R E C I T A L S

WHEREAS, County has determined that it is necessary to fund the EDCFA to provide facility improvement services on the El Dorado County Fairgrounds that are owned by El Dorado County;

WHEREAS, EDCFA has an agreement with the County, for use, possession, and management of the fairgrounds and has the skills and expertise necessary to coordinate improvements on the fairgrounds property;

WHEREAS, the parties agree the funding will be in conformity with all applicable federal, state, and local laws;

WHEREAS, the Board of Supervisors of the County of El Dorado determine that a public benefit is derived from supporting this effort to improve fairground facilities;

NOW, THEREFORE, the parties do hereby agree as follows:

ARTICLE I

Payment and Use of Funds: Within forty-five (45) days of execution of this Agreement, County will provide funds to EDCFA in the amount of \$165,857.00. Funds shall be used solely for the purpose of creating fifteen (15) full RV spots including grading, power, and water for each spot and access to a sewage dump site. A commercial encroachment shall be created for an entrance and exit on Ray Lawyer Drive including an electric gate with a keypad.

EDCFA shall provide a statement, in reasonable detail, regarding the disposition of the funds and shall return any unused funds. Any funds that have not been expended by EDCFA under the terms of this Agreement and after the expiration of this Agreement shall be returned to County within sixty (60) days of County's request for same.

ARTICLE II

Term: This Agreement shall become effective when fully executed by the parties hereto and shall expire on December 31, 2020.

ARTICLE III

Audits Required: EDCFA shall submit to County a year-end audited financial statement covering all fiscal years during which EDCFA expends funds provided pursuant to this Agreement. EDCFA shall maintain client records, books, documents, and other evidence, accounting procedures and practices sufficient to reflect properly all direct and indirect costs of whatever nature claimed to have been incurred in the performance of this Agreement, including any matching costs and expenses, all of which will be deemed to constitute records for purposes of this section. Such records shall clearly reflect the cost and scope of the services provided. EDCFA's facility or office or such part thereof as may be engaged in the performance of this Agreement and its records shall be subject at all reasonable times to inspection, audit, and reproduction by County, the state, or any of their duly authorized representatives.

ARTICLE IV

Audit by California State Auditor: EDCFA acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code § 8546.7. In order to facilitate these potential examinations and audits, EDCFA shall maintain, for a period of at least three (3) years, or for any longer period required final payment under the contract, all books, records, and documentation necessary to demonstrate performance under the Agreement.

ARTICLE V

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE VI

Compliance with all Applicable Laws: EDCFA shall conform to and abide by all applicable federal, state, and local building, labor, environmental and safety laws, ordinances, rules, and regulations. All work and materials shall be in full accordance with the latest rules and regulations of the State Fire Marshal, safety orders of the Division of Industrial Safety, California Electrical Code, California Building Code, California Plumbing Code, and any and all other applicable laws and regulations. Nothing in this Agreement, including but not limited to, any directions, plans, or specifications provided to EDCFA, is to be construed to permit work not conforming to these codes.

ARTICLE VII

Subcontracting: The provisions of Sections 4100-4114, inclusive, of the Public Contract Code regarding subcontracting shall apply to this Agreement, and EDCFA shall ensure that EDCFA's contractor will comply with all provisions therein.

ARTICLE VIII

Registration of Contractors: No contractor or subcontractor may bid on any public work project, be listed in a bid proposal for any public works project, or engage in the performance of any contract for public work unless registered with the Department of Industrial Relations pursuant to Labor Code sections 1725.5 and 1771.1. Public work projects are subject to compliance, monitoring, and enforcement by the Department of Industrial Relations. Additional information can be found at:

<https://www.dir.ca.gov/Public-Works/Contractor-Registration.html>

EDCFA's contractor shall post job site notices as prescribed by Title 8 of California Code of Regulations Section 16451.

ARTICLE IX

Prevailing Wage: EDCFA shall require contractor's services on public works project(s) involving local, and/or state funds to which prevailing wage requirements may apply. As a consequence, EDCFA shall ensure its contractor or subcontractor shall comply with all applicable state and federal prevailing wage rates, statutes, rules, and regulations then in effect. EDCFA's contractor shall use the general prevailing wage rates determined by the Director of Industrial Relations for the county in which the work is to be done, which are available at the principal office of County's Chief Administrative Office. Changes, if any, to the general prevailing wage rates will be available at the same location.

Future effective general prevailing wage rates which have been predetermined and are on file with the California Department of Industrial Relations are referenced but not printed in the general prevailing wage rates.

