**1. Taxes:** County is exempt from payment of Federal Excise Tax; Federal tax should not be included in any prices contained herein.

**2. Alterations:** No alteration in any of the terms, conditions, delivery, price, quantities, specifications or services of this contract will be effective without prior written consent of the County.

**3. Failure to Deliver:** Time is of the essence and the contract is subject to cancellation for failure to deliver on time. If Vendor fails to deliver an article or service of the quality or quantity, in the manner or within the time called for by this contract: such article or service may be bought from any source by County. If a greater price than named in this contract is paid for such article or service, the excess cost will be charged to and collected from Vendor or sureties on its bond if bond had been required; or, the County may terminate the contract for default; or, the County may return deliveries already made and receive a refund. For any exception to the delivery date as specified in this contract, the Vendor shall give prior notification and obtain approval thereto from the County. Failure or refusal of Vendor to perform any work or service or do any act required under this contract shall constitute a default.

**4. Force Majeure:** Vendor shall not be liable for any delay or failure to deliver any or all the goods or services if that delay or failure is caused by labor disputes, strikes, war, riots, insurrection, civil commotion, fire, flood, accident, storm or any act of God. The County shall not be liable for failure to take delivery of the goods attributable to any of the causes specified in this paragraph if they render it commercially impractical for the County to receive the goods. When either Vendor or the County claims an excuse for nonperformance under this paragraph, they must give reasonable notice to the other party.

**5. Proposal, Quotation and Attachments:** This contract incorporates by reference on the face of this form, the provisions of any related bid request issued by County, any bid submitted by Vendor, or both. This contract incorporates by reference on the face of this form, the provision of any attachments. Vendor agrees that in the event of conflicting language between this contract and Vendor's printed form, the provisions of this contract shall take precedence. This section shall supersede any language in the Vendor's terms and conditions attempting to nullify County terms and conditions or to resolve language conflicts in favor of the Vendor's terms and conditions.

### **6. Warranty:**

**6.1 Warranty For Goods:** Vendor warrants that any and all goods covered by this contract will be (i) new and suitable for the use intended, unless otherwise specified; (ii) will conform to the drawings, specifications, samples, description and time provisions furnished by the County; (iii) of the grade and quality specified; (iv) free from defect in design, material and workmanship; and (v) in compliance with all applicable federal, state and local laws and regulations. At County's option, Vendor shall repair or replace the goods without charge within five (5) business days from being notified of the nonconformance with the foregoing warranties. If, after notice, the Vendor cannot promptly replace or repair the goods Vendor shall refund the full purchase price paid by County for such goods. Defective goods rejected by the County may, without prejudice to any other legal remedy (including, without limitation, incidental and consequential damages) be held at Vendor's risk and returned to Vendor at Vendor's expense. This warranty shall not be deemed to be waived by the County for any reason, including, without limitation, the County's acceptance of the goods or the County's failure to notify Vendor thereof. Further, the failure of the County to reasonably specify any defects in rejected goods shall not prevent the County from relying on the defect to establish a breach, even though the Vendor could have cured the defect on proper notification.

**6.2 Warranty for Services:** Vendor warrants to County that any and all materials and equipment incidental to services that are furnished under this contract will be new unless otherwise specified and that all services will be of good quality, free from faults and defects and in conformance with the contract. Neither final payment nor inspection of Vendor's services shall constitute an acceptance of services not done in accordance with this contract or relieve Vendor of liability in respect to any express warranties or responsibilities for faulty material or workmanship. Upon request of County, Vendor shall immediately remedy any defects in the services, materials and/or equipment and pay for any damage resulting therefrom. The County shall have the unqualified option to make any needed replacement or repairs itself or to have such replacement or repairs done by the Vendor. In the event the County elects to have said work performed by the Vendor, the Vendor agrees that the repairs shall be made and such materials as are necessary shall be furnished and installed within a reasonable time after the receipt of demand from the County; however, in no event shall such period exceed fifteen (15) calendar days. If the Vendor shall fail or refuse to comply with its obligations under this section, the County shall be entitled to all costs and expenses, including attorney's fees, reasonably incurred by reason of the said failure or refusal.

**7. Termination:** At any time and without cause, the County shall have the right, at its sole discretion, to terminate this contract by giving seven (7) calendar days written notice to Vendor. In the event of such termination, Vendor shall only be entitled to payment for those goods that have been delivered and accepted by the County or services satisfactorily rendered through the date of termination.

For any cash discount specified in this contract, time will be computed from the date of completed delivery of the goods or the completion of the performance of services as specified, or from the date that correct invoices are received, whichever is later. For the purpose of earning the discount, payment shall be deemed to have been made on the date of mailing of the County warrant or check.

No goods shall be deemed accepted until County had reasonable opportunity to inspect said goods or services. If rejected as nonconforming or defective, County reserves the right to return product within thirty (30) days of receipt by the County for credit or refund without a shipping or restocking fee, or to request a replacement by a specified date. Substitutions are not permitted except upon specific written authorization of County. Defective product or product under warranty may not always be returned in the original package.
