted, and replaced, upon Board approval, with a commensurate DPO-A allocation.

No individual may be newly hired, rehired, or otherwise moved into (via promotion, demotion, transfer, etcetera), a DPO-B classification. Once all allocated positions in a DPO-B classification are vacated and deleted, the DPO-B classification shall be abolished; once DPO-B is abolished, DPO-A classifications shall be retitled to DPO (without the "A" identifier) as the sole DPO classification series.

- D. As used in the context of the classification consolidation for establishment of base wages and probationary period, "commensurate level" means levels I, II, and supervisor are treated as the same level for each respective class; a Sr. DPO (field or institutions) shall be considered the same level classification as DPO III A and/or Sr. DPO B.

E. For the sole and exclusive purposes of determining reduction in force retention points and shift selection seniority, DPO-B classes shall be treated as one class with their DPO-A counterparts, regardless of flexible-staffing. Therefore, DPO Supervisor B shall be treated as the same class as DPO Supervisor A, and DPO I, II, SR B, shall be treated as the same class as DPO I/II/III A for calculation of seniority/retention points.

Notwithstanding, should a reduction in force occur resulting in the layoff or displacement of a DPO-A incumbent, the lowest seniority commensurate level DPO-B incumbent may be re-assigned to work in an institution in order to ensure required staffing levels and institution operational needs are met, at the sole discretion of the appointing authority. The appointing authority may instead assign a lower level, lowest seniority DPO-B to work in an institution, when, in the appointing authority's discretion, such assignment would sufficiently meet required staffing levels and institution operational needs. Such assignment of a DPO-B to replace a laid off or otherwise displaced DPO-A to work at an institution shall not be subject to grievance or appeal.

ARTICLE 6. DAYS & HOURS OF WORK, PREMIUMS & BONUSES

Section 1. Work Schedule

A. The appointing authority shall fix the hours of work with due regard for the convenience of the public, and the laws of the State and the County and as the appointing authority determines best serves the County.

B. The County agrees to assign employees to a regular work schedule. The County may change that schedule at its discretion. The County agrees to give employees a minimum of a five (5) working day advance notice of work schedule changes.

C. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work. Such rest periods shall be scheduled in accordance with the requirements of the individual department but shall generally occur near the middle of each four (4) hour shift. Rest periods are not accumulative and if not taken during the four (4) hour shift, are lost. Rest periods if not taken are lost and may not be accumulated to extend lunch periods (duty-free meal period) or to shorten the work day. Neither shall any additional pay accrue to an employee who misses or loses a rest period.

D. With the approval of the employee's supervisor, employees with a duty-free meal period may elect to take either a thirty (30) minute or one (1) hour meal period.

E. In no case may an employee's work schedule be changed during the work week when the purpose of such change is to avoid overtime compensation unless agreed to by the employee.

- F. In accordance with the County Personnel Rules, employees shall work eight (8) hours per day, five (5) days per week unless a fourteen (14) day work period or an alternative work schedule is assigned in accordance with the procedures set forth herein. (See G and H below.)
- G. The Director of Human Resources, at his/her discretion and upon recommendation of an appointing authority, may approve on a trial basis, during the term of this MOU alternative work schedules. Alternative work schedules proposed by the Association shall be submitted to the appointing authority and the Director of Human Resources. Department initiated alternative work schedules shall be submitted to the Association. Upon request by the Association, management shall discuss any proposed alternative work schedules before reaching a decision on implementation. Decisions on implementation and the reasons therefore shall be communicated to the Association.
- H. The classification of Probation Officer is exempt from the normal seven (7) day work period of the Fair Labor Standards Act (FLSA) pursuant to 29 U.S.C. Section 7(k) of the FLSA. At the discretion of the Chief Probation Officer or designee, based on available staffing employees may be assigned to a work schedule consisting of eighty (80) hours in a fourteen (14) day work period. Employees not assigned to such a work schedule shall be assigned to a standard seven (7) day, forty (40) hour work period.
- I. For employees in a fourteen (14) day work period, overtime shall be defined as any authorized time worked beyond eighty (80) hours per biweekly pay period. The definition of "time worked" shall be as defined in the Agreement.
- J. Employees whose regular day off falls on an official observed County holiday shall be compensated eight (8) straight-time hours for each full holiday falling on the scheduled day off. The holiday benefit created by this section shall not be counted as hours worked in the fourteen (14) day period mentioned above for the purposes of overtime.
- K. Employees on a fourteen (14) day work period or an alternative work schedule who are regularly scheduled to work more than eight (8) hours on the official County holiday and take the holiday off, shall supplement the eight (8) hours of holiday pay for the holiday with accrued floating holiday leave, vacation, or compensatory time off (CTO) in order to earn a total of eighty (80) hours of pay in the work period.
- L. The Chief Probation Officer or designee reserves the right to discontinue the fourteen (14) day work period or alternative work schedule upon thirty (30) calendar days' notice. Cancellation of the fourteen (14) day work period or alternative work schedule shall not be considered punitive, and is not subject to any administrative review or appeal, except for what is required under the MMBA (Meyers-Milias Brown Act).

Section 2. Overtime

- A. Authorization: The appointing authority or designee may require and shall authorize the performance of any overtime work in advance of being worked. If prior authorization is not feasible because of emergency conditions, a confirming authorization must be made on the next regular working day.
- B. Definition: Overtime shall be defined in accordance with the FLSA, except as specified in this MOU for purposes of contract overtime.
- C. Compensation: Overtime required by the FLSA shall be compensated at one and one half (1 ½) times the employee's regular rate of pay, or at the employee's request and with the department's approval, CTO accrued may be taken at the rate of one and one half (1 ½) hours off for each FLSA overtime hour worked. Overtime not required by the FLSA, also known as contract overtime, shall be compensated at one and one-half (1 ½) times the employee's base hourly rate of pay, and shall not be eligible for CTO in lieu.
- D. Accumulation and Use of CTO: The maximum accumulation of CTO shall be one hundred and sixty (160) hours.
 - 1. Use of accumulated CTO shall be a time mutually agreeable to the appointing authority and the employee.
 - 2. Employees may cash out CTO at any time subject to the approval of the appointing authority.
 - 3. Upon termination, any employee with accumulated CTO shall have it paid off.
- E. Other Provisions
 - 1. In no case may an employee's work schedule be changed during the work week when the purpose of such change is to avoid overtime compensation, unless agreed to by the employee.
 - 2. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. CTO taken may be used as part of the established work week to earn fringe benefits and to serve out probationary and merit step increases.
 - 3. Employees assigned to positions requiring continuous coverage on a twenty-four (24) hour per day, seven (7) days per week basis who are held over at the conclusion of their shift for more than thirty (30) minutes without twenty-four (24) hours advance notice will be paid time and one half from the time

they are required/ordered to remain at work regardless of the number of hours actually worked during the work week.

4. Overtime shall be paid in accordance with these rules and the provision of the Fair Labor Standards Act.

Section 3. On Call Duty Compensation

- A. When warranted and in the interest of the County's operations, appointing authorities or designee may assign employees to "on-call" status.
- B. "On-call Duty" is an assigned duty outside the normal work week assignment during which an employee must remain where the employee can be contacted by telephone and employee is ready for immediate call-back to employee's department to perform an essential service.
- C. An employee assigned on-call duty shall be compensated at the rate of one dollar and sixty cents (\$1.60) per hour for each hour of such duty.
- D. An employee shall not be placed on the list to be contacted for on-call duty if the employee is on an approved leave.

Section 4. Call-Back Compensation

- A. When an employee returns to work because of a department request made after the employee has completed his/her normal work shift and left the work station, the employee shall be credited with two (2) hours plus any hours of work in excess of two (2) hours in which the employee is continuously engaged in work for which he/she was called back.
- B. An employee in on-call duty shall be entitled to the aforementioned two-hour minimum only once during a single on-call period or twice during a weekend on-call period.
- C. There shall be no duplication or pyramiding of rates paid under this section. No employee shall be compensated for on-call duty and call-back duty simultaneously. Hours worked on call-back duty shall be deducted from the prescribed on-call duty to determine the appropriate on-call pay.
- D. "Call-back" time shall be paid as premium compensation at time and one-half of the employee's base hourly rate of pay.
- E. The two (2) hour minimum shall apply only when an employee is required to physically return to work (e.g. leave home or another off duty location) in order to perform required duties. An employee who performs work after regular work hours, but who is not required to leave home, shall be compensated at the premium rate

for actual time worked.

F. Call-back provisions, including the two (2) hour minimum, shall not apply if an employee is called to work within one (1) hour of their normal starting time. If an employee is called to work within the one (1) hour prior to their normal starting time, they shall be compensated under normal FLSA overtime provisions.

Section 5. Tahoe Employment Differential

In recognition of limited choices of health care plans, providers, and associated costs in the Tahoe Basin, eligible employees shall receive a total of one hundred and one dollars and fifty-three cents (\$101.53) paid twenty-four (24) pay periods per year (the first two pay days of each month); part-time employees shall receive a total of fifty dollars and seventy-six cents (\$50.76) paid twenty-four (24) pay periods per year (the first two pay days of each month).

Eligible employees are those employees who meet one of the following criteria:

1. The employee resides in the Tahoe Basin;
2. The employee resides outside of the coverage area for the County's HMO medical care plan (historically having an eastern boundary of Placerville) and the employee's primary work location is in the Tahoe Basin.

Employees not meeting one of these criteria shall not be eligible for this differential. For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address on record with County Payroll. This differential shall only apply when an eligible employee is in paid status for a majority of their assigned hours in a pay period.

Section 6. Geographic Differential

Employees who reside in the Tahoe Basin (defined as the Tahoe Regional Planning Agency jurisdiction boundary around Lake Tahoe) shall receive two hundred dollars (\$200.00), paid twenty-four (24) pay periods per year (the first two pay days of each month); employees regularly scheduled to work twenty (20) hours or fewer per week (0.5 FTE or less) shall receive half this amount. For purposes of determining eligibility, an employee's residence shall be as documented by the physical home address on record with County Payroll.

Section 7. Longevity Pay

Longevity pay shall be granted for continuous service in an allocated position with the County except as otherwise provided in this MOU or the Personnel Rules, as follows:

After 10 years	5.0% of base hourly rate
After 15 years	7.5% of base hourly rate *
After 20 years	10.0% of base hourly rate *

* Represents total amount of longevity granted; amounts shown are not cumulative.

Base hourly rate is as listed in the Salary Resolution for the employee's classification and step.

Employees hired prior to April 3, 2018, who had not achieved the first longevity tier (5.0% at 10 years of service) will receive that longevity tier once they reach 10 years of service as provided in this section, above. However, these employees will not be eligible for any further longevity pay at 15 and/or 20 years of service.

Employees hired prior to April 3, 2018, who are already receiving longevity pay (5.0% at 10 years, 7.5% at 15 years or 10.0% at 20 years) will continue to receive their current longevity pay but will not be eligible for any further longevity pay at 15 and/or 20 years of service. Longevity pay for current employees in this group will therefore be frozen at the 5.0%, 7.5% or 10.0% currently received by the employee.

Employees represented by this bargaining unit who are hired on or after April 3, 2018, will not be eligible for longevity pay.

Longevity pay for eligible employees shall be effective on the first day of the biweekly pay period following completion of the required period of service.

This differential shall only apply when an eligible employee is in paid status for a majority of their allocated hours in a pay period. Employees on leave without pay are not eligible for this differential.

Section 8. Acting Pay Assignment

When an employee in a permanent position is assigned to work in a higher classification for which the compensation is greater than that to which the employee is regularly assigned, and the employee works in such assignment for more than fifteen (15) work days, the employee shall receive compensation for such work retroactive to the first (1st) day of the assignment at the rate of pay established for the higher classification pursuant to the County Personnel Rules, under the following conditions:

- A. The employee is assigned to a program, service or activity established by the Board of Supervisors which is reflected in an authorized position which has been classified and assigned to the Salary Schedule and listed in the County Personnel Rules and such authorized position has become vacant due to the temporary or permanent absence of the position's incumbent. A copy of the appointing authority's written approval of this assignment must be submitted to the Director of Human Resources or designee at the start of the assignment.

The nature of the departmental assignment is such that the employee in the lower classification becomes fully responsible for the duties of the position of the higher classification.

- B. Notwithstanding Section 8.A above, in an exceptional circumstance when a vacancy does not exist but an employee has been assigned to perform duties which exceed the scope of that employee's classification, and when determined and justified by the CAO, in their sole discretion, the employee will be entitled to pay for a higher classification in accordance with the other provisions of this Section.
- C. Employees selected for the assignment will normally be expected to meet the minimum qualifications for the higher classification.
- D. Pay for work in a higher classification shall not be utilized as a substitute for regular promotional procedures provided in this agreement.
- E. Higher pay assignments shall not exceed six (6) months except through re-authorization.
- F. If approval is granted for pay for work in a higher classification and the assignment is terminated and later reapproved for the same employee within thirty (30) days, no additional waiting period will be required.
- G. Allowable overtime pay, shift differentials and/or work location differentials will be paid on the basis of the rate of pay for the higher class.
- H. Employees who are given an acting pay assignment in a classification in another bargaining unit will continue to have all pay and benefits determined by this Agreement.

Section 9. Shift Differential

Any employee who is assigned to shift work, as defined by the department, and actually works a defined shift shall receive a shift differential for each hour over their regular rate of pay for all hours actually worked within the defined shift.

1. Swing shift shall receive one dollar (\$1.00) for each hour over their regular rate of pay for all hours actually worked within the defined swing shift.
2. Graveyard shift shall receive an additional one dollar and twenty-five cents (\$1.25) per hour over their regular rate of pay for all hours actually worked within the defined graveyard shift.

Eligible employees will receive the applicable shift differential for all hours worked in the defined shift. Employees required to work beyond their regularly assigned shift will receive the shift differential, if any, for that defined shift.

Employees may select to work Swing Shift and Graveyard Shift opportunities on the basis of their seniority within their job classification in their particular work unit unless the County determines that certain employees should be assigned to the Swing Shift and/or Graveyard Shift for job related reasons. The County will determine the term of any Swing Shift and/or Graveyard Shift assignments and may periodically call for a new round of shift selection by employees.

Section 10. Bilingual Differential

When an appointing authority designates in writing that an employee must utilize bilingual skill as a required component of the employee's job duties and necessary in the delivery of County services, an employee will be paid a bilingual differential of one dollar (\$1.00) per hour for all hours in pay status, not to exceed eighty dollars (\$80.00) per pay period.

The bilingual differential shall be paid for bilingual proficiency in any language determined by the appointing authority in writing as necessary to provide primary services to the public.

