Comment-Question	<p>My input and preference to the proposed redistricting of the El Dorado Co. Supervisor's Districts is:</p> <ul style="list-style-type: none"> <li>* Alternative #2 be used, and MODIFIED to include the community of Grizzly Flats within the District 2 boundaries</li> <li>* I suggest using the North-South Road as the dividing line between Districts 2 and 5.</li> <li>* The community of Grizzly Flats has area commonality with proposed Alternative 2 (the existing Supervisorial District 2) and it makes logical sense to include Grizzly Flats in District 2.</li> <li>* Grizzly Flats is legislatively different from the Lake Tahoe area (District 5 in Alternative 2). Grizzly Flats is on the west slope in a detached pocket far off of Highway 50 * There is a strong likelihood Grizzly Flats would receive LITTLE REPRESENTATION from the District 5 Supervisor.</li> </ul> <p>Respectfully, Steve Hupner</p>
