Mr. Slater,

Pursuant to previous conversations with the District, please see the attached bid form for the Coach Lane Sewer Line Rehabilitation project. This bid was awarded to Doug Veerkamp General Engineering Inc. by the District's Board on November 8, 2010. Bid option item 1 for the 2-inch AC overlay for remaining southern portion of street section indicates a quantity of 21,600 square feet at \$1.85 per square foot for a total of \$39,960. The description of work for this bid option is as follows:

*2"- AC Overlay by the Unit Price per Square Foot. Includes all labor, equipment and materials for grinding, removing and cleaning existing AC pavement, installing a layer of petro-mat and a 2" asphalt concrete overlay for the remaining southern portion of the street section for the entire length of the pipeline project, re-striping, and additional traffic control implementation, all per El Dorado County Department of Transportation Standard Specifications.*

The District respectfully requests that the County reimburse the District for the full amount of bid option 1 as described above.

Sincerely

Elizabeth Wells  
Wastewater / Recycled Water Division Manager
