List of Revisions

The following list of revisions to the El Dorado County Public Housing Authority (PHA) Administrative Plan reflects minor regulatory changes released by the Department of Housing and Urban Development (HUD) during the past year and local policy changes. These changes are incorporated into the 2013 Annual Administrative Plan Update in order to keep the PHA's local Administrative Plan consistent with Federal level regulations. Since the required changes affect only certain chapters, only those chapters that need to be updated are included for Board approval and subsequent submittal to HUD. All other chapters remain unchanged and are therefore not included for Board review.
