Re: Money for Nothing – i.e. Nonexistent Garbage Service  
Account # 11189405, APN 034-371-05-100

Dear Gerri:

This year I have a date conflict out of state that won't permit me to attend the Hearing. Enclosed is my \$320.74 for absolutely nothing. The rules set by South Tahoe Refuse, Inc., largely preclude us from using the premium service mandated (the highest cost for garbage around Lake Tahoe!) unless we limit our visits to their schedule. Our family has stopped utilizing our property, owned for over 50 years, for me STR and the County have simply taken the fun out of it.

Please remove us from your lien list. Additionally, while I again didn't attend the sham appeal hearing, I would like to request a full refund of this year's charges and much of the thousands of dollars we have paid over the past decade for a service we've never used. I hope Jeff and his family enjoy the fruits of our labors that you collect for him.

Sincerely,

Bruce Davis, for The Davis Family Trust

P.S. Remember, Socialism only works until you run out of other people's money! With all the Municipalities in California declaring bankruptcy, this realism is becoming clear.