In order to be eligible for bilingual pay the Unit member must:

- A. Be certified by the County as possessing the requisite skill in the foreign language required in the assignment; and
- B. Be authorized and required as a regular part of the assignment of duties to converse and/or write in a language other than English. In order to be eligible to receive such differential, an employee must demonstrate language proficiency acceptable to the appointing authority, as certified in writing to the Director of Human Resources or designee. The Human Resources Department shall use a verbal and/or written testing process, depending upon the level of bilingual skill required of the employee, to validate the employee's skills. Written authorizations to receive a bilingual differential shall be reviewed and renewed annually by the appointing authority.

This differential shall only apply when an eligible employee is in paid status for a majority of their allocated hours in a pay period. Employees on leave without pay are not eligible for this differential.

ARTICLE 7. ALLOWANCES FOR WORK RELATED EXPENDITURES

Section 1. Mileage Reimbursement

During the term of this MOU, the rate of reimbursement for employees' use of private vehicles on County business shall be the federal rate as determined by the Internal Revenue Service.

The department may provide work clothes/uniforms as needed for special purposes and/or safety reasons.

ARTICLE 8. EMPLOYEE BENEFITS & RETIREMENT

Section 1. Health/Dental

- A. A mutual goal of the County and the Association is to limit and manage the impacts of health plan costs on both County employees and the County's budget.
 1. For the term of this MOU, the parties agree to a standardized cost sharing for the health insurance premium contribution rates, with the County paying 80% of the premium for full-time employees and the employee paying 20% of the premium.
 2. Health care coverage is on a calendar year basis (January 1 – December 31). Rates for the ensuing calendar year shall be effective upon approval by the Board of Supervisors, but no earlier than the pay period containing December 1. Rates will be unblended.
 3. Effective the pay period containing December 1, the contributions shall be per the health plan published rates.
 4. For purposes of this Article, a full-time employee is defined as an employee in an allocated position whose regular work schedule on an ongoing basis is eighty (80) hours of work in each pay period; a part-time employee is defined as an employee who is in an allocated position and whose regular work schedule on an ongoing basis is less than eighty (80) hours of work in a pay period.
 5. In order to be eligible for County contribution, other than required by law, a full-time employee must be in a paid status, i.e., where the employee is receiving

pay from work hours, CTO, vacation or sick leave. An employee who is receiving Workers' Compensation or temporary disability shall be eligible for continuation of the County's contribution until such time as eligibility for Workers' Compensation or temporary disability ceases.

6. An employee who ceases to be eligible for County contributions must pay directly to the Department of Human Resources the full amount of employee and County contribution in order to retain benefit coverage under the County-sponsored health/dental benefit plan.
7. The County will not contribute toward the cost of any plan other than those specifically sponsored by the County.

B. County health plan benefits are described in the Specific Health Plan Document. While mention may be made in this MOU of various benefits and provisions of benefit programs, specific details of benefits provided under the County Health/Dental Plan, Life, Workers' Compensation and Long-Term Disability Programs shall be governed solely by the various plan documents or insurance contracts and/or policies maintained by the County.

C. Part-Time Employees

Any part-time employee and dependents who, on September 6, 1991, were provided with the same benefit contribution as full-time employees, will continue to receive full-time benefit contribution unless and until a successor Agreement is negotiated between the parties, if required. A part-time employee, hired on or after September 7, 1991, whose regular work schedule is more than thirty-two (32) hours per pay period shall be eligible to participate in the health/dental insurance programs on a pro rata basis according to the following schedule.

1. The County shall pay the full County contribution to the health/dental costs as specified in Article 8. Section 1.A.1. for a part-time employee whose regular work schedule as documented on the payroll personnel form is between sixty-four (64) to seventy-nine (79) hours per pay period on an ongoing basis; the Employee Contribution will be automatically deducted from the biweekly pay check.
2. The County shall pay 75% of the County contribution to the health/dental costs for a part-time employee whose regular work schedule as documented on the payroll personnel form is forty (40) to less than sixty-four (64) hours per pay period on an ongoing basis; the remaining 25% of the County Contribution plus the Employee Contribution will be automatically deducted from the biweekly pay check.
3. The County shall pay 50% of the County contribution to the health/dental costs for a part-time employee whose regular work schedule as documented on the

payroll personnel form is thirty-two (32) to less than forty (40) hours per pay period on an ongoing basis; the remaining 50% of the County Contribution plus the Employee Contribution will be automatically deducted from the biweekly pay check.

4. Part-time employees whose regular work schedule is less than thirty-two (32) hours per pay period shall not be eligible for participation in the County health/dental insurance program.

A part-time employee may work additional or fewer hours than the employee's "ongoing" work schedule without changing the pro rata contribution. The pro rata contribution level may only be changed by amending the Payroll Personnel Form which documents the change to the ongoing work schedule.

Any part-time employee and dependents who, on or before September 6, 1991, were provided with the same benefit contribution as full-time employees, will continue to receive full-time benefit contribution throughout the term of this MOU.

D. Enrollment

1. Employees may enroll themselves and their eligible dependents in accordance with the provision of the County sponsored health/dental Plan. Employees may opt not to be covered by the County sponsored health/dental plan as allowed/required by law. In such case, neither the County nor the employee shall be required to make the contributions specified in Article 8, Section 1.A or 1.C as allowed/required by law.
2. Open Enrollment Periods will occur once every calendar year in October. During an Open Enrollment Period, eligible employees may enroll themselves and eligible dependents in the County sponsored health plan of their choice.

E. Terms & Conditions

1. County sponsored medical plan coverage starts the first day of the month following employment and ends the last day of the month following termination of employment. Retirees, at their own expense, may continue to be enrolled in the County sponsored or may be eligible for contributions pursuant to Article 8, Section 7.D. Health Plan coverage shall be in accordance with the provisions of the Plan. Employees who retire or who separate from County service may, at their own expense, continue to be enrolled in the County sponsored plan in accordance with provisions of the plan or as provided by law.
2. The parties agree that the County Health/Dental Plan is a Defined Benefit Plan, and that the County is required to provide the specified benefits during the term of this MOU regardless of the level of contribution by the County and its

employees.

3. The County will provide a vision care component for employees and their dependents that are enrolled in a County Health/Dental Plan.
4. The County agrees to provide an IRC 125 Plan for employees covered by this MOU who are in a County sponsored health plan for the sole purpose of providing for employee paid health plan contributions to be paid through the IRC 125 account.

F. Continuation of Health/Dental Plan - Military Call-Up

An employee who is a member of the United States Reserve Armed Forces or the National Guard and is called to or volunteers for active military duty in response to a call-up by the President of the United States as provided for by law, shall continue to be eligible for coverage under the applicable health/dental plan, notwithstanding the employee's absence due to the call-up or ineligibility due to such absence. Coverage shall continue for a period up to one (1) year from the date the employee commences an approved military leave of absence, or until the employee returns from active duty, whichever occurs first. Such continuation of coverage is contingent upon being allowed under the respective health care plan of the employee.

The County shall continue the same level of its contributions for the employee absent on military leave and that employee's dependents as would apply to other employees in the same classification and bargaining unit. The employee will be responsible for any contribution toward dependent coverage specified in the MOU. Pursuant to these provisions, the employee absent on military leave shall not be required to use accumulated paid leave in order to be eligible for continuation of coverage and the county's contribution to the health/dental plan.

Prior to being considered eligible for continued coverage under these provisions an employee shall be required to provide documentary evidence, satisfactory to the County, of the employee's active duty status and shall also be required to notify the County in writing within ten (10) days of the employee's return to inactive duty status. Upon the employee's discharge from active duty status, the standard provisions of Article 8 of this MOU shall apply with full force and effect.

G. Patient Protection and Affordable Care Act

The parties acknowledge that the Federal Patient Protection and Affordable Care Act ("PPACA"), its current and future related regulations and California law developed in response to the PPACA may create new requirements for the County during the term of this Agreement. The County will comply with these new statutory and regulatory requirements to the best of its ability. The parties acknowledge that compliance with these requirements is mandatory and therefore not subject to

meet and confer.

Section 2. Life Insurance

The County shall provide a \$40,000 Group Life Insurance Plan for each employee who is regularly scheduled to work at least sixty (60) hours per pay period. Accidental Death and Dismemberment coverage is included in this Plan.

The County has the non-appealable right to increase the group term life insurance plan and AD&D coverage amounts for classifications covered by this MOU.

Section 3. Long Term Disability

The County shall provide a Long Term Disability (LTD) Insurance Plan with a maximum LTD benefit to \$3,000/month for eligible employees.

Section 4. State Disability Insurance

Section 5. Injury or Illness Leave Time

The County and Association agree to the following in regard to "leave time" associated with employee injury and illness:

- A. When an employee is off work due to an illness or injury, the County will work with the Association to offer a plan that allows for crediting of service time to the extent possible under the law and CalPERS rules. The parties understand that employee use of their accrued time, i.e., sick leave, vacation, etc., counts as service credits for CalPERS purposes.
- B. Family Medical Leave Act (FMLA) and California Family Medical Rights Act (CFRA) leave shall begin to count towards an employee's twelve (12) week entitlement from the first day of the FMLA/CFRA qualifying event, with notice to the employee. All terms and conditions of the FMLA/CFRA shall apply.
- C. Employees off work due to a medical leave of absence shall be required to use accumulated sick leave, which may include being integrated with SDI, LTD, Worker's Compensation, etc., if necessary, before going on any other County paid or unpaid leave. Employees may elect to "bank" up to eighty (80) hours of their sick leave for use upon their return to work.
- D. Employees will be allowed to use accumulated vacation, CTO, etc., during a medical leave. For employees who are off work and who are both eligible for

and designated a benefits-protected leave under State or Federal law such as FMLA/CFRA, the County will continue its health insurance contribution, as defined in Article 8, Section 1, on the employee's behalf (employees will be responsible for their portion), for the duration of the designation or up to the time of the employee's separation from County service, whichever occurs first.

An employee who is receiving less than their scheduled hours as stated above and who ceases to be eligible for County contributions must pay directly to the Department of Human Resources the full amount of the employee and County contribution, as prorated below, in order to retain benefit coverage under the County sponsored health/dental/vision benefit plans.

Hours in Paid Status	Employer Portion Paid by Employee
64-80	No charge to the employee
40->64	25% of Employer Contribution
32->40	50% of Employer Contribution
Less than 32	100% of Employer Contribution

- E. The County will conduct periodic assessments of the status of an employee on medical leave. Assessments will be conducted at thirty (30) days of leave (or ninety (90) days of limited duty) and at least every ninety (90) days thereafter. The employee will be provided with the opportunity to provide input into the assessment.
- F. At any point the medical condition of an employee appears to be permanent, long term, of uncertain duration or likely to preclude the employee's ability to return to work, the County will move to separate the employee and, if appropriate, make application to CalPERS for a disability retirement on behalf of the employee who is eligible for a CalPERS disability retirement. If an employee is not eligible for CalPERS retirement, then the County will move to refer the employee to LTD. Notwithstanding Article 9, Section 3.F., payment for unused sick leave, employees medically separated under disability retirement shall be paid all of their unused accrued sick leave. If an employee is denied disability under CalPERS or LTD, the employee will return to work.
- G. The County and Association agree to encourage employees on medical leaves to return to work as soon as possible in a "light duty or "modified duty" capacity if possible.

Section 6. Employee Assistance Program

The County agrees to maintain the Employee Assistance Program for employees in the bargaining unit.

The County must provide the employee written notice that the employee's probationary period will be extended at least seven calendar days before the employee's probationary period expires.

1. Employees in the Association's bargaining unit shall have an initial new-hire probationary period of twenty-six (26) biweekly pay periods.
2. Employees promoted into classifications in the Association's bargaining unit shall have a probationary period of twenty-six (26) biweekly pay periods.
3. Leaves of absences, paid or unpaid, leaves granted under the Family Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave, Americans with Disabilities Act, Workers' Compensation Laws, or other legally mandated leaves, and light duty, transitional duty or modified duty assignments that are not considered significantly within the job functions of the job classification or job assignment shall not count towards completion of the probationary period, as provided by law. Individual probationary periods shall be extended commensurately by each hour under these circumstances.
4. Time worked by an employee in a temporary, provisional, extra-help, or other employment shall not count toward completion of any probationary period.
5. An employee who is not rejected prior to completion of the prescribed probationary period, unless extended per the provision herein shall acquire permanent status automatically.

B. Status of Employee

1. Probationary Period Required

A probationary period is required in the following circumstances: upon initial appointment to a position in a class in the classified service; upon promotion to a position in a class in the classified service; upon voluntary demotion or transfer to a position in a different class series in which the employee has not previously achieved civil service status unless a appointing authority and employee agree to waive or reduce the probationary period; upon displacement to a classification in a different class series where the employee has not completed probation at the lower level; upon displacement resulting from layoff or release from probation after promotion where total time in the higher and lower level classes is less than the required probationary period at the lower level; upon transfer to a position in the same classification in a different department when the employee has not attained permanent status in the class, except that the total time in the probationary period in the class shall not exceed one year; upon reclassification to a class at the same or higher salary range unless waived by the appointing authority; in any other circumstance not specifically excluded in B.2.

2. Probationary Period Not Required

A probationary period shall not be required upon involuntary demotion; upon displacement resulting from layoff, or release from probation after promotion where time in higher and lower level classes satisfies the required probationary period at the lower level; upon reclassification from a DPO field or institution classification to a commensurate level DPO-A classification where the total time worked by the employee in both the commensurate level DPO and DPO-A classifications satisfies the required probationary period; upon voluntary demotion to a position in a class in the same class series when the employee has completed the required probationary period in a higher level class; upon promotion to the higher classification(s) in established flexibly-staffed positions in the personnel allocation list, provided the employee has completed the probationary period in the lower classification. If the employee has not completed the probationary period in the lower classification, or commensurate DPO-A level classification, the probationary period will continue until the employee has worked the required number of pay periods in the position, upon transfer to a position in the same (or commensurate-level DPO-A) class in the same department; upon transfer of the employee to a position in the same class in a different department when the employee has previously achieved permanent status in the class except where the appointing authority and employee concur on a probationary period not to exceed thirteen (13) pay periods; upon restoration resulting from a layoff to their former position or lower position in their class series where the employee had completed a probationary period; upon reclassification to a classification in which the incumbent is Y-rated.

C. Laid-Off Employees

An employee with permanent status who is laid off and subsequently reinstated to their former position or lower position in their class series shall not serve a new

probationary period. Laid off employees hired into other County position from which they were not specifically laid off shall serve a new probationary period. Former probationary employees who were laid off and subsequently reemployed shall serve a complete new probationary period upon rehire.

