May 14th, 2010

2010 MAY 14 AM 10:12

Ms. Norma Santiago
Supervisor, District 5
El Dorado Board of Supervisors
330 Fair Lane
Placerville, CA. 95667

LATE DISTRIBUTION

DATE 5/14/10

Reference: GOV10-0005 / Acquisition of real property and animal shelter facility in Barnett Business Park / Your Notice of Public Hearing on May 13th, dated April 21, 2010.

Dear Sirs;

We are writing to voice our very strong objection to the thought of placing an Animal Shelter in Barnett Business Park. If in fact you are referring to the only building currently existing on the south side (the newer portion) of Business Drive and north of the Southern Pacific Railroad right-of-way, this location is obviously very close to numerous residential properties in Milton Ranch / Barnett Estates, directly to the south of the railway. Many of these homes look directly onto the building you describe. An animal control facility, with barking dogs at all hours of the night and day, would deny the residents in the local area the right to the peaceful enjoyment of their own property. Further, residents could realize an even further decline in property values due to a noisy animal shelter being located in the immediate neighborhood.

An animal shelter needs to be well away from any residential properties as the noise of barking dogs travels a long distance, especially at night. Politics aside, there are any number of areas in our county that would be excellent sites for an animal control facility. As it is residents of Milton Ranch / Barnett Estates, to the immediate south of Business Drive and the other residential areas that surround the east and west sides of the business park, already endure more than enough noise during daylight hours.

Please note that we will have no choice but to fight this proposal in order to preserve our right to quietly enjoy our own property in El Dorado County.

Sincerely;

Please see attached petition.

Cc: Ray Nutting, Supervisor, Supervisorial District II, El Dorado County

To the County of El Dorado Planning Commission and El Dorado County Board of Supervisors:

We the undersigned residents of Milton Ranch strongly object to the placing of a County Animal Shelter in Barnett Business Park (GOV10-0005). Our neighborhood, as well as 2 other residential areas and an apartment complex, abut Barnett Business Park. We spoke to neighbors of the Sacramento County Animal Shelter, after which the proposed shelter will be designed, and they confirm that they frequently hear the Animal Shelter dogs throughout the day. We believe the 24 hour per day; 7 days per week noise pollution will significantly degrade our rural lifestyle. We also believe the placement of a County Animal Shelter in our backyard will further reduce the value of our homes.

We respectfully beseech you to find a more rural and/or industrial site for the new County Animal Shelter that does not abut residential areas. While the Barnett Business Park location may be consistent with the General Plan, the site is not appropriate for this specific use, a noisy Animal Shelter.
