Dear Norma:

Attached please find my completed Application for Appointment to County Commissions, Committees or Advisory Boards which will serve as my continued interest in seeking reappointment to the Board of Directors for the Tahoe Resource Conservation District.

I hope you will approve my reappointment and arrange to have an El Dorado County Board of Supervisors Agenda Transmittal submitted for discussion/approval at one of your meetings either in October or early November, as my term will expire on November 28, 2008.

Thank you for your attention to this matter.

Sincerely,
