Following the meeting, Consultant shall provide the Contract Administrator with a written

scope of work, a schedule including a list of tasks with completion dates and a target completion date for the overall scope of work, and a not-to-exceed cost to complete the work (resulting in a Task Order), which shall require written approval, authorization, and written notification to proceed from County's Contract Administrator, prior to commencement of the work. No payment will be made for any work performed prior to the approval and full execution of each Task Order, and no payment will be made for amounts in excess of the not-to-exceed amount of any Task Order.

No Task Order will be written which exceeds the cumulative total of the not-to-exceed Contract amount.

- D. **Deliverables:** Deliverables will be specified by County for each individual assignment, and specific task assignments and work requirements will be individually identified on a project by project basis. Failure to submit the required deliverables in the format specified shall be grounds for termination of the Agreement, as provided in Article XVI, Default, Termination, and Cancellation herein or for delay or cessation of payments by County as provided in Section F of Article III, Compensation for Services hereunder.
- E. **Consultant Reporting:** Reports on services rendered by Consultant shall be submitted to County's Contract Administrator in the format, and under the conditions specified below in Article IV, Progress Reports or as otherwise directed in writing by the Contract Administrator.

All of the services included in this Article are the responsibility of Consultant, unless specifically described as a task or item of work to be provided by County. Consultant shall be responsible for the supervision, administration and work performed by any subconsultant for services rendered under this Agreement.

ARTICLE II

ARTICLE III

Compensation for Services:

- A. For services provided herein, including all deliverables described in the individual Task Orders issued pursuant to this Agreement, and including the progress reports required by Article IV, Progress Reports, below, County agrees to pay Consultant within thirty (30) days following County's receipt and approval of itemized invoices detailing the services rendered.
- B. For the purposes hereof, billing rates shall be in accordance with Exhibit A, marked "Fee Schedule," incorporated herein and made by reference a part hereof. Subconsultant services, if any are authorized herein, shall be invoiced at Consultant's cost, without markup, for the services rendered. Any invoices that include subconsultant costs shall be accompanied by backup documentation to substantiate Consultant's cost for the subconsultant services being billed.
- C. Reimbursement for mileage expenses for Consultant and for any subconsultants authorized under this Agreement, if applicable, shall not exceed the rates to be paid to County employees under the current Board of Supervisors Travel Policy at the time the mileage expenses are incurred. Any reimbursements for mileage expenses will only be made if such expenses are included in the budget of an approved and fully executed Task Order issued pursuant to this Agreement.

Travel costs (i.e., overnight lodging, meals, parking, airfare, bridge tolls and other per diem expenses) will not be reimbursed for any services performed under this Agreement by Consultant or by any authorized subconsultants.

- D. The total amount of this Agreement, inclusive of all costs and Task Orders, and inclusive of all work of subconsultants and expenses shall not exceed \$100,000.
- E. Itemized invoices shall follow the format specified by County and shall reference this Agreement number and the County-supplied Task Order number both on their faces and on any enclosures or backup documentation. Consultant shall bill County for only one Task Order per invoice. Consultant shall attach copies of any progress reports required under the provisions of Article IV, Progress Reports, that relate to the services being billed, as backup documentation to any invoices submitted for payment under the terms of this Agreement. Copies of documentation attached to invoices shall reflect Consultant's charges for the specific services billed on those invoices. Invoices shall be mailed to County at the following address:

County of El Dorado

or to such other location as County directs.

- F. In the event that Consultant fails to deliver, in the format specified, the deliverables required under this Agreement, County at its sole discretion may delay payment for the period of time of the delay in receiving the deliverables in proper form, may

cease all payments until such time as the required deliverables are received, or may terminate the Agreement as set forth in Article XVI, Default, Termination, and Cancellation below.

ARTICLE IV

Progress Reports: Upon issuance of a Task Order, Consultant shall submit progress reports to the Contract Administrator at intervals that are commensurate with the requirements of the tasks and the items of work being performed and based upon a mutually agreeable schedule. At a minimum, Consultant shall submit progress reports once per month. The reports shall be sufficiently detailed for the Contract Administrator to determine if Consultant is performing to expectations and is on schedule, to provide communication of interim findings, and to afford occasions for airing difficulties or special circumstances encountered so that remedies can be developed. County's review of these reports will ensure that Consultant's work meets a level of acceptability as determined by the Contract Administrator and Consultant shall be required to modify its work as necessary to meet that level of acceptability as defined by the Contract Administrator. Separate detail shall be provided for each ongoing Task Order. Progress reports shall include the total number of hours worked by Consultant and any authorized subconsultants and shall include descriptions of the tasks and work performed, including a description of any deliverables submitted during the reporting period and the anticipated tasks, work and deliverables proposed for the subsequent reporting period. Any invoices submitted by Consultant for payment under the terms of this Agreement shall include copies of the progress reports that relate to the services being billed on those invoices.

