Hello, Supervisors and Clerk of the Board,

I urge your approval to send the comment letter written by the Board's representatives to EDOK on the draft Countywide Homeless Strategic Plan.

It is vital that we keep the process moving forward to provide not only emergency shelter before fire season, but also a long term strategy for addressing homelessness, substance abuse, and mental illness. Your participation in this process by approving the letter will help us achieve our humanitarian goals. I'd like to see us think about El Dorado County as having a Heart of Gold.

Best regards,