D. Rejection during Initial Probation

The appointing authority may terminate (reject) a probationary employee at any time during the probationary period without the right of appeal in any manner and without recourse to either the Grievance or Appeal Procedure; except when the employee alleges and substantiates in writing that the termination was due to political or religious or Association activities, race, color, national origin, sex, age, handicap or sexual orientation, or otherwise provided by law. Appeals on this basis shall be processed through the County's Discrimination Complaint Procedure. The appointing authority shall notify the employee in writing that he/she is rejected during probation. No reasons for the action are necessary.

E. Rejection during Secondary Probation

Should an employee who has been promoted fail to satisfactorily complete his/her probationary period, such employee may elect to return to a position in the classification in the department from which the employee was promoted. If the employee held permanent status in such former classification, the employee shall not be required to serve a new probationary period. The employee's step and anniversary date shall be restored to their pre-promotion status.

Notwithstanding any other provisions, an employee rejected during the probationary period from a position in the County service to which the employee had been promoted, shall be restored to a position in the classification in the department from which the employee was promoted.

F. At the beginning of all probationary periods, the employee will receive a written statement of expectations signed by the supervisor and the employee. The supervisor shall retain the copy signed by the employee and provide a copy to the employee.

Not less than monthly the supervisor shall meet with the employee to review the employee's progress toward meeting the supervisor's expectations. The supervisor shall provide the employee with a written summary of the meeting.

The employee will acknowledge receipt of the summary of his/her progress by signing a copy of the summary. The supervisor will retain the copy signed by the employee.

The employee shall be considered to have met expectations in any month in which the supervisor does not meet with the employee and provide the employee with a

written summary of his/her progress.

All written summaries, containing the employee's acknowledgment of receipt, shall be submitted to Human Resources with the appropriate forms for successful completion of probation or of the employee's failure to complete the probationary period.

Section 2. Documentation of Performance Evaluation

Non-probationary employees who have not yet reached the top step of their salary range shall be evaluated approximately thirty (30) days prior to the date that their next merit increase is due. Non-probationary employees who are at the top step of their salary range shall be evaluated annually on or about the anniversary date of their appointment to their current position. Nothing in this Section is intended to preclude the County from evaluating employees on a more frequent basis.

Good performance is to be acknowledged by use of letters of commendation and/or recognition which are submitted to Human Resources for inclusion in employees' personnel files. Letters of commendation and/or recognition from outside the department are to be forwarded to Human Resources with a copy to the department for inclusion in the employee's personnel file. Neither the contents of an employees' performance evaluation nor failure to provide letters of commendation and/or recognition are grievable or appealable. However, an employee may submit a written response to a performance evaluation which shall be attached to and permanently filed with the performance evaluation.

Performance or issues which need improvement are to be documented by memorandum, e.g., letters of warning or counseling, reprimands, etc.

The Association agrees to adopt the current electronic Employee Performance Evaluation forms and process for documenting performance as noted in the MOU.

Section 3. Drug Free Work Place

The County and the Association agree that they are committed to providing and maintaining a drug free work place in accordance with the Drug Free Work Place Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of drugs and/or alcohol is prohibited in the work place and that violation of this provision would subject the employee to disciplinary action. An employee may possess a prescription medication lawfully obtained via a prescription from a licensed medical doctor. The County has a zero tolerance standard for employees being under the influence of or in possession of alcohol and/or drugs while at work. Reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as

the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of this MOU.

Section 4. Closure of County Buildings Policy

The CAO or designee shall determine when County facilities shall be temporarily closed in an emergency as determined by the CAO.

- A. Any and all twenty-four (24) hour, seven (7) days a week facilities and/or operations are exempt from Article 10, Section 4.
- B. Employees whose buildings have been temporarily closed may be reassigned to work sites in the same geographic area.
- C. Employees scheduled to work, but who are directed not report to work or who are sent home from work due to the closure of their work site due to an emergency, shall receive their regular pay for that scheduled shift. An employee shall not receive regular pay if the employee does not report to work due to circumstances when there has not been a County directive closing the employee's work site.
- D. After the first day of closure of a County building, if the County is unable to reopen a work site, or is unable to obtain an alternative work site in the same geographical area, an employee will be compensated for that day(s) as if it were a holiday.
- E. During a temporary closure of County buildings as determined by the CAO, those employees who are still required to work as part of our essential services, as defined by the CAO, will receive premium compensation at time and one-half the employee's base hourly rate of pay for those hours actually worked during designated closure.
- F. Those employees who are on scheduled vacation, CTO, sick leave, or any other paid leave during a designated closure would not be affected by the closure.
- G. Should the closure of a County facility last longer than five (5) working days the County reserves the right to reassign employees outside their geographical area. In the event of reassignment outside the employee's geographical area, the employee may at the employee's request utilize accumulated vacation, and/or CTO in lieu of reassignment unless the CAO makes a finding that the employee's services are essential to the continued operation of the County.
- H. Geographical area is generally defined as:

1. Tahoe Basin

2. Western Slope

Section 5. Appeals of Disciplinary Actions

An employee in this Unit, having obtained permanent status in the County's Civil Service System, shall have the right to appeal a termination, demotion in class or salary step, or suspension without pay. Such appeal shall be in accordance with the provisions of the County Personnel Rules.

Section 6. Hepatitis B Inoculations

The County shall provide Hepatitis B inoculations to all members of the bargaining unit.

ARTICLE 11. REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article.

Section 1. Policy

The Board of Supervisors may reduce the size of the County's workforce for any lawful reason that it determines is in the best interests of the County. The Board may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this Article, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this Article.

Section 2. Procedure for Permanent Layoffs

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

- A. The Department of Human Resources, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level classification(s) if displacement by demoting in lieu of layoff is anticipated in accordance with this Article based on employee retention points. A list of the classifications in which

positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the Association's current address. It is the appointing authority's responsibility to ensure posting.

- B. Layoffs and displacements are made within the department involved and are not Countywide.
- C. Written notice of layoff shall be served on affected employees in person or by USPS Priority mail sent to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the proof of service.
- D. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human Resources that they will be exercising their displacement rights.

Section 3. Order of Layoffs

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- (1) Extra-help and provisional/limited term,
- (2) Probationary employees serving an initial probation period,
- (3) Regular (civil service status) part-time and full-time employees.

A. Longevity

A full-time employee shall receive one (1) point for each full month of continuous service as a regular County employee in the employee's classification. Time spent in other classifications which the employee occupied within the prior three (3) years and which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff shall be included in the service time in the affected class. This includes probationary time.

Part-time employees shall receive a proportional amount of retention points based upon the number of hours worked. Less than a full month of service shall be prorated.

It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status or disciplinary actions as defined in 2 below. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

B. Performance/Disciplinary Actions

1. An employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points if the administrative disciplinary appeal is completed or waived.
2. An employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with a maximum deduction of twelve (12) points if the administrative disciplinary appeal is completed or waived.

C. **Flexibly-Staffed Classes** - Classes which are budgeted as flexibly-staffed classes (e.g. Office Assistant I/II), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.

D. **Out of Class Assignments** - Out-of-class time will not be credited towards the out-of-class position in which the employee served. Out-of-class time will be considered as continuous service in the employee's regular classification.

E. **Ties** - In cases where two or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including County service prior to the most current period of employment); discipline actions; appointing authority or designee determination. Letters of reprimand will be considered as a tie breaking criteria for up to three (3) years from the date of issuance.

F. **Volunteers for Layoff** - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

Section 4. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

A. Displacing in a Lower Class

An employee affected by layoff may, at the employee's discretion, in lieu of layoff,

displace an employee in a class previously held by the employee or in succeeding lower classes in the class series who has less retention points. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.

B. Restoration

Restoration shall be in inverse order of layoff. Names of employees with regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of Retention Points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had permanent status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources.

1. Three (3) refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.
2. A person notified of an offer of restoration must respond within ten (10) working days from the proof of service date. Offers of reemployment shall be sent by USPS Priority mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to ensure that a current address is provided to Human Resources.

C. Transfer and Demotion

Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate appointing authority(ies) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the appointing authority to complete a new probationary period, which results in his rejection during probation, the employee shall not be required to forfeit their status on any layoff list.

D. Placement in Other Departments

In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to six (6) months to evaluate the employee's

performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.

E. Separation from County Service

Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, the employee may, upon request, receive payment for those benefits normally given to terminated employees.

F. Employment Interviews

Appointing authorities that are referred the names of individuals designated for layoff and who have requested transfers shall ensure that such persons are provided an employment interview.

G. Status on Restoration

An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
2. All Retention Points held upon layoff shall be restored.
3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
4. The employee shall be placed on the step of the salary range that was held at the time of the layoff.

H. Meet and Confer - Prior to the actual layoffs, the County's representatives and the Association shall, at the request of the Association, meet and confer over the practical effects of the proposed layoffs.

Section 5. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention

points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the appointing authority shall fully justify and document in writing no later than two (2) weeks prior to submittal to the Board with the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore, and the date the Board of Supervisors shall consider the department's request.

Section 6. Appeal of Layoff

A. Right of Appeal

1. Regular civil service employees receiving a notice of layoff shall have the right to appeal only whether or not there was compliance with the procedures prescribed in this Article.
2. The right of appeal is limited to the scope and process provided in this section, "Appeal of Layoff".
3. The scope of any appeal shall not include such issues as the need for layoff, the reasons for layoff, or the exercise of other County prerogatives involved in layoff.
4. Probationary, Temporary and extra help appointment have no right of appeal of a notice of layoff. Questions and disputes regarding regular civil service status shall be determined by the Civil Service Commission in accordance with their rules, regulations and procedures.

2. Appeals shall be filed within five (5) working days after the date of service of the notice of layoff as provided in this section, "Appeal of Layoff".
3. The notice of appeal shall state the employee's reasons for the appeal consistent with this Article.

C. Responsibilities of the Director of Human Resources

1. The Director of Human Resources or designee shall within three (3) working days of receipt of an appeal forward a copy of the appeal to the Association.
2. The Director of Human Resources or designee shall within three (3) working

days of receipt of an appeal, determine which employees, if any, will be adversely affected if the appeal is successful. Human Resources will notify all employees potentially adversely affected of the appeal within five (5) working days of receipt of the successful appeal.

D. Layoff Arbitration Panel

A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals having the same effective date for layoff.

1. Appeals shall be heard by a tripartite panel consisting of:
 - a. A representative designated by the Director of Human Resources or designee.
 - b. A representative designated by the Association.
 - c. A neutral member selected in accordance with paragraph D.2.
2. The neutral Layoff Arbitration Panel member shall be chosen by:
 - a. Mutual agreement between the County and Association or their designated representatives within five (5) working days of notification to the Association of an appeal.
 - b. If the County and the Association fail to name a neutral arbitration panel member within five (5) working days of notification to the Association of the appeal, a member of the Civil Service Commission (CSC) shall serve as the neutral third member of the arbitration panel.
 - i). The Department of Human Resources will notify the Chair of the CSC of the inability to agree on a neutral;
 - ii). The Department of Human Resources will notify the Chair of the CSC of the desire that a member of the CSC serve as the neutral member of the Layoff Arbitration Panel in lieu of agreement on a third party.
 - iii). The Chair of the CSC shall name a member of the CSC to serve as the neutral member of the Layoff Arbitration Panel and an alternate.
3. The Layoff Arbitration Panel shall convene and open the hearing within fifteen (15) working days of the initial filing of the appeal. Representatives to the arbitration panel shall be named with primary consideration being given to their availability to meet within the fifteen (15) working day time limit.

- a. If either or both party fails to name a representative who can meet within the time limit the CSC Chair shall name a member(s) of the CSC to serve as a second and if necessary third neutral in lieu of the failure of either or both parties to provide an available representative.
- b. If the Civil Service Commissioner(s) designated, or the alternate, cannot serve within the time limit, the Chair shall designate another Civil Service Commissioner(s) who can serve within the time limit.

E. Hearing Process

1. The employee filing the appeal and all other potentially affected employees will be notified of the date, time and place of the hearing not less than two (2) working days in advance of the hearing.
2. The neutral member shall serve as Chair of the Layoff Arbitration Panel.
3. The hearing shall be conducted in accordance with standard administrative hearing procedures used by the Civil Service Commission.
4. In addition to hearing such evidence and witnesses of the parties including any employees potentially affected by the appeal, the Layoff Arbitration Panel may question witnesses and call such witnesses as they deem appropriate.

The immediate supervisor shall respond informally within seven (7) working days.

Immediate Supervisor - A grievant and representative may formally submit a grievance to the immediate supervisor within seven (7) working days from the date of the immediate supervisor's informal decision or if the informal discussion has not taken place fifteen (15) working days from the date of the incident or occurrence giving rise to the complaint. Time limits may be waived by mutual written consent of the parties.
- C. Representation - The grievant may be represented by a person of the grievant's choice at any formal level of this procedure. The grievant may take reasonable County time without loss of pay to prepare the grievance and meet with management representatives regarding the grievance. ARTICLE 13. PEACEFUL PERFORMANCE CLAUSE

The parties to this MOU recognize and acknowledge that the services performed by the County employees covered by this Agreement are essential to the public health, safety, and general welfare of the residents of the County of El Dorado. The Association agrees that under no circumstances will the Association recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, sick-out, slowdown or picketing (hereinafter collectively referred to as work stoppage) in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. Section 1. Job Sick-Outs – Variance from Personnel Rule 1604

Whenever the CAO or designee determines that an increase in absenteeism due to a job action or sick out is significantly and detrimentally affecting the ability of one or more departments to carry out their functions he/she may declare that this Section shall be in force and the following rules shall apply. These requirements shall stay in effect for all purposes until after the CAO determines that the increased incidence of absenteeism and the threat of such increased incidence of absenteeism have abated.

A. The appointing authorities of the departments specified in the CAO declaration shall require that each employee who is unable to report for duty due to illness or injury that is requesting sick leave shall provide a certificate completed and signed by a licensed physician or other qualified medical professional. This certificate shall show that the physician examined the employee during the period of absence from work, state the date of each examination, describe the physician's diagnosis of the employee's illness or nature and extent of the employee's injury and certify that the physician has recommended that the employee be excused from work for medical reasons, and the specific number of days of the recommended excuse. Such

medical verification shall be provided to the appointing authority within three (3) working days of the employee's return to work.

- B. The employee shall also provide a sworn affidavit justifying their claim of sick leave. Such affidavit shall be provided to the employee by the appointing authority upon their return to work. Each request for sick leave time will be evaluated individually at the time the required documentation is received.
- C. An employee shall not be allowed sick leave credit and shall not be compensated for any period of absence unless it has complied with the requirements of this policy and unless the information provided therein and otherwise required of or provided by the employee is deemed to substantiate the claimed illness or injury. The employee may appeal a denial of sick leave through the County's Grievance Procedure.
- D. It is recognized that the facts which constitute the basis for use of sick leave may vary considerably from employee to employee and that in rare instances, the specific requirements of this rule may not be appropriate or feasible. Accordingly, discretionary variances, (but not waivers from the requirements of these rules) may be considered and allowed by the CAO or designee. Any such variance shall, if feasible, provide for an acceptable alternative means by which the employee involved shall provide assurance of the existence of facts which are adequate as a basis for proper use of sick leave.

