El Dorado Wine Grape Growers Association

Memorandum

To: Honorable Wendy Thomas, Supervisor District 3
From: Charlie Cosens, President El Dorado Wine Grape Growers Association
RE: LeeAnne Mila

I am writing in support of LeeAnne Mila for the position of Agricultural Commissioner for El Dorado County.

In my term as President of EDWGGA LeeAnne has shown a commitment to our membership. Promptly addressing questions and issues from our membership, and regularly attending EDWGGA membership meetings, providing feedback when called on.

LeeAnne is considered a trusted advisor by our membership, she has helped members work through the effects of the Caldor fire as well as the severe frosts experienced last year.

Her proven commitment to the Ag community along with her institutional knowledge of the agricultural industry within El Dorado County make her a natural choice for the position of Agricultural Commissioner

Respectfully

Charlie Cosens – Lone Pine Vineyards
