The Board adopted the Community Design Guide on April 13, 1982 by Ordinance 3257. The Community Design Guide was produced prior to electronic format technology. Scanned copies of the original hard copy document is posted on the County website:

http://www.edcgov.us/Government/Planning/Development_Standards_and_Design_Guidelines.aspx

Due to poor print quality, this document has been converted into electronic format. However, the original photographs could not be reproduced. For purposes of consistency, photographs of similar buildings, features or architectural theme(s) were used whenever possible. For purposes of readability, minor layout/typeface changes were made to various sections of the documents.

However, no changes were made to the text content (except for adding reformatting notes to the page following the cover page). Staff is seeking the Board's approval of the reformatted guide and has prepared the attached draft Resolution for County Counsel review.