ARTICLE 14. FULL UNDERSTANDING, MODIFICATION, WAIVER

This MOU sets forth the full and entire understanding regarding the matters set forth herein, and any other prior or existing understandings or agreements relating to such matters are hereby superseded or terminated as appropriate except as expressly provided in this MOU. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein during the term of this MOU.

The Parties expressly agree that their side letter dated June 25, 2019 concerning the closure of the Placerville Juvenile Detention Facility remains enforceable until July 1, 2023, the agreed upon termination date of that side letter.

No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties, unless made and executed in writing by all the parties hereto, and if required, approved and implemented by the County.

ARTICLE 15. SEVERABILITY

If any provisions of this MOU are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 16. ECONOMIC HARDSHIP REOPENER

At any time after the effective date of this MOU upon 30 calendar days written notice to the Association, the County may reopen this agreement for renegotiation of economic issues if a financial shortfall in the County budget has occurred that caused the Board of Supervisors to actually reopen negotiations with other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the County Charter. Any notice provided subject to this section must include evidence demonstrating the basis for the claim of financial hardship.

At any time after the effective date of this MOU, either party may request to meet and confer over the economic status of the County and the impact on the members of the bargaining unit.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.

ARTICLE 3. ASSOCIATION RIGHTS

Section 1. Representation

This MOU covers the employees in the position classifications of the County that EDCLEMA is certified as representing, and EDCLEMA is the formally recognized employee organization that has the exclusive right to represent said employees during the term of this Memorandum.

Section 2. Communications

Official EDCLEMA representatives shall be permitted access to County property to confer with County employees on matters of employer-employee relations. The designated representative shall give notice to the appointing authority or his/her designee when contacting departmental employees during the duty period of employees, provided that solicitation for membership or other internal employee organization business shall be conducted only during the non-duty hours of all employees concerned. Non-duty hours are defined as before or after work, lunch periods, and rest break periods.

Section 3. Release Time

Official EDCLEMA representatives shall be released from duty during the grievance procedure or when meeting with management. EDCLEMA shall notify the Director of Human Resources or designee of the names of employees who are official representatives of EDCLEMA.

1. Emails shall not be drafted during working hours (not including duty free breaks and lunches);
2. The subject line of the email shall read "Association Information"; and
3. All email usage shall be consistent with departmental policy, the El Dorado County Computer and Network Resource Usage Policies and Standards Guide and the provisions of this MOU.

Section 6. Dues Deductions

The County shall deduct membership dues from EDCLEMA member wages and remit to the proper officers of EDCLEMA in accordance with existing practice to the extent allowed by law.

The County shall not be liable to EDCLEMA, employees, or any other party by reason of the requirements of this Article for the remittance or payment of any sum other than the constituted actual deductions made from an employee's wages earned. EDCLEMA shall hold harmless against any and all claims, demands, suits, orders, judgments, or other forms of liability that may arise out of or by reason of action taken by the employer under this Article, including, but not limited to the collection of EDCLEMA dues, EDCLEMA fees, reasonable cost of County's attorney fees and costs, and the reasonable cost of management preparation time. The County shall not be made a party to any administrative or court proceedings to determine EDCLEMA dues and/or fees.

ARTICLE 4. SALARY RATES AND STEP ADVANCEMENTS

Section 1. Base Salary Ranges and Rates

The County has the non-appealable right to increase compensation for classifications covered by this MOU.

A. Probation Law Enforcement Management

Effective the first full pay period following adoption of the January 1, 2022 – December 31, 2023 MOU by the Board of Supervisors, the County will increase base wages for Unit classifications in the Probation Department by 13.03% to bring base salaries approximately to the median (+/- 1%) of the County's May 2022 comparable agency compensation study of the benchmark classification.

Effective the first full pay period in July, 2023, the County will increase base wages for all Unit classifications in the Probation Department by 2.0%.

B. District Attorney Law Enforcement Management

The wage scale for the Chief Investigator (District Attorney) classification will match the wage scale for the Sheriff's Captain classification.

The wage scale for the Assistant Chief Investigator (District Attorney) classification will match the wage scale for the Sheriff's Lieutenant classification.

C. Sheriff Law Enforcement Management

The salaries for the classifications of Captain and Lieutenant shall be set in accordance with Proposition A - El Dorado County Charter Provision 504, as amended, for each calendar year under the following method:

1. Base hourly rate survey of the comparable class position for Captain and Lieutenant shall be conducted in December of each calendar year to determine the average base hourly rate of the comparable agencies, as defined in Charter Provision 504. The County used Deputy Sheriff II as the benchmark for all 504 adjustments effective January 1, 2018.
2. The results of the base hourly rate surveys will be shared with the Association after the Board of Supervisors' review but prior to the Board of Supervisors' vote on any base hourly rate adjustments.
3. If January 1 falls in the first week of a biweekly payroll period, the salaries for the calendar year just beginning shall be effective the first day of that payroll period.

If January 1 falls in the second week of a biweekly payroll period, the new salaries shall begin at the start of the payroll period which follows the one in which January 1 is contained.

As needed for implementation of Section 1.C.3., base hourly rate increases shall be retroactively paid to the first day of the applicable pay period.

Section 2. Full-Time, Part-time

I. **FULL- TIME EMPLOYEES** - A full-time employee shall receive the full amount of salary based upon the step in the range for the classification to which the employee is assigned by his/her appointment, if the total hours in pay status for the biweekly pay period as shown equals or is greater than eighty (80) hours. A full-time employee who is not in pay status for eighty (80) hours for a particular biweekly pay period as shown in the Payroll Time Report shall be entitled only to the total hours in pay status as shown by the Payroll Time Report.

2. **PART- TIME EMPLOYEES** - A part-time employee shall receive that portion of the salary based upon the step in the range for his/her classification to which the employee is assigned and the number of hours in pay status in the pay period. Part- time employees shall earn vacation with pay and accrue sick leave and holiday pay on a prorated basis based upon the number of hours in pay status in the pay period. In other respects, provisions of this MOU applicable to full-time employees, such as management leave, cafeteria plan and health and dental benefits shall apply to part- time employees on a pro-rated basis unless specifically defined otherwise herein.

Section 3. Salary Step Assignments

1. **INITIAL STEP PLACEMENT** - Except as specified below, the entrance salary for a new employee entering County service shall be the first step of the salary range for the class to which the employee is appointed. In exceptional cases after reasonable effort has been made to obtain employees for a particular class, employment of individuals who possess special qualifications higher than the minimum qualification prescribed for the particular class may be authorized at a higher step upon recommendation of the appointing authority.

2. **ADVANCED STEP HIRING OF NEW EMPLOYEES** - An appointing authority may hire a new employee (does not include promotions or transfers) at up to the third step of the salary range of the employee's classification.

The appointing authority shall only hire at an advanced step if the candidate possesses exceptional skills or qualifications that would be highly beneficial to the County or department, or if due to the difficult nature of the recruitment, few qualified candidates were available and it is necessary to hire at an advanced step in order to obtain a person to fill the vacancy. The appointing authority shall file a written justification for any advance step hiring with the Department of Human Resources.

3. **SALARY UPON REEMPLOYMENT** - A full-time or part-time employee who resigns in good standing and is reappointed in the same or closely related class within the same classification series within two (2) years of resignation, shall be eligible, with the approval of the appointing authority, to be reappointed at any step up to and including the step received prior to resignation. If the appointing authority wishes to rehire the employee at a step which exceeds the step paid at the time of resignation, approval shall be required consistent with the Early Salary Range Step Advancement Policy. For purposes of vacation accrual, such an employee shall receive credit for the amount of prior service in effect at the time of resignation and shall be restored to the place on the vacation accrual table in effect at the time of resignation.

A full-time or part-time employee who resigns in good standing and is reemployed by the County within two (2) years of resignation in a classification in a different class series or a higher class from which the employee resigned shall, for purposes of vacation accrual, receive credit for the amount of prior service in effect at the time of resignation and shall be restored to the place on the vacation accrual table in effect at the time of resignation.

An employee that is reemployed will not be eligible for County contribution to retiree health insurance.

4. **APPOINTMENT OF EXTRA HELP TO AN ALLOCATED POSITION** - An employee who is appointed to a full-time or part-time position in the same class in which the employee was immediately prior Extra Help, without break in service, shall receive the same step of the range the employee received in Extra Help capacity. Time as an Extra Help employee shall not count toward eligibility for salary step increases.

5. **SALARY STEP PLAN** - Eligibility for salary step movement shall be based upon time in classification and based upon merit, at the sole discretion of the appointing authority and with no right to appeal.

A. Salary Step Movement

1. After initial appointment into an allocated classification and completion of thirteen (13) biweekly pay periods of satisfactory service at Step 1 of the salary range, and upon recommendation of the appointing authority, the employee shall be advanced to Step 2. If an employee is appointed above Step 1, the employee's first step increase shall occur after completion of twenty six (26) full pay periods of satisfactory service.
2. Except as provided in Article 9, Section 6, or otherwise in this MOU, after completion of twenty six (26) biweekly pay periods of service at each of the salary steps 2 and above, if the employee has completed probation, the employee shall be automatically advanced to the next higher step in the salary range. However, the employee will not automatically advance to the next step of the applicable wage range if the employee's appointing authority or designee submits the required paperwork denying the step increase at least one full pay period prior to the employee's salary review date.
3. All increases shall be effective on the first day of the biweekly pay period following completion of the required period of service, excluding an increase from Step 1 to Step 2 pursuant to Section 5(A)(1), which shall be effective on the first day of the biweekly pay period following the recommendation of the appointing authority.

B. Early Step Advancement

1. An appointing authority may advance employees from the second step to the third step of the salary range of the employee's classification after the employee has completed at least six (6) months of service in the prior step of the salary range of that classification, if the appointing authority has made the following determinations in writing to the Department of Human Resources:
 - a) That the employee's performance and abilities are outstanding, as documented in an attached performance evaluation;
 - b) That they are functioning as fully qualified and advanced level employees;
 - c) That the amount of the additional salary and benefit cost are available in the department's budget for the balance of the fiscal year (department's calculations to accompany the estimate);
 - d) That should the County's financial condition require reductions in departmental appropriations during the fiscal year, the department agrees to identify

departmental savings that will offset the added cost of the early step advancement.

2. Fourth and Fifth Steps – An appointing authority may recommend to the CAO or his/her designee that an employee be advanced from the third step of the salary range to the fourth step or from the fourth step of the salary range to the fifth step of the salary range after the employee has completed at least six (6) months of service at that step. The appointing authority must submit justification to the CAO that clearly demonstrates that the employee's skills, knowledge, and ability, as evidenced by significant achievement of countywide importance and/or their continuing outstanding performance, is such that it places them clearly above the level of their fellow employees. The request should include the same salary and benefit cost estimation and financial condition disclaimer as provided in subsections above.
3. Procedure - All merit salary step advancements must be initiated by the appointing authority on the form or manner prescribed by the Department of Human Resources and accompanied by an employee evaluation filed with the Director of Human Resources or designee prior to the proposed effective date of the merit salary step advancement. Salary step advancements shall be effective on the first day of the biweekly pay period following completion of the required period of service. The Director of Human Resources or designee shall notify the County Auditor of every approved merit salary step advancement.

C. Anniversary Date - Changes in an employee's salary because of promotion or upward reclassification will set a new anniversary date for that employee. The salary anniversary date for an employee shall not be affected by a transfer or downward reclassification. Changes in salary ranges for a classification will not set a new salary anniversary date for employees.

Section 4. Salary Step on Promotion

1. Salary on Promotion - An employee who is appointed to a position in a class allocated to a salary range for which the top step is higher than the top step of the class that the employee formerly occupied, shall receive the nearest step within the new salary range which shall not be less than five percent (5%) more than his/her former salary step provided, however, that in no case shall the increased salary be more than the top step in the new range. The effective date of a promotion shall be the first day of the first full pay period following the appointment.
2. Advanced Salary Upon Promotion - Upon promotion of an employee from a position for which the County pays the full contribution or a portion of the employee contribution to CalPERS to a position for which the employee pays the employee contribution to CalPERS, such employee shall be placed at a salary step in the higher salary range which is closest to and provides an increase in compensation of no less than 5% above the combined former salary step and employee-paid CalPERS contribution. In no case shall the salary step placement exceed the top step of the new range.

Notwithstanding the above, upon promotion of a full-time or part-time employee to a management or confidential position, the appointing authority may recommend to the CAO that the person being promoted shall receive one additional step beyond which the employee is entitled, but which in no way exceeds the top of the range.

Section 5. Salary on Demotion

1. **Salary upon Voluntary Demotion to Another Position or Class** – An employee who voluntarily demotes to a position of a class having a lower salary range than the class previously occupied by the employee, shall have his/her salary reduced to the salary step within the lower range which is closest to, but not exceeding the salary received before the demotion. The employee's eligibility for salary step advancement shall not change as a result of demotion.
2. **Salary Upon Demotion During Probation** - A full-time or part-time employee who, during the employee's probationary period, is demoted to a class which the employee formerly occupied in good standing during the same period of continuous service, shall have the employee's salary reduced to the salary the employee would have received if the employee had remained in the lower class. The employee's eligibility for salary step advancement shall be determined as if the employee had remained in the lower class throughout the employee's period of service in the higher class.
3. **Salary Upon Involuntary Demotion to a Lower Class** - A full-time or part-time employee, to whom the circumstances described in Section 1. and 2. above do not apply, who is demoted involuntarily to a position of a class which is allocated to a lower salary range than the class from which the employee is demoted, shall have the employee's salary reduced to the salary step in the lower range for the new class which is closest to but not exceeding the salary step received before the demotion, except in cases of involuntary demotion as a result of discipline. In cases of discipline, an employee may be demoted to any step of the salary range in a lower class. The employee's eligibility for salary step advancement shall not change as a result of demotion.
4. **Demotion Within a Salary Range** - an employee may only be demoted to a lower salary step within a salary range as a disciplinary action in accordance with County rules and regulations. The employee's eligibility for salary step advancement shall be based on the effective date of the demotion in accordance with Section 3.5 above.

