RE: Firework Display Variance Approval

Dear Ms. Allen DeSanchez,

J&M Displays West and Steve and Sherry Souza respectfully request time before the Board to approve a private firework display on May 12, 2012 at [Address on file], Placerville, CA. We are aware fireworks are illegal in El Dorado County and a variance request must be approved by the Board prior to submitting a permit to the local fire jurisdiction. Please note we will comply with all state and local laws governing fireworks, including Ca. Title 19 and NFPA 23 and 26.

A certificate of insurance listing the county as additional insured will be submitted to the local fire jurisdiction along with a permit application for approval.

This event will be held at a private residence and not open to the public. The location and contact information will be submitted on the permit application.

We will be happy to appear before the Board to answer any questions or concerns they may have.

Thank you for your time.

Sincerely,

Sherry Souza