ARTICLE V

Prevailing Wage: In the event County requires Consultant's services on projects involving local, state and/or federal funds to which prevailing wage requirements may apply, Consultant and any subconsultants authorized pursuant to this Agreement shall comply with all applicable state and federal prevailing wage rates, statutes, rules and regulations then in effect. In the event of conflict between applicable federal and state provisions, the higher prevailing wage rate will apply. Consultant and its subconsultants shall use the general prevailing wage rates determined by the Director of Industrial Relations for the county in which the work is to be done, which are available at the offices of the District Director of Transportation for the district in which the work is situated. Changes, if any, to the general prevailing wage rates will be available at the same location.

Federal minimum wage rates are determined by the United States Secretary of Labor and may be examined at the office described above. Future effective general prevailing wage rates which have been predetermined and are on file with the California Department of Industrial Relations are referenced but not printed in the general prevailing wage rates.

Consultant and any authorized subconsultants shall comply with all applicable wage requirements, as set forth in Labor Code Sections 1770 et seq., 1773.2, 1775, 1776, 1810, and 1813. In accordance with the provisions of Labor Code Section 1810, eight (8) hours of labor shall constitute a legal day's work upon all work done hereunder, and Consultant and any subconsultant authorized under this Contract shall also conform to and be bound by the provisions of Labor Code Sections 1810 through 1815.

As required under the provisions of Labor Code Section 1776, Consultant and all

subconsultants authorized under this Agreement shall keep accurate payroll records. Certified copies of all payroll records shall be made available for inspection at all reasonable hours at Consultant's principal office.

ARTICLE VI

Standards For Work: All services rendered shall be performed in accordance with the guidelines set forth in the Caltrans Right of Way Manual; the Federal Highway Administration (FHWA) Right of Way Project Development Guide; all other applicable Caltrans, FHWA, state and local public agency guidelines; federal, state and local laws, including but not limited to, applicable provisions of the California Business and Professions Code, and accepted industry standards.

Consultant has full responsibility for the accuracy and completeness of the deliverables, reports and such other documents that may be required for the tasks or items of work assigned. Assistance, cooperation and oversight by County, Caltrans, FHWA or other regulatory agencies will not relieve Consultant of this professional responsibility.

All work must be performed and work products prepared in a format and manner customarily anticipated by the appropriate approving agencies.

ARTICLE VII

Inspection of Work: Consultant shall permit appropriate County representatives to review and inspect Consultant's work on each applicable project or task at all reasonable times during the performance of this Agreement.

Consultant's Project Manager, or County-approved designee, shall be accessible to County's Contract Administrator, or designee, during normal County working hours and shall respond within twenty-four (24) hours to County inquiries or requests. Consultant's Project Manager shall be responsible for all matters related to Consultant's personnel, operations and any subconsultants authorized under this Agreement including, but not limited to (1) assigning qualified personnel to perform the required work and to prepare the deliverables required by the individual Task Orders issued pursuant to this Agreement; and (2) reviewing, monitoring, training and directing Consultant's personnel and any subconsultants authorized herein.

ARTICLE XI

Changes to Agreement:

- A. This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto. There shall be no change in Consultant's Project Manager or subconsultants, which shall be established at the issuance of individual Task Orders, without prior written approval by County's Contract Administrator.
- B. Should changes in the Scope of Services occur such that additional services and compensation beyond those contemplated by the parties under this Agreement are required, Consultant shall immediately notify the Contract Administrator in writing of those conditions. The additional work shall not be performed until County authorization is received, and an appropriate amendment is fully executed by the parties. No reimbursement for any additional services will be paid to Consultant without County's prior written authorization/amendment.