Section 6. Salary on Transfer

1. A full-time or part-time employee may transfer from one allocated position in one class to another allocated position in the same class, or in another closely related class at the same salary range or a class which has a salary range the top step of which is within five percent (5%) of the top step of the range of the previously occupied class. In such case an employee shall be paid at the salary step in the salary range for the new class which is the closest to, but not exceeding the salary step the employee previously received.

2. For purposes of further annual increase within the salary range, his/her anniversary date shall remain the same as it was before the transfer. The effective date of all transfers shall be the first day of the pay period.

Section 7. Changes in Salary Ranges

Whenever the salary range for a class is revised, each incumbent in a position to which the revised salary range applies shall remain at the step held in the previous range, unless otherwise specifically provided by the Board of Supervisors.

Section 8. Salary Step on Reclassification

The salary of an incumbent in a position which is reclassified shall be determined as follows:

1. Lateral Reclassification - If the position is reclassified to a class that is allocated to the same salary range as is the class of the position before it was reclassified, the salary step and anniversary date of the employee shall not change.
2. Upward Reclassification - If the position is reclassified to a class which is allocated to a higher salary range than the class of the position before it was reclassified, the salary step of the employee shall be governed by Section 4, Salary Step on Promotion.
3. Downward Reclassification - If the position is reclassified to a class which is allocated to a lower salary range than the class of the position before it was reclassified, the employee shall receive the step, if any, in the new range which is the same as but does not exceed the salary he/she was receiving prior to reclassification and his/her anniversary date shall not change. If the salary step of the employee is greater than the maximum step of the new range, the salary step of the employee shall be designated as a "Y" rate and the salary will be frozen until the top step salary of the new classification equals or exceeds the present salary. At that time, the employee will be placed on the top step and will become eligible for cost of living increases granted to incumbents of that classification.

Section 9. Salary Provisions Upon Restoration

An employee who has been laid off or voluntarily demoted as a result of layoff and subsequently restored in their former classification within a two (2) year period from the date of his/her layoff or voluntary demotion, shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
2. All prior service shall be credited for the purpose of determining sick leave and vacation accrual rates, shift selection, longevity pay increases and time in step.
3. The employee shall be placed on the step of the salary range that was held at the time of the layoff.

ARTICLE 5. PAY PERIOD DEFINITION

The date of payment shall be the first Friday following the close of the biweekly pay period, except that when such following Friday falls on a legal holiday, the date shall be the first Thursday (or first Wednesday if Thursday is also a holiday) following the close of the biweekly pay period.

ARTICLE 6. HOLIDAYS

Section 1. Designated Holidays

The County shall designate specific days as County holidays. Paid holidays shall be authorized for only full-time and part-time employees. The following days shall be the official County holidays:

1. January 1 - New Year's Day
2. January (Third Monday) - Martin Luther King Jr.'s Birthday

Section 4. Holiday in Lieu Pay

Employees may each calendar year elect Holiday pay in lieu of having the official County holidays as designated days off. Employees must make their election by December 15 for each calendar year.

Section 5. Limitations

The following provisions as to administration of holidays shall apply to all full-time and part-time employees:

1. A new employee whose first working day is the day after a paid holiday shall not be paid for that holiday.
2. An employee who is terminating his/her employment and whose last day as a paid employee is the day before a holiday, shall not be entitled to holiday pay for that holiday.

ARTICLE 7. VACATION

For purposes of this section, one (1) year shall be equivalent to twenty-six (26) biweekly pay periods of continuous service.

Every full-time and part-time employee shall accrue and accumulate vacation leave with pay as follows:

All vacations shall be taken at such times during the calendar year as may be approved by the appointing authority.

In the event a member is not permitted to take all of the vacation to which he or she is entitled in a calendar year, the member shall be permitted to accumulate the unused portion to the member's credit, provided that the member shall not have a total vacation credit of more than the maximum allowed herein.

All requests for vacation must be approved by the member's appointing authority or designee; the appointing authority is responsible for ensuring that the manager is eligible for the vacation

requested. No person shall be allowed vacation in excess of that actually accrued at the time such vacation is taken. It shall be the responsibility of the appointing authority to require vacation leave is taken in order to avoid forfeiture.

A member may also donate vacation time in the event of the death of an employee. Such donations shall be made on and pursuant to a form prescribed by the County Auditor and shall be in four (4) hour increments. The hours donated will be deducted from the donating employee's accumulated balance and credited to the accumulation vacation account of the employee receiving the donation. If the donation of hours is accepted, the accepting employee shall be responsible for payment of any applicable taxes. County shall withhold any amounts authorized or required by law.

2. Use of paid sick leave shall be limited to those hours that were accrued as of the prior pay period, and sick leave cannot be used in the pay period in which it is earned.

Section 3. Usage

Employees are entitled to use accrued sick leave, with the approval of the appointing authority, to a maximum of the time accrued, for the following conditions:

1. The employee's illness, injury, disability, or exposure to contagious disease which incapacitates him/her from performance of duties.
2. The employee's receipt of required medical, dental, chiropractic or optical care or consultation.

3. The employee's care of a member of the immediate family, as defined by law, i.e., Family Medical Leave Act, California Family Rights Act, who is ill or disabled.

Immediate family means parent, spouse, registered domestic partner, son, daughter, sibling, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents or grandchildren by blood or marriage or person for which the employee has been designated legal guardian.

Section 4. Exception to Use of Sick Leave

1. Disability arising from any sickness or injury purposely self-inflicted or caused by the employee's willful misconduct.
2. Sickness or disability, while on leave of absence with or without pay, other than the employee's regular vacation or regular paid holidays.

Section 5. Integration With Other Benefits

1. Workers' Compensation – An employee of the County who is entitled to receive temporary disability indemnity under the California Labor Code (Workers' Compensation) may elect to take only that portion of the employee's accumulated leave balances as when added to the employee's disability indemnity will total the employee's full pay.
2. State Disability Insurance (SDI) – An employee of the County who is entitled to receive SDI may elect to take only that portion of the employee's accumulated leave balances as when added to his/her SDI will equal one hundred percent (100%) of the total base salary. It is the employee's responsibility to file for State Disability and make all arrangements with the Auditor's Office for leave integration.

Section 6. Administration of Sick Leave

Each appointing authority is charged with the responsibility of administering sick leave within their department consistent with applicable practices and policies adopted by the County. Employees are required to notify their supervisor as soon as possible of their absence due to illness or injury. A department, depending on its internal record keeping, may require an employee upon returning after an absence due to illness or injury, to fill out a sick leave request form or record of sick leave use.

1. Departments may request information in order to aid in the determination of whether the sick leave use is legitimate. An appointing authority may require a physician's statement or acceptable substitute from an employee who applies for sick leave, or make whatever

reasonable investigation into the circumstances that appears warranted before taking action on a sick leave request.

2. Departments may require a prescribed affidavit or medical report form. When an employee is absent for longer than ten (10) consecutive working days, the employee will be required to submit a statement from the employee's physician releasing the employee for normal duty.
3. Sick leave abuse is defined as follows:

If an employee who has taken sick leave is suspected of sick leave abuse, the department may institute an investigation. Based on the results of that investigation, appropriate action will be taken.

The County may request that the employee provide a physician's statement, as authorized by law or acceptable substitute during an absence if the employee receives notice prior to returning and the absence is longer than three days. However, if an employee has a record of excessive sick leave use, or if the employee's leave use is suspect, the County may require a physician's letter or other acceptable substitute before authorizing future sick leave usage. Examples of excessive sick leave usage might include but are not limited to:

- a. Documented abuse, or;
- b. In excess of six (6) individual unapproved uses of sick leave in a twelve (12) month period, or;
- c. More than four (4) uses of sick leave in conjunction with vacation and/or holidays in a twelve (12) month period.

It is important to note that the use of leave identified under paragraphs "b" and or "c" above does not automatically indicate abuse. There may be legitimate reasons why an employee is using leave under these circumstances. The primary goal of identifying leave use thresholds is to initiate communication between the County and the employee to determine why an employee is using so much leave and determine if the leave is being abused.

Protected leave cannot be tracked for performance evaluation.

4. When an employee has been determined to have used sick leave for illegitimate purposes, the County may recover such funds.
5. Each appointing authority shall maintain complete and current records of sick and vacation time accumulated and taken by each employee.

Section 7. Incapacity to Perform Duties

If the appointing authority has reasonable cause to believe that an employee is not capable of properly performing the duties of the position, the appointing authority may require the

employee to absent himself/herself from work until the incapacity is remedied. During such absence the employee may utilize any appropriate accumulated paid leaves.

Section 8. Fitness For Duty Examination

An appointing authority that has reasonable cause to believe that an employee is not capable of properly performing the duties of the position may require an employee to submit to a fitness-for-duty examination.

Section 9. Payment For Unused Sick Leave

In order to receive payment for unused sick leave at the time of lay-off, voluntary separation, or retirement, an employee must have five (5) or more years of County service.

1. Employees shall be entitled to receive a payoff of their unused sick leave up to a maximum of five hundred four (504) hours. Payment shall be made at the employee's last hourly rate of pay.

3. Any unused management leave hours remaining after pay period twenty-six (26) of each year will be lost. Such leave will not be carried over from one year to another.

Section 2. Jury Duty

An employee who shall be summoned for attendance to any court for jury duty during his/her normal working hours shall be deemed to be on duty and there shall be no loss in salary, but any jury fees received by him shall be paid forthwith to the Auditor/Controller to be deposited in the General Fund of the County, together with any mileage allowed if he/she shall use County transportation. Employees released from Jury Duty during their normal duty hours shall report back to their departments. Employees scheduled to work the evening or late night shift and who serve four (4) or more hours on jury duty, will not be required to report for

Private Litigation - An employee who shall be called as a witness in a private or civil matter unconnected with the course of their employment shall not be compensated by the County, excepting upon the approval of the appointing authority, earned vacation or accumulated compensatory time off may be utilized. It is the employee's responsibility to make arrangements for payment from the involved parties in accordance with the California Code of Civil Procedures for witnesses.

Section 4. Leaves of Absence with Pay

The appointing authority, with the approval of the CAO, may place an employee on leave of absence with pay (suspended with pay) as defined in the Personnel Rules.

Section 5. Workers' Compensation Follow-Up Doctor Visits

Employees who return to work and are receiving Workers' Compensation benefits and have follow-up doctor appointments related to their Workers' Compensation injury/illness, may use County paid time for these doctor visits. Eligibility for use of County paid time for these doctor visits is limited up to forty-eight (48) hours.

Section 6. Leave of Absence without Pay

Employees who are granted a leave of absence without pay shall have the option to exhaust any accumulated vacation time or to leave such vacation time in their accumulated account.

Employees requesting a leave of absence due to illness or disability may use any accumulated sick leave prior to the requested beginning date of such leave. Employees on leave of absence without pay due to illness or injury for a period of ten (10) days or more may be required by

their appointing authority to present a statement by the employee's physician releasing the employee for normal duty prior to returning to work.

Authorized leave without pay shall not extend an employee's date of eligibility for longevity pay increases and vacation accrual rates. An employee's eligibility for merit salary step increase shall be extended commensurately for each full pay period an employee is on authorized leave without pay except as provided by law.

The bilingual differential shall be paid for bilingual proficiency in Spanish, Sign Language, or any language determined by the appointing authority in writing as necessary to provide primary services to the public. In order to be eligible to receive such differential, an employee must demonstrate language proficiency acceptable to the appointing authority. The County shall adopt a language proficiency testing process to determine employees' qualifications to serve as bilingual skill providers. The Human Resources Department shall use a verbal and/or written testing process, depending upon the level of bilingual skill required of the employee, to validate the employee's skills. The County shall utilize existing bilingual skilled employees to assess employees' bilingual capabilities when possible. Written authorizations to receive a bilingual differential shall be reviewed and renewed annually by the appointing authority. This differential shall only apply when an eligible employee is in paid status for a majority of their assigned hours in a pay period.

Section 5. Tahoe Employment Differential

In recognition of limited choices of health care plans, providers, and associated costs in the Tahoe Basin, eligible employees shall receive a total of ninety-two dollars and thirty cents (\$92.30) bi-weekly; part-time employees shall receive a bi-weekly total of forty-six dollars and fifteen cents (\$46.15).

Once an initial assignment terminates and the employee is working in the same acting assignment regardless of work area assignment, the fifteen (15) working days will be waived for any additional acting assignment that occurs within a twelve (12) month period or up to eighteen (18) months at the discretion of the appointing authority, and will receive acting pay effective the first day. An employee is eligible for acting pay under the following conditions:

A copy of the appointing authority's written approval of this assignment must be submitted to the Director of Human Resources or designee at the start of the assignment.

B. Health Plan Benefits are described in the Specific Plan Document.

C. Enrollment

1. Employees may enroll themselves and their eligible dependents in accordance with

the provisions of the Plan. Employees may opt not to be covered by a County sponsored medical/dental plan as allowed by law. In such case, neither the County nor the employee shall be required to make the contributions specified in this Article as allowed by law.

2. Open Enrollment periods will occur once every calendar year. During an Open Enrollment Period, eligible employees may enroll themselves and eligible dependents in the County sponsored health plan of their choice.

D. Terms and Conditions

1. County sponsored medical plan coverage starts the first day of the month following date of hire and ends the last day of the month of termination of employment. Health Plan coverage shall be in accordance with the provisions of the Plan. Employees who retire or who separate from County service may, at their own expense, continue to be enrolled in the County sponsored plan in accordance with provisions of the plan or as provided by law.
2. The parties agree that the County Medical/Dental/Vision Plan is a Defined Benefit Plan, and that the County is required to provide the specified benefits during the term of this MOU regardless of the level of contribution by the County and its employees.

E. Patient Protection and Affordable Care Act

The parties acknowledge that the Federal Patient Protection and Affordable Care Act (“PPACA”), its current and future related regulations and California law developed in response to the PPACA may create new requirements for the County and employees during the term of this Agreement.

Section 2. Optional Benefit Plan

The County shall provide each eligible full-time employee a contribution of six thousand two hundred forty dollars (\$6,240) per fiscal year, prorated over twenty-four (24) benefit pay periods, toward the purchase of benefits included within the Optional Benefit Plan. Each prorated contribution shall not be deemed earned until the pay period in which it is paid. Effective the first full pay period of the 2019 health plan year, the OBP will only be available as a cash payment, which is taxable income, that employees may use at their discretion to offset the cost of optional benefits. Optional benefits are specifically defined in the Optional Benefit Plan. Provisions generally include the following:

- B. Supplemental Life Insurance – Eligible employees may elect to purchase additional life insurance subject to the provision of the Optional Benefits Plan and respective life insurance plans.

- C. Dependent Care – Eligible employees may elect to set up an account for reimbursing dependent care expenses subject to the provisions of the Optional Benefit Plan.

