If your Board will recall, on January 24, 2012 you approved a 3-year agreement with Envision Medical Solutions, Inc. for the administration of a prescription drug savings program for County residents.

The agreement establishes a public-private partnership between El Dorado County and Envision Pharmaceutical Services (EPS) ~~makes the discounts possible.~~ EPS is a pharmacy benefits manager that secures discounts on prescription drugs, passing savings on to consumers.

This is a program available to all El Dorado County residents, regardless of age, income status.

Envision administers the entire program - no tax dollars are used to make the El Dorado Best Rx Savings Card available.

We are pleased to announce that the program is scheduled to "go live" on March 1<sup>st</sup>. We'll be issuing a press release with information about the program

Posters and Tear-off brochures with featuring two ready-to-use El Dorado Best Rx Savings Cards are being made available at various public locations throughout the county.
