

**CREEKSIDE DRIVE ROAD ZONE OF BENEFIT # 27
FUNDING AGREEMENT**

THIS AGREEMENT, entered into by and between the County of El Dorado, a public entity, (hereinafter "DONEE") and Marlon Ginney, property owner within the Creekside Drive Road Zone of Benefit #27 within County Service Area #9 (hereinafter "DONOR").

RECITALS

1. The parties agree that the Creekside Drive Road Zone of Benefit was formed for the purpose of providing road maintenance and improvement services on a Creekside Court and a portion of Creekside Drive;
2. The *Policy and Procedure Guidelines for Creation and Administration of Zones of Benefit within a County Service Area* , amended June 2, 1987 require that the benefit assessment or special tax collected shall be in an amount sufficient to pay for the proposed services including administrative and miscellaneous costs incurred by the County in providing such services;
3. The property owners of the Creekside Drive Road Zone of Benefit set the funding level for the Zone of Benefit at zero in the 1987/1988 tax year and no election has been held to establish a benefit assessment or special tax within the Zone of Benefit since that time;
4. The fund balance carried forward since the 1987/1988 tax year has been depleted and, without sufficient funding to support the ongoing administration of the Zone of Benefit, the parties have been forced to consider dissolution of the Zone of Benefit; and
5. In order to avoid dissolution of the Zone of Benefit, the DONOR desires to donate to the County of El Dorado and the County of El Dorado desires to accept from DONOR the sum of \$1,750.00 (one thousand seven hundred and fifty dollars) for the express purpose of providing funding for actual and anticipated administrative