 - 2. A part-time employee who is hired on or after January 1, 1990, and whose regular work schedule as documented on the Payroll Personnel form is between 40-63 hours per pay period, will be entitled to receive seventy-five percent (75%) of the Optional Plan benefit for a full-time employee.
 - 3. A part-time employee who is hired on or after January 1, 1990, and whose regular work schedule as documented on the Payroll Personnel form is between 34-39 hours per pay period, will be entitled to receive fifty percent (50%) of the Optional Plan benefit for a full-time employee.
 - 4. A part-time employee who is hired on or after January 1, 1990, and whose regular work schedule is less than 34 hours per pay period shall not be eligible for participation in the Optional Benefit Plan.
 - 5. A part-time employee may work additional or fewer hours than the employee's "ongoing" work schedule without change to the level of entitlement based upon the number of hours initially set forth on the Payroll Personnel Form prorated contribution.

The prorated entitlement level may only be changed by amending the Payroll Personnel Form which documents a change to the ongoing work schedule.

Section 3. Employee Assistance Plan

The County agrees to maintain the Employee Assistance Program for County managers.

Section 4. Retiree Health Insurance

A. 2. An employee who retires may substitute up to fifty percent (50%) of the required County service required above with prior public service time with any county or city in the State of California.
3. County contributions for all bargaining units under this program shall not exceed one and two-tenths percent (1.2%) of total County payroll costs during any given fiscal year pursuant to the provisions of the Retiree Health Benefits Contribution Plan Document. Retiree health contribution rates will be recalculated annually on a calendar year basis effective January 1 of each calendar year.

B. Pursuant to the Letter of Agreement dated September 1, 2015, County contribution toward retiree health was discontinued for bargaining unit members hired on or after May 19, 2009; however, members hired into an allocated position (excluding extra help and provisional) on or after May 19, 2009, may continue to participate, at their own cost, in the County-sponsored retiree health plan options provided they meet the criteria specified in the plan.

C. In the event the County creates or allows participation in a new retiree health insurance plan for any other recognized bargaining unit, the parties agree to meet and confer on participation of Association employees hired on or after May 19, 2009.

Section 5. Life Insurance

The County shall provide a group term life insurance plan in the amount of forty thousand dollars (\$40,000.00) for each manager whose ongoing regular work schedule as designated on the Payroll Personnel Form is at least sixty (60) hours of work per pay period. Accidental Death & Dismemberment coverage is included in this Plan.

The County has the non-appealable right to increase the group term life insurance plan and AD&D coverage amounts for classifications covered by this MOU.

Section 6. State Disability

1. All members entitled to Labor Code Section 4850 and including presumptive illnesses shall be exempt from participation in the California State Disability Insurance Program.
2. All other members shall participate in the California State Disability Insurance Program.

ARTICLE 13. HOURS, OVERTIME & WORK SCHEDULES

Section 1. Work Schedule

The appointing authority shall fix the hours of work with due regard for the convenience of the public and the laws of the State and the County. The appointing authority shall assign employees to a regular work schedule and may change that schedule at the appointing authority's discretion.

The appointing authority shall give reasonable advance notice of any change in work schedule. An alternate work schedule which differs from the standard work schedule of the department may, at the sole discretion of the appointing authority, be approved provided that service to the public is not adversely affected.

Section 2. Time Off for Illness, Injury & Medical Appointments

Time off for illness, injury, and medical appointments or other authorized use of sick leave in excess of four (4) hours will be charged to sick leave, if available.

Section 3. Non-Medical Absences

Whole days off for absences other than sick leave will be charged to vacation or management leave, if available. With the approval of the appointing authority, absences of less than one-half work-day will not be deducted from an employee's weekly salary or accrued leave banks. Employees shall work the necessary hours to perform their duties and responsibilities and shall not be entitled to receive overtime compensation.

ARTICLE 14. PROBATION

Section 1. Duration

Members hired into the Unit shall serve an initial probationary period of twenty-six (26) pay periods. Members promoted into or within the Unit shall serve a probationary period of thirteen (13) pay periods.

1. Probationary periods shall be extended commensurately by each day a member is on authorized leave for more than ten (10) consecutive workdays.
2. A member who is not rejected prior to completion of the prescribed probationary period, unless extended per provision herein shall acquire permanent status automatically.

Nothing herein is intended to prevent the County from extending a probationary period one (1) time for a period not to exceed six (6) months to ensure that an employee has demonstrated all of the necessary skills and traits to successfully pass probation for the job classification.

Section 2. Expectations

At the beginning of all probationary periods, the member will receive a written statement of expectations. The department shall retain a copy signed by the member and the manager will be provided a copy.

Section 3. Extensions

The County may extend the probationary period when a member fails to meet expectations and the County believes the manager can meet the expectations if given more time, provided that the extension is initiated prior to completion of the probationary period.

Section 4. Right of Return

A member shall have the right of return to the position which the employee previously occupied when the member fails to satisfactorily complete the probationary period after being promoted.

ARTICLE 15. LAYOFF & DEMOTION PROCEDURES UPON REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article.

Section 1. Policy

When necessary, and directed by the Board of Supervisors, a reduction in the County's work force may be initiated by (1) lack of work, (2) lack of funds, (3) program or organizational changes resulting in a surplus of employees, or (4) elimination of a specific program or service. Insofar as possible, a reduction in force shall be accomplished by attrition. When it is determined by the Board of Supervisors that attrition will not provide relief for the condition warranting a reduction in the number of County employees, the Board may direct (1) a temporary layoff or up to ten (10) working days of specific employees or classifications without invoking the provisions of this policy, or (2) a specific layoff by category, classification, number of employees and department(s) pursuant to this policy.

Section 2. Procedure for Permanent Layoffs

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

1. The Human Resources Department, with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level if displacement by bumping (demoting in lieu of layoff) is anticipated in accordance with this Article according to retention points. A list of the classifications deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the Association's current address. It is the appointing authority's responsibility to ensure posting.
2. Layoffs are made within the department involved and are not County-wide.
3. Written notice of layoff shall be served on affected employees in person or by certified letter mailed to the last address on file with the Human Resources Department. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the postmarking and logging of the certified letter by the County's mail room or upon personal serving of the notice to the individual.
4. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement (bumping) rights, if any, rehire or re-promotion rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Human Resources Department that they will be exercising their displacement rights.

Section 3. Order of Layoff

1. Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. In cases when two or more employees are tied with the same number of retention points, the appointing authority shall make the determination of which employee shall be retained. Any required reduction in the number of employees shall be in the following order within the same classification:
 - a) Extra-help
 - b) Probationary employees serving an initial probationary period
 - c) Regular permanent full-time and part-time employees.
2. A full time employee shall receive one-half ($\frac{1}{2}$) point for each full month of continuous service as a regular County employee in his/her classification and higher classifications, including probationary time but excluding time as extra-help, or contract employment.

Part-time employees shall receive a proportional amount of longevity points. Less than a full month of service shall be prorated. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.

Section 4. Layoff Privileges

The following are the options open to affected individuals in each layoff instance:

1. Displacing in a Lower Class

An employee affected by layoff may, at his/her discretion, in lieu of layoff, displace an employee in a class previously held by the employee. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.

2. Layoff Eligible List

Reemployment and re-promotion shall be in inverse order of layoff. Names of employees with permanent status who have been laid off will be placed on an appropriate layoff reinstatement list for their classification and department in order of Retention Points for a period of two (2) years.

Re-promotion lists shall be in effect for three (3) years. This list shall be maintained in the Human Resources Department. Three refusals to accept reemployment from a departmental layoff list (or re-promotion list) will remove the eligible individual's name from that list unless the offer of re-employment is in excess of twenty-five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of reemployment must respond within ten (10) working days from the mailing date. Offers of reemployment shall be sent by first class mail to the last address on file in the Human Resources Department. It is the employee's responsibility to ensure that a current address is provided to the Human Resources Department.

3. Transfer and Demotion

Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate appointing authority(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the duties of which, in the judgment of the appointing authority and Director of Human Resources or designee, they are capable of performing. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the appointing authority to complete a new probationary period, which results in his rejection during probation, he/she shall not be required to forfeit his status on any layoff list.

4. Separation from County Service

Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring, or demoting. In the event an employee is laid off for an indefinite period, he/she may, upon request, receive payment for those benefits normally given to terminated employees.

5. Employment Interviews

Appointing authorities that are referred the names of individuals designated for layoff and who have requested transfers shall personally ensure that such persons are provided an employment interview.

6. Status on Reemployment

An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently reemployed in their former classification within a two (2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefits:

- a) All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
- b) All Retention Points held upon layoff shall be restored.
- c) All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
- d) The employee shall be placed on the step of the salary range that was held at the time of the layoff.

7. Meet and Confer

Prior to the actual layoffs, the County's representatives and the Association shall, at the request of the Association, meet and confer over the practical effects of the proposed layoffs.

Section 5. Deviation from Retention Points

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when seniority alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the appointing authority shall fully justify and document the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.

Section 6. Appeal From Layoff

Permanent employees shall have the right to appeal solely on the issue of whether or not there was compliance with the procedures prescribed in this Article.

1. Appeals shall be filed with the Director of Human Resources or designee within five (5) working days from the date of service of the notice of layoff and shall state the employee's reasons for the appeal.
2. The Director of Human Resources or designee shall, within three (3) working days of receipt of the appeal, determine which employees, if any, will be adversely affected if the appeal is successful, notify all employees potentially adversely affected by the appeal and send notice to EDCLEMA.
3. A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals. The panel shall consist of a representative designated by the Director of Human Resources or designee, a representative of EDCLEMA and a neutral panel member chosen by mutual agreement between the County and EDCLEMA.
4. The Layoff Arbitration Panel shall convene the hearing within fifteen (15) working days of the initial appeal. All potentially affected employees will be notified of the date, time and place of the hearing not less than two (2) working days in advance of the hearing.
5. The hearing shall be conducted in accordance with the standard administrative hearing procedures used by the Civil Service Commission.
6. The Layoff Arbitration Panel shall issue their written decision within two (2) working days. The panel decision shall be final and binding.

ARTICLE 16. DISCIPLINARY APPEALS

Section 1. Right of Appeal

An employee in this Unit, having obtained permanent status in the County's Civil Service System, shall have the right to appeal a termination, demotion in class or salary step, or suspension without pay. Such appeal shall be in accordance with the provisions of County Personnel Rules.

Section 2. Government Code Section 3300 et seq:

1. As regards alleged "punitive actions" in the nature of terminations, demotions in class or salary step and suspensions without pay only, the right of appeal of such discipline to the Civil Service Commission as provided for in the foregoing section is agreed to constitute the "administrative appeal" required by Government Code Section 3300 et. seq. for members who are entitled to the protections provided for by the Peace Officer's Procedural Bill of Rights. As regards any other alleged "punitive actions" for which there exists a right of

“administrative appeal” pursuant to Government Code Section 3300 et. seq. the following “administrative appeal” is provided:

Within five (5) working days from the effective date of such punitive action the member must submit in writing a Notice of Appeal to the appointing authority or designee, acting in the capacity of Administrative Appeal Officer, together with any and all documents supporting the employee’s appeal including statements from any witnesses. Failure to submit a Notice of Appeal within the prescribed time period shall constitute an absolute waiver of the right to an “administrative appeal” pursuant to Government Code Section 3300 et. seq.

2. The Administrative Appeal Officer must respond in writing to the Notice of Appeal within twenty (20) working days following submission. No hearing is required to be held and the Administrative Appeal Officer may respond solely on the materials and documents provided by the appealing employee and by the department.
3. The Administrative Appeal Officer shall have the power to amend, modify, rescind or uphold, in whole or any part thereof, the claimed punitive action of the department or authority imposing the discipline.
4. The “administrative appeal” provided for herein need not be completed prior to the implementation of the alleged “punitive action”.

ARTICLE 17. GRIEVANCE PROCEDURE

Section 1. Intent

It is the intent of this procedure to provide for an orderly and equitable procedure for the resolution of misunderstandings and disputes between the County and its employees.

Section 2. Scope of Grievance

- 1. Day - Shall mean day(s) in which the County’s main administration office is open for business.

Section 4. Grievance Procedure Steps

- 1. Informal Discussion - Every effort should be made to settle grievances at the lowest level of supervision possible. If an employee has a complaint relating to a work situation, the employee is encouraged to request a meeting with his/her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively toward settlement. Such discussion shall occur within ten (10) working days of the incident or occurrence giving rise to the complaint. The immediate supervisor shall respond informally within seven (7) working days.
- 2. Formal Grievance Steps - The formal grievance procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.
 - a) Immediate Supervisor - An employee may formally submit a grievance to the immediate supervisor within fifteen (15) working days from the date of the supervisor’s informal decision or if the informal discussion has not taken place ten (10) working days from the date of the incident or occurrence giving rise to the complaint. Grievances that involve an interpretation of a personnel resolution, personnel rule or Memorandum of Understanding shall be appealed through the Arbitration method as it is described in this paragraph. If (a) Civil Service Commission (CSC) is chosen, the CSC shall have thirty (30) days from the secretary's receipt of such appeal and a written answer from County Management to decide the case or set a hearing. Within thirty (30) days after the hearing the CSC shall render its decision in the matter. If (b) Arbitration is chosen, the grievant (and his/her representative) and the County's Management representative shall attempt to mutually agree on an acceptable arbitrator. If no agreement can be reached on an arbitrator within five (5) working days, a list of seven (7) names from the California State Conciliation & Mediation Service shall be obtained. If a supervisor or manager fails to respond with an answer within the given time period, the grievant may appeal his/her grievance to the next higher level. Time limits may be waived by mutual written consent of the parties.
- c) Representation - The grievant may be represented by a person of his/her choice at any formal level of this procedure. The grievant may take reasonable County time without loss of pay to prepare his/her grievance and meet with management representatives regarding the grievance. Other employees assisting or representing the grievant shall do so on their own time.

ARTICLE 18. OUTSIDE EMPLOYMENT

Section 1. Approval

1. No employee may engage in any outside employment without first obtaining written approval of the appointing authority. Failure to obtain prior written approval for outside employment or engaging in outside employment may lead to disciplinary action.
2. In order to obtain approval for outside employment, the employee must complete a memo describing the nature of the employment to the employee's immediate supervisor. The application will then be forwarded through channels to the appointing authority for consideration.

Section 2. Appeal of Denial of Outside Employment

1. If an employee's Outside Employment request is denied or withdrawn by the department, the employee may file a written Notice of Appeal to the appointing authority within ten (10) days of the date of denial.
2. If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in Article 17.

Section 3. Prohibited Outside Employment

The County expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which:

1. Involves the employee's use of departmental time, facilities, equipment or supplies, the use of the agency badge, uniform, prestige or influence for private gain or advantage.
2. Involves the employee's receipt or acceptance of any money or other consideration from anyone other than the County for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as an employee of this County.