ARTICLE XII

Consultant to County:

- A. Consultant is engaged by County for its unique qualifications and skills as well as those of its personnel. Consultant shall perform the services contemplated herein with resources available within its own organization, and no portion of the work pertinent to this Agreement shall be subcontracted, delegated or assigned, in whole or in part, without written authorization by the Contract Administrator. Notwithstanding this Article, Consultant is authorized to utilize the specific subconsultants that may be authorized in individual Task Orders issued pursuant to this Agreement, for the particular tasks, work and deliverables identified therein. Said authorization and approval shall be sought and obtained by Consultant prior to subconsultants' commencement of any work under this Agreement. Notwithstanding any provision to the contrary, at no time shall County be obligated to pay separately for subconsultant services. Consultant shall require each subconsultant, to the extent of the work to be performed by the subconsultant, to be bound to Consultant by the terms of this Agreement and to assume toward Consultant all of the obligations and responsibilities that Consultant, by this Agreement, assumes toward County.
- B. Consultant shall furnish, at Consultant's own expense, all materials and equipment necessary to carry out the terms of this Agreement. Consultant shall be liable for any personal injury or property damage resulting from the use, misuse or failure of such equipment, and shall indemnify and hold County harmless, and defend County in accordance with the indemnity provisions provided in Article XVIII, Indemnity of this Agreement.
- C. No sums due pursuant to this Agreement shall be assigned, mortgaged or hypothecated in any respect without the express written consent of the Contract Administrator. Notice of any such requested assignment or hypothecation shall be furnished promptly to the Contract Administrator.

- D. In all matters pertaining to this Agreement, Consultant shall act as Consultant only to County and shall not act as Consultant to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Consultant's responsibilities to County during the term hereof.

ARTICLE XIII

Confidentiality and Ownership of Data:

- A. Consultant and any subconsultants authorized under this Agreement shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Consultant, and all Consultant's staff, employees, subconsultants and representatives, shall not use or disclose, directly or indirectly, at any time, any said confidential information, other than to County's Department of Transportation for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.
- B. Upon completion or earlier termination of services under this Agreement, or upon the completion or earlier termination of services provided in accordance with individual Task Orders issued pursuant to this Agreement, ownership and title to all appraisals, reports, documents, maps, specifications, estimates, and similar documents produced as part of this Agreement will automatically be vested in County, and no further agreement will be necessary to transfer ownership to County. Consultant shall furnish County all data, including data stored in electronic format, needed to complete the transfer of ownership and possession to County.
- C. All financial, statistical, personnel, technical or other data and information relative to County operations, which is designated confidential by County and made available to Consultant in order to carry out the services contemplated under this Agreement shall be protected by Consultant and any subconsultants authorized under this Agreement from unauthorized use or disclosure.
- D. Permission granted by County to disclose information on one occasion or at public hearings held by County relating to this Agreement shall not authorize Consultant or any subconsultants authorized under this Agreement to further disclose such information or disseminate the same on any other occasion.
- E. Consultant and any subconsultants authorized under this Agreement shall not comment publicly to the press or any media regarding this Agreement or County's actions on the same, except to County staff, Consultant's own personnel involved in the performance of this Agreement, at public hearings or in response to questions from County's Board of Supervisors.
- F. Consultant and any subconsultants authorized under this Agreement shall not issue any news release or public relations item of any nature whatsoever regarding services performed or to be performed under this Agreement without prior review of the contents thereof by County and receipt of the Contract Administrator's written permission.

ARTICLE XIV

Independent Contractor/Liability: Consultant is, and at all times shall be, deemed an independent contractor and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Consultant exclusively assumes responsibility for acts of its employees, associates, and subconsultants, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Consultant shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees and subconsultants. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Consultant or to Consultant's employees, agents, associates, subconsultants or representatives.

ARTICLE XV

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XVI

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (Time to Cure), then such party shall be in default. The Time to Cure may be extended at the discretion of the party giving notice. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the Time to Cure has expired.

- B. **Bankruptcy:** This Agreement, at the option of County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Consultant.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Consultant ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. County may terminate this Agreement or any Task Order issued pursuant to this Agreement, in whole or in part upon seven (7) calendar days' written notice by County for any reason. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates, as set forth in the Notice of Termination provided to Consultant, and for such other services which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the not-to-exceed amount of the Task Order or the total amount of the contract, as applicable. Upon receipt of a Notice of Termination, Consultant shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.
- E. **Cancellation:** Notwithstanding any other provision to the contrary, County may cancel this Agreement and have no further obligation hereunder as set forth in Article XV, Fiscal Considerations above.
- F. **Completion of Work:** In the event of termination of the Agreement, County reserves the right to take over and complete any work, service, or task by contract or by other means.

In the event that Consultant or any subconsultant violates this Article, in addition to all other remedies that County has pursuant to the provisions of this Agreement, and/or applicable law, County shall have the right, at its option and in its sole discretion, to rescind and annul this Agreement without liability, and to pay for only non-appraisal related services performed under this Agreement, if any, or to terminate the Agreement and offset payment for the value of the services performed by the recovery of the full amount of any commission, percentage, brokerage, or contingency fee, as well as damages suffered by County.
