Dear Supervisors Mikulaco, Veerkamp, Ranalli, and Novasel,

We bought our home in Shingle Springs 8 years ago. We moved to this area because of the rural community feel, of the area. Seeing the county supervisors ignoring our rights, as tax paying citizens, and moving forward on votes, without our input, to restructure our community is eye opening. Will the board not allow us to participate in decisions involving our lives? We hope there will be some thought put into this before any votes are taken.

I request that you do not approve the rezoning of thousands of parcels in El Dorado County. The rezone at the intersection of Ponderosa Road and Highway 50 is an example of how the community was left out of the process and not informed about the negative impacts to traffic and quality of life from these rezones. Instead of these rezones, I ask that you use our County resources to protect our existing Community Identity in Shingle Springs as a peaceful country community of homes and ranches on acreage.

Thank you to Supervisor Frentzen for voting No on these rezones and the TGPA.

Sincerely,

Mr.and Mrs. Curtis Tate

Shingle Springs, Ca

Dear Supervisors Mikulaco, Veerkamp, Ranalli, and Novasel,

I request that you do not approve the rezoning of thousands of parcels in El Dorado County. The rezone at the intersection of Ponderosa Road and Highway 50 is an example of how the community was left out of the process and not informed about the negative impacts to traffic and quality of life from these rezones. Instead of these rezones, I ask that you use our County resources to protect our existing Community Identity in Shingle Springs as a peaceful country community of homes and ranches on acreage.

Thank you to Supervisor Frentzen for voting No on these rezones and the TGPA.

I wanted to add that I grew up in the Santa Clara Valley in the 50's and 60's. I was born on a chicken ranch off the El Camino Real in Santa Clara. My parents settled in Campbell when I was 18 months old. Our little subdivision of 1940 style homes were surrounded by beautiful apricot and prune orchards. It was an ideal time and place to grow up.

In the late 50's, the boom began and the orchards were torn out to make way for homes, stores and other type of businesses. My 92 year old Scandinavian Mom still lives in the home that I grew up in. The valley is no longer beautiful, the orchards are gone.

It is not too late for the four of you who voted in favor of these changes to listen to the people and vote no. Don't destroy our quality of life here in El Dorado County. It is time that you listen to the voice of your constituents.

Dear Supervisors Mikulaco, Veerkamp, Ranalli, and Novasel,

We are asking that you do not approve the rezoning of thousands of parcels in El Dorado County. The possible rezone at the intersection of Ponderosa Road and Highway 50 illustrates just how the community was left out of the process and not informed about the negative impacts to traffic and quality of life from these rezones. Instead of rezoning, please use our County resources to protect our existing Community Identity in Shingle Springs as a peaceful country community of homes and ranches on acreage.

Thank you to Supervisor Frentzen for voting No on these rezones and the TGPA.

Sincerely,

Jerry & Michael Ann Sizemore

I request that you do not approve the rezoning of thousands of parcels in El Dorado County. The rezone at the intersection of Ponderosa Road and Highway 50 is an example of how the community was left out of the process and not informed about the negative impacts to traffic and quality of life from these rezones. The traffic can already be overwhelming at this intersection. Instead of these rezones, I ask that you use our County resources to protect our existing Community Identity in Shingle Springs as a peaceful country community of homes and ranches on acreage.

Please consider keeping the high density zoning in areas that already have high density such as El Dorado Hills and Cameron Park. Our little country roads cannot take the additional traffic and this will definitely impact the 'country' lifestyle that most Shingle Springs residents moved here for.

Thank you to Supervisor Frentzen for voting No on these rezones and the TGPA.

Sincerely,

Jackie

Dear Supervisors Mikulaco, Veerkamp, Ranalli, and Novasel,

I request that you do not approve the rezoning of thousands of parcels in El Dorado County. The rezone at the intersection of Ponderosa Road and Highway 50 is an example of how the community was left out of the process and not informed about the negative impacts to traffic and quality of life from these rezones. Instead of these rezones, I ask that you use our County resources to protect our existing Community Identity in Shingle Springs as a peaceful country community of homes and ranches on acreage.

As former residents of San Diego, we moved up to a beautiful country spot where we hoped to spend the rest of our lives out of the city. Now it seems the city is coming to us. Please consider leaving some of the area around Shingle Springs, especially when considering eastward on Motherlode, as an escape from the crowded and busy life we work in every day. We are not against development; we just hope that it is sensible and well planned. Not many of us can afford to buy up 50+ acres to help keep open space.

Thank you to Supervisor Frentzen for voting No on these rezones and the TGPA.

Sincerely,

Kathleen & Jim Switzer