3. Involves the performance of an act in other than the employee's capacity as a County employee which may later be subject directly or indirectly to the control inspection, review, audit or enforcement of any other employee of his/her department.
4. Involves time demands that would render performance of the employee's duties for the County less efficient.

Section 4. Outside Security Employment

Consistent with the provisions of Penal Code 70, and because it would further create potential conflict of interest, no member of the Sheriff's Office may engage in any outside employment as a private security guard, private investigator or other similar private security position.

ARTICLE 19. RENEGOTIATIONS

Section 1. Successor Agreement

In the event that either party desires to negotiate a successor Memorandum, the party shall serve upon the other its written request to commence negotiations, provided that negotiations shall begin no later than 90 calendar days prior to the termination date of this Memorandum. An Agent of EDCLEMA may serve notice for the El Dorado County Law Enforcement Management Association. If such notice is not served, the terms and conditions set forth in this MOU may continue for an additional year.

Section 2. Notification of Representatives

The parties shall notify one another of the names of their designated representatives at least thirty (30) days in advance of the first meeting.

Section 3. Negotiations During Work Hours

Up to three (3) EDCLEMA representatives shall have their work hours and/or duty days adjusted so that they will be on active duty during negotiations whenever possible. Participation in negotiations does not release any employee from responsibilities of their full-time employment requiring immediate attention or action (for example, scheduled court appearances or emergency call-back).

ARTICLE 20. FULL UNDERSTANDING MODIFICATION AND WAIVER

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the full right and adequate opportunity to make demands and proposals with respect to any subject or matter within the scope of representation, that the understandings arrived at after the exercise of that right are set forth in this Agreement. The express provisions of this Agreement for its duration, therefore, constitute the complete and total contract between the County and EDCLEMA with respect to wages, hours and other terms and conditions of employment. Any

prior or existing Agreement between the parties whether formal or informal, regarding any such matters are hereby superseded and terminated in its entirety, except with the understanding that any provisions that existed but were inadvertently omitted, will continue to apply for the duration of this MOU. The parties voluntarily waive the right to meet and confer in good faith with respect to any subject or matter referred to or covered in this Agreement, except that the parties, by mutual agreement, may meet and confer and agree to amend any matter in this Agreement, including compensation; provided however, that the County may make changes to the Human Resources rules consistent with rights EDCLEMA has to meet with the County prior to implementation of such changes.

If the County should absorb another entity which results in employees of the other entity being covered by this MOU, the County and EDCLEMA shall expeditiously meet and confer regarding the effect of such action on wages, hours, and other terms and conditions of employment of such new employees.

All pertinent ordinances and resolutions shall be revised to conform to this Agreement. All other ordinances, resolutions, rules and regulations, practices and policies shall continue in force and effect during the term of this Agreement unless modified according to the provisions of this Agreement.

ARTICLE 21. SEVERABILITY

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal and State laws and regulations and the current provisions of the County Charter and Code. If any part or provision of this MOU is in conflict or inconsistent with such applicable provisions of those Federal, State or County enactments or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part or provisions shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum of Understanding shall not be affected. If any part or provision of this MOU is suspended or superseded, the parties agree to reopen negotiations regarding the suspended or superseded part or provision with the understanding that total compensation to employees under this MOU shall not be reduced or increased as a result of this Article.

The parties hereto agree to refrain from initiating any legal action or take individual or collective action that would invalidate Articles of this MOU.

ARTICLE 22. ECONOMIC HARDSHIP REOPENER

At any time after the effective date of this comprehensive MOU, upon thirty (30) calendar days written notice to the Association, the County may reopen this agreement for renegotiation regarding future increases in compensation if a financial shortfall in the County budget has occurred that caused the Board of Supervisors to actually reopen negotiations with other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the El Dorado County Charter. Any notice provided subject to this section must include evidence demonstrating the basis for the claim of financial hardship.

ARTICLE 23. DRUG FREE WORK PLACE

The County and the Association agree that they are committed to providing and maintaining a drug free work place in accord with the Drug Free Work Place Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of drugs and/or alcohol is prohibited in the work place and that violation of this provision would subject the employee to disciplinary action. The County has a zero tolerance standard for employees being under the influence of alcohol and/or drugs while at work. Reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of this Agreement.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.

- B. The employee's receipt of required medical, dental, chiropractic or optical care or consultation.
- C. The employee's care of a member of the immediate family, as defined by law, i.e., Family Medical Leave Act (FMLA), California Family Rights Act (CFRA), who is ill or disabled.

Immediate family means parent, spouse, registered domestic partner, son, daughter, sibling, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents or grandchildren by blood or marriage or person which the employee has been designated the legal guardian.

Section 4. EXCEPTION TO USE OF SICK LEAVE

No County employee shall be entitled to sick leave when absent from duty for any of the following reasons:

- A. Disability arising from any sickness or injury purposely self-inflicted or caused by the employee's willful misconduct.
- B. Sickness or disability, while on leave of absence with or without pay, other than the employee's regular vacation or regular paid holidays.

Section 5. INTEGRATION WITH OTHER BENEFITS

- A. Workers' Compensation – An employee of the County who is entitled to receive temporary disability indemnity under the California Labor Code (Workers' Compensation) may elect to take only that portion of the employee's accumulated leave balances as when added to the employee's disability indemnity will total the employee's full pay.
- B. State Disability Insurance – An employee of the County who is entitled to receive SDI may elect to take only that portion of the employee's accumulated leave balances as when added to the employee's SDI will equal one hundred (100) percent of the total base salary. It is the employee's responsibility to file for SDI and make all arrangements with the Auditor's Office for leave integration.

Section 6. ADMINISTRATION OF SICK LEAVE

Each appointing authority is charged with the responsibility of administering sick leave within their department consistent with applicable practices and policies adopted by the County.

Employees are required to notify their supervisor as soon as possible of their absence due to illness or injury. A department, depending on its internal record keeping, may require an employee upon returning after an absence due to illness or injury, to fill out a sick leave request form or record of sick leave use.

- A. Departments may request information in order to aid in the determination of whether the sick leave use is legitimate. An appointing authority may require a physician's statement or acceptable substitute from an employee who applies for sick leave, or make whatever reasonable investigation into the circumstances that appears warranted before taking action on a sick leave request.
- B. Departments may require a prescribed affidavit or medical report form. When an employee is absent for longer than ten (10) consecutive working days, the employee will be required to submit a statement from the employee's physician releasing the employee for normal duty.
- C. Sick leave abuse is defined as follows:
 - 1. If an employee who has taken sick leave is suspected of sick leave abuse, the Department may institute an investigation. Based on the results of that investigation, appropriate action will be taken.
 - 2. The County may request that the employee provide a physician's statement, as authorized by law or acceptable substitute during an absence if the employee receives notice prior to returning and the absence is longer than three (3) days. However, if an employee has a record of excessive sick leave use, or if the employee's leave is suspect, the County may require a physician's letter or other acceptable substitute before authorizing future leave usage. Examples of excessive sick leave usage might include, but are not limited to:
 - a. Documented abuse, or;
 - b. In excess of six (6) individual unapproved uses of sick leave in a twelve (12) month period, or;
 - c. More than four (4) uses of sick leave in conjunction with vacation and/or holidays in a twelve (12) month period.

Each use of sick leave may last one (1) or more days. Each day of a multi-day sick leave absence does not constitute its own individual use of leave.

It is important to note that use of leave identified under paragraphs "b" and/or "c" above does not automatically indicate abuse. There may be legitimate reasons why an employee is using leave under these circumstances. The primary goal of identifying leave use thresholds is to initiate communication between the County and the employee to determine why an employee is using so much leave and determine if the leave is being abused.

- D. Protected leave cannot be tracked for performance evaluation and/or disciplinary reasons unless an employee is using protected leave in an unlawful manner.
- E. When an employee has been determined to have used sick leave for illegitimate purposes, the County may recover such funds.
- F. Each appointing authority shall maintain complete and current records of sick leave and vacation time accumulated and taken by each employee.

Section 7. INCAPACITY TO PERFORM DUTIES

If the appointing authority has reasonable cause to believe that an employee is not capable of properly performing the duties of the position, the appointing authority may require the employee to absent himself/herself from work until the incapacity is remedied. During such absence the employee may utilize any appropriate accumulated paid leaves.

Section 8. FITNESS FOR DUTY EXAMINATION

An appointing authority that has reasonable cause to believe that an employee is not capable of properly performing the duties of the position may require an employee to submit to a fitness-for-duty examination.

Section 9. PAYMENT FOR UNUSED SICK LEAVE

Employees who are granted a leave of absence without pay shall have the option to exhaust any accumulated vacation time or to leave such vacation time in their accumulated account. Employees requesting a leave of absence due to illness or disability may use any accumulated sick leave prior to the requested beginning date of such leave.

Employees on leave of absence without pay due to illness or injury for a period of ten (10) days or more may be required by their appointing authority to present a statement by the employee's physician releasing the employee for normal duty prior to returning to work.

Authorized leave without pay shall not extend an employee's date of eligibility for longevity pay increases and vacation accrual rates. The prorated entitlement level may only be changed by amending the Payroll Personnel Form which documents a change to the ongoing work schedule.

Section 3. EMPLOYEE ASSISTANCE PROGRAM

Section 4. RETIREE HEALTH INSURANCE

The percentage contributed is as follows:

Level 3	20 years plus	67%
Level 2	15-19 years	50%

- A. Part-time employees shall be treated in accordance with the Retiree Health Benefits Contribution Plan Document.

- B. Pursuant to the Letter of Agreement dated September 1, 2015, County contributions toward retiree health were discontinued for Unit members hired on or after June 30, 2009. However, bargaining unit members hired into an allocated position (excluding extra help and provisional) on or after June 30, 2009, may continue to participate in the County-sponsored retiree health plan options at their own cost provided they meet the criteria specified in the plan.
- C. In the event the County creates or allows participation in a new Retiree Health Insurance Plan for any other recognized bargaining unit, the parties agree to meet and confer on participation of Association employees hired on or after June 30, 2009.

Section 5. LIFE INSURANCE

The County shall provide a group term life insurance plan in the amount of forty thousand dollars (\$40,000.00) for each employee whose ongoing regular work schedule as designated on the EDCMA

Payroll Personnel Form is at least sixty (60) hours of work per pay period. Accidental Death & Dismemberment (AD&D) coverage is included in this Plan.

The County has the non-appealable right to increase the group term life insurance plan and AD&D coverage amounts for classifications covered by this MOU.

Section 6. STATE DISABILITY INSURANCE (SDI)

The County shall allow employees to integrate their sick leave and/or vacation benefits with their SDI coverage to provide up to one hundred percent (100%) of the employee gross base salary. The individual employee shall pay the cost of SDI.

Section 7. PLAN DOCUMENTS OR CONTRACTS CONTROLLING

While mention may be made in this MOU of various benefits and provisions of benefit programs, specific details of benefits provided under the County Health/Dental Plan, Life, Worker's Compensation and Long-Term Disability Programs shall be governed solely by the various plan documents or insurance contracts and/or policies maintained by the County.

ARTICLE 14. HOURS & WORK SCHEDULES

Section 1. WORK SCHEDULES

The appointing authority shall fix the hours of work with due regard for the convenience of the public and the laws of the state and the County. The appointing authority shall assign employees to a regular work schedule and may change that schedule at the appointing authority's discretion.

The appointing authority shall give reasonable advance notice of any change in work schedule. An alternate work schedule that differs from the standard work schedule of the department may, at the sole discretion of the appointing authority, be approved provided that service to the public is not adversely affected.

Section 2. OVERTIME

Employees shall work the necessary hours to perform their duties and responsibilities and shall not be entitled to receive overtime compensation.

ARTICLE 15. PROBATION

Section 1. DURATION

Employees shall serve a one (1) year probationary period from the date of appointment to a specific classification. An employee shall have his/her individual probationary period extended commensurately by each hour an employee is on authorized leave for more than ten (10) consecutive work days. Leaves include, but are not limited to, vacation, sick leave, compensatory time off, and leaves without pay, including leaves granted under the Family Medical Leave Act, California Family Rights Act, Pregnancy Disability Leave, Americans with Disabilities Act, and Workers' Compensation Laws. Employees who request and receive a temporary modified duty assignment due to medical conditions such that they are not performing the essential job functions of their position shall have their probationary period extended for each hour of such modified duty assignment. Nothing herein is intended to prevent the County from EDCMA

extending a probationary period one time for a period not to exceed six (6) months to ensure that an employee has demonstrated all of the necessary skills and traits to successfully pass probation for the job classification.

ARTICLE 16. LAYOFF AND DEMOTION PROCEDURES UPON REDUCTION IN FORCE

The following Reduction in Force policy is hereby included as a part of this MOU. Such inclusion, however, shall not provide avenues of appeal beyond those contained in this Article. This Reduction in Force policy does not apply to employees who are covered by the Reduction in Force procedure defined in the California Administrative Code, Title 2. Division 5. Local Agency Personnel Standards.

Section 1. POLICY

When necessary, and directed by the Board of Supervisors, a reduction in the County's work force may be initiated by (1) lack of work, (2) lack of funds, (3) program or organizational changes resulting in a surplus of employees, or (4) elimination of a specific program or service. Insofar as possible, a reduction in force shall be accomplished by attrition. When it is determined by the Board of Supervisors that attrition will not provide relief for the condition warranting a reduction in the number of County employees, the Board may direct (1) a temporary layoff of up to ten (10) working days of specific employees or classifications without invoking the provisions of this policy, or (2) a specific layoff by classification, number of employees and department(s) pursuant to this policy.

Section 2. PROCEDURE FOR PERMANENT LAYOFFS

Reduction in Force occurs when the Board of Supervisors by Resolution amends the Authorized Personnel Allocation Resolution and/or adopts a Proposed or Final Budget that deletes specific positions by classification from a department.

- A. The Department of Human Resources with the assistance of the affected department, determines the individuals to be laid off for the initial classification in which a layoff is to occur and for succeeding lower level classification(s) if displacement by demoting in lieu of layoff is anticipated in accordance with this article based on employee retention points. A list of the classifications in which positions have been deleted along with the names and total retention points of employees in those classes shall be posted in the affected department and a copy mailed to the Association's current address. It is the appointing authority or designee's responsibility to ensure posting.
- B. Layoffs and displacements are made within the department involved and are not County-wide.
- C. Written notice of layoff shall be served on affected employees in person or by USPS Priority Mail to the last address on file with the Department of Human Resources. Notice will be served or mailed no later than thirty (30) calendar days prior to the effective date of separation. The thirty (30) calendar days shall include the effective date and the date served. Notice shall be deemed served upon the proof of service.
- D. The written layoff notice shall include the effective date of the separation (layoff), the reasons for the layoff, displacement rights, if any, rehire or restoration rights and the appeal rights. Such notice shall also set a specific deadline of not less than five (5) working days for when the affected employee must notify the Department of Human

Resources that they will be exercising their displacement rights.

Section 3. ORDER OF LAYOFFS

Layoffs will be determined based on an inverse order of retention points computed as per provisions listed below by the classification within the individual department. Any required reduction in the number of employees shall be in the following order within the same classification:

- (1) Extra-help and provisional,
- (2) Probationary employees serving an initial probationary period,
- (3) Regular civil service status full-time
- (4) Regular civil service status part-time employees.

- A. Longevity - A full-time employee shall receive one (1) point for each full month of continuous service as a regular County employee in his/her classification. Time spent in other classifications which are at the same or higher rate of pay based upon the current salary plan applicable at the time of the layoff and which the employee occupied shall be included in the service time in the affected class. This includes probationary time. Part-time employees shall receive a proportional amount of longevity points based upon the number of hours worked. Less than a full month of service shall be prorated. It does not include service prior to employment, interruptions caused by resignation, dismissal, or transfer to extra-help status or disciplinary actions as defined in B, below. It does include periods covered by authorized leaves of absences and such service accrued before a previous layoff.
- B. Performance/Disciplinary Action - An employee who receives an involuntary demotion as a disciplinary action will have twelve (12) points deducted from that employee's retention points. An employee who receives a suspension will have one (1) point per day of suspension deducted from the employee's retention points, with maximum deduction of twelve (12) points. This will sunset after three (3) years from the effective date of the action, and the lost retention points will be restored to the employee.
- C. Flexibly-Staffed Classes - Classes which are budgeted as flexibly staffed classes (e.g. Office Assistant II/I), as stated in the Personnel Allocation Resolution, shall be treated as one class for purposes of determining retention points.
- D. Ties - In cases where two (2) or more employees are tied with the same number of retention points, the following factors shall be considered in order for the purpose of breaking the tie: total County service (including County service prior to the most current period of employment); letters of reprimand; appointing authority determination. Letters of reprimand will be considered as a tie breaking criteria for up to three (3) years from the date of issuance.
- E. Volunteers For Layoff - An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has fewer retention points and who would otherwise be laid off. Such employee shall be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

Section 4. LAYOFF PRIVILEGES

The following are the options open to affected individuals in each layoff instance:

- A. Displacing in a Lower Class - An employee affected by layoff may, at the employee's discretion, in lieu of layoff, displace an employee in a class previously held by the employee. Retention point computation for displacement purposes are made as determined for the original layoff. This is considered a voluntary demotion.
- B. Restoration - Restoration shall be in inverse order of layoff. Names of employees with regular civil service status who have been laid off will be placed on an appropriate restoration list for their classification and department in order of Retention Points. The list will extend for a period of two (2) years. Employees shall also have restoration rights to a classification which has been replaced by a reclassification of the classification which the person previously had civil service status, provided that the duties have remained essentially the same. This list shall be maintained in the Department of Human Resources. This includes employees taking voluntary demotions in lieu of layoff who shall be placed on a restoration list for the class from which they were reduced. Three refusals to accept restoration from a departmental layoff list will remove the eligible individual's name from that list unless the offer of restoration is in excess of twenty five (25) miles from the geographical location of the position from which the employee was laid off.

A person notified of an offer of restoration must respond within ten (10) working days from the proof of service date. Offers of reemployment shall be sent by first class mail to the last address on file in the Department of Human Resources. It is the employee's responsibility to insure that a current address is provided to the Department of Human Resources.

- C. Transfer and Demotion - Employees to be laid off may be permitted to transfer or demote at the discretion of the appropriate appointing authority(s) prior to the layoff effective date. Transfer or demotion may be made to any funded vacant position where the employee meets the minimum qualifications. However, transfer will not be permitted to a position in another County department if a departmental layoff list exists for that class. When an employee transfers or demotes in accord with provisions of this Article and is required by the appointing authority or designee to complete a new probationary period, which results in the employee's rejection during probation, the employee shall not be required to forfeit the employee's status on any layoff list.
- D. Placement in Other Departments - In accordance with rules on order of layoff, an employee who shall be laid off shall have a right to be placed in a vacant position in the same class in another department which the department has determined to fill. Referral to vacant positions shall be offered based upon the inverse order of layoff. The new appointing authority shall have up to one hundred twenty (120) days to evaluate the employee's performance. If the appointing authority determines that the employee's performance does not meet job standards, the employee will be returned to the layoff list. The employee will, in accordance with the rules on restoration, be eligible for placement in another vacant position in the same class which a department has determined to fill, according to the provisions above.
- E. Separation from County Service - Employees who are to be laid off have the option of leaving County service rather than displacing in a lower class, transferring or demoting. In the event an employee is laid off for an indefinite period, the employee may, upon request, receive payment for those benefits normally given to terminated employees.

F. Employment Interviews - An appointing authority who is referred the names of individuals designated for layoff and who have requested transfers shall ensure that such persons are provided an employment interview.

G. Status on Restoration - An employee who has been laid off or voluntarily reduced under the provisions of this Article and subsequently restored in their former classification within a two (2) year period from the date of his/her layoff or voluntary reduction shall receive the following considerations and benefits:

1. All sick leave credited to the employee's account when laid off shall be restored, unless the employee received compensation for such sick leave at the time of the layoff.
2. All retention points held upon layoff shall be restored.
3. All prior service shall be credited for the purpose of determining sick leave and vacation earning rates, longevity pay increases, and time in step.
4. The employee shall be placed on the step of the salary range that was held at the time of the layoff.

H. Meet and Confer - Prior to the actual layoffs, the County's representatives and the Association shall, at the request of the Association meet and confer over the practical effects of the proposed layoffs.

Section 5. DEVIATION FROM RETENTION POINTS

The Board of Supervisors may approve deviations from the order of layoff by retention points or demotions in lieu of layoff (bumping) when retention points order alone would result in retaining employees unable to maintain a satisfactory level of performance in the department affected. In such cases, the appointing authority or designee shall fully justify and document the reasons therefore. The affected employees shall be provided a written notice of the department's request, reasons therefore and the date the Board of Supervisors shall consider the department's request.

Section 6. APPEAL OF LAYOFF

A. Right of Appeal

1. Regular Civil Service employees receiving a notice of layoff shall have the right to appeal solely on the issue of whether or not there was compliance with the procedures prescribed in this Article.
2. The right of appeal is limited to the scope and process provided in this paragraph A, "Appeal of Layoff".
3. The scope of any appeal shall not include such issues as the need for layoff, the reasons for layoff, or the exercise of other County prerogatives involved in layoff.
4. Probation, Provisional, Temporary and Extra Help employees have no right of appeal of a notice of layoff. Questions and disputes regarding civil service status shall be determined by the Civil Service Commission in accordance with their

rules, regulations and procedures.

2. The Director of Human Resources or designee shall within three (3) working days of receipt of an appeal, determine which employees, if any, will be adversely affected if the appeal is successful and notify all employees potentially adversely affected of the appeal.

D. Layoff Arbitration Panel

A tripartite Layoff Arbitration Panel shall be appointed to hear all appeals having the same effective date for layoff.

1. Appeals shall be heard by a tripartite panel consisting of:
 - a. A representative designated by the Director of Human Resources or designee.
 - b. A representative designated by the Association.
 - c. A neutral member selected in accordance with Article 16, Section 6.D. 2.
2. The neutral Layoff Arbitration Panel member shall be chosen by:
 - a. Mutual agreement between the County and Association or their designated representatives within five (5) working days of notification to the Association of an appeal.
 - b. If the County and the Association fail to name a neutral arbitration panel member within five (5) working days of notification to the Association of the appeal, a member of the Civil Service Commission (CSC) shall serve as the neutral third member of the arbitration panel.
 - 1) Either party may notify the Chair of the CSC of their inability to agree on a neutral;

Representatives to the arbitration panel shall be named with primary consideration being given to their availability to meet within the fifteen (15) working day time limit.
 - a. If either or both parties fail to name a representative who can meet within the time limit, the CSC Chair shall name a member(s) of the CSC to service as a 2nd, and if necessary, 3rd neutral in lieu of the failure of either or both parties to provide an available representative.
 - b. If the member(s) of the CSC designated, or the alternate, cannot serve within the time limit, the CSC Chair shall designate another CSC member who can serve within the time limit.

E. Hearing Process

1. The employee filing the appeal and all other potentially affected employees will be notified of the date, time and place of the hearing not less than two (2) working days in advance of the hearing.
2. The neutral member shall serve as Chair of the Layoff Arbitration Panel.
3. The hearing shall be conducted in accordance with standard administrative hearing procedures used by the CSC.
4. In addition to hearing such evidence and witnesses as the parties, including any employees potentially affected by the appeal, may call, the Layoff Arbitration Panel may question witnesses and call such witnesses as they deem appropriate.

F. Decision

1. The Layoff Arbitration Panel shall issue their written decision within two (2) working days of closing the hearing.
2. The decision of the Layoff Arbitration Panel shall be final and binding on all parties.

ARTICLE 17. DISCIPLINARY APPEALS

Section 1. RIGHT OF APPEAL

An employee represented by this Unit, having obtained permanent status in the County's Civil Service System, shall have the right to appeal a termination, demotion in class or salary step, or suspension without pay. Such appeal shall be in accordance with the Personnel Rules.

Section 2. MERIT SYSTEM EXCLUSION

LAPS), such provision shall be null and void as regards those employees, and Local Agency Personnel Standards shall supersede and prevail.

The County and Association shall continue to share equally in the cost incurred jointly by both parties for arbitration heard after the expiration of this Memorandum of Understanding.

- B. Time Limits

If a grievant or the Association fails to carry the grievance forward to the next level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the most recent step utilized. Time limits may be waived by mutual written consent of the parties.

C. Representation

The grievant may be accompanied by a shop steward or one other County employee of the grievant's choice at the informal level of this procedure. ARTICLE 20. PEACEFUL PERFORMANCE

The parties to this MOU recognize and acknowledge that the services performed by the County employees covered by this MOU are essential to the public health, safety, and general welfare of the residents of the County of El Dorado. The Association agrees that under no EDCMA

circumstances will the Association recommend, encourage, cause or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, sick-out, slowdown or picketing (hereinafter collectively referred to as work stoppage) in any office or department of the County, nor to curtail any work or restrict any production, or interfere with any operation of the County. Nor will this organization recognize the strike or job action of any organization or engage in any sympathy strike by recognizing the strike, job action or picket lines of any other organization. In the event of any such work stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until said work stoppage has ceased.

In the event of any work stoppage, during the term of this MOU, whether by the Association or by any member of the bargaining unit, the Association by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. In the event of any work stoppage the Association had not otherwise authorized, permitted or encouraged such work stoppage, the Association shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the County shall have the right to seek full legal redress, including damages, as against any such employee.

Section 1. JOB ACTION – SICK OUTS

Variance from Personnel Rule 1604 (Sick Leave)- Whenever the CAO or his/her designee determines that an increase in absenteeism due to a job action or sick out is significantly and detrimentally affecting the ability of one or more departments to carry out their functions, he/she may declare that this Section shall be in force and the following rules shall apply. These requirements shall stay in effect for all purposes until after the CAO determines that the increased incidence of absenteeism and the threat of such increased incidence of absenteeism have abated.

- A. The appointing authority(s) of the department(s) specified in the CAO declaration shall require that each employee who is unable to report for duty due to illness or injury that is requesting sick leave shall provide a certificate completed and signed by a licensed physician or other qualified medical professional. This certificate shall show that the physician examined the employee during the period of absence from work, state the date of each examination, describe the physician's diagnosis of the employee's illness or nature and extent of the employee's injury and certify that the physician has recommended that the employee be excused from work for medical reasons, and the specific number of days of the recommended excuse. Such medical verification shall be provided to the appointing authority within three (3) working days of the employee's return to work.
- B. The employee shall also provide a sworn affidavit justifying their claim of sick leave. Such affidavit shall be provided to the employee by the appointing authority upon their return to work. Each request for sick leave time will be evaluated individually at the time the required documentation is received.
- C. An employee shall not be allowed sick leave credit and shall not be compensated for any period of absence unless he/she has complied with the requirements of this policy and

unless the information provided therein and otherwise required of or provided by the employee is deemed to substantiate the claimed illness or injury. The employee may appeal a denial of sick leave through the County's Grievance Procedure.

D. It is recognized that the facts which constitute the basis for use of sick leave may vary considerably from employee to employee and that in rare instances, the specific requirements of this rule may not be appropriate or feasible. Accordingly, discretionary variances, (but not waivers from the requirements of these rules) may be considered and allowed by the CAO or his/her designee. Any such variance shall, if feasible, provide for an acceptable alternative means by which the employee involved shall provide assurance of the existence of facts which are adequate as a basis for proper use of sick leave.

ARTICLE 21. FULL UNDERSTANDING, MODIFICATION, WAIVER

This MOU sets forth the full and entire understanding regarding the matters set forth herein, and any other prior or existing understandings or agreements relating to such matters are hereby superseded or terminated as appropriate. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein during the term of this MOU. No agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties, unless made and executed in writing by all the parties hereto, and if required, approved and implemented by the County.

ARTICLE 22. SEVERABILITY

If any provisions of this MOU are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 23. ECONOMIC HARDSHIP

At any time after the effective date of this comprehensive MOU, upon thirty (30) calendar days written notice to the Association, the County may reopen this agreement for renegotiation regarding future increases in compensation if a financial shortfall in the County budget has occurred that caused the Board of Supervisors to actually reopen negotiations with other employee groups with negotiated MOUs or adopted Salary and Benefit Resolution, except with respect to any salaries governed by Section 504 of the El Dorado County Charter. Any notice provided subject to this section must include evidence demonstrating the basis for the claim of financial hardship.

ARTICLE 24. DRUG FREE WORK PLACE

The County and the Association agree that they are committed to providing and maintaining a drug free work place in accordance with the Drug Free Work Place Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the work place and that violation of this provision would subject the employee to disciplinary action. An employee may possess a prescription medication lawfully obtained via a prescription from a licensed medical doctor. The County has a zero tolerance standard for employees being under the influence of or in possession of alcohol and/or drugs while at work. Reasonable effort will be made to inform employees about the dangers of drug

abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance. The Parties shall discuss the adoption of a reasonable suspicion drug testing policy during the term of this MOU.

In witness whereof, the parties hereto have caused this Memorandum of Understanding to be executed by affixing their signatures below.