EDCFA shall require its contractor to comply with all applicable wage requirements, as set forth in Labor Code Sections 1770 et seq., 1773.2, 1775, 1776, 1810, and 1813. In accordance with the provisions of Labor Code Section 1810, eight (8) hours of labor shall constitute a legal day's work upon all work done hereunder, and contractor and any subcontractor authorized under this Agreement shall also conform to and be bound by the provisions of Labor Code Sections 1810 through 1815.

ARTICLE X

Apprentices: Attention is directed to Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code and Title 8, California Code of Regulations Section 200 et seq. To ensure compliance and complete understanding of the law regarding apprentices, and specifically the required ratio thereunder, EDCFA's contractor or subcontractor should, where some question exists, contact the Division of Apprenticeship Standards, 455 Golden Gate Avenue, San Francisco, CA 94102, or one of its branch offices prior to commencement of work on this Agreement. Responsibility for compliance with this Article lies with contractor.

It is County policy to encourage the employment and training of apprentices on public works contracts as may be permitted under local apprenticeship standards.

The requesting party shall, prior to being provided the records, reimburse the costs of preparation by contractor, subcontractor, and the entity through which the request was made. The public shall not be given access to the records at the principal office of contractor.
 4. All contractors and subcontractors must furnish electronic certified payroll records directly to the Department of Industrial Relations.

ARTICLE XII

Performance Bond: As a part of the execution of this Agreement, EDCFA shall ensure its contractor furnishes a bond of a surety company authorized to do business in the State of California, conditioned upon the faithful performance of all covenants and stipulations under this Agreement. The amount of this bond shall be one hundred percent (100%) of the contract price under which EDCFA's contractor performs the work and shall be executed upon the form provided by EDCFA.

ARTICLE XIII

Payment Bond: As a part of the execution of this Agreement, EDCFA shall ensure contractor furnishes a bond of a surety company authorized to do business in the State of California, conditioned upon the payment in full of all claims for labor and materials in accordance with the provisions of the law of the State of California. The amount of this bond shall be one hundred percent (100%) of the contract price under which EDCFA's contractor performs the work and shall be executed upon the form provided by EDCFA.

ARTICLE XIV

5. Explosion, Collapse and Underground coverage is required when the scope of work includes XCU exposures.

PROOF OF INSURANCE REQUIREMENTS:

1. Contractor shall furnish proof of coverage satisfactory to County's Risk Management Division as evidence that the insurance required herein is being maintained. The insurance will be issued by an insurance company acceptable to County's Risk Management Division, or be provided through partial or total self-insurance likewise acceptable to the Risk Management Division.
2. The County of El Dorado, its officers, officials, employees, and volunteers shall be included as additional insured, but only insofar as the operations under this Agreement are concerned. This provision shall apply to all general and excess liability insurance policies. Proof that County is named additional insured shall be made by providing the Risk Management Division with a certified copy, or other acceptable evidence, of an endorsement to contractor's insurance policy naming County as additional insured.
3. In the event contractor cannot provide an occurrence policy, contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.

4. Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects County, its officers, officials, employees and volunteers; or contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
5. Contractor shall require each of its subcontractors to procure and maintain Commercial General Liability Insurance, Automobile Liability Insurance and Workers' Compensation Insurance of the types and in the amounts specified above, or shall insure the activities of its subcontractors in its own policy in like amounts. Upon request by County, EDCFA's contractor shall furnish proof of coverage satisfactory to County as evidence that the subcontractor insurance required herein is being maintained.

In the event said insurance coverage expires at any time or times during the term of this Agreement, contractor shall immediately provide a new certificate of insurance as evidence of the required insurance coverage. In the event contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event. New certificates of insurance are subject to the approval of County's Risk Management Division.

ADDITIONAL STANDARDS: Certificates shall meet such additional standards as may be determined by the EDCFA, either independently or in consultation with County's Risk Management Division, as essential for protection of County.

COMMENCEMENT OF PERFORMANCE: Contractor shall not commence performance of this Agreement unless and until compliance with each and every requirement of the insurance provisions is achieved.

MATERIAL BREACH: Failure of EDCFA's contractor to maintain the insurance required herein, or to comply with any of the requirements of the insurance provisions, shall constitute a material breach of the entire Agreement.

REPORTING PROVISIONS: Any failure to comply with the reporting provisions of the policies shall not affect the coverage provided to County, its officers, officials, employees, or volunteers.

PRIMARY COVERAGE: Contractor's insurance coverage shall be primary insurance as respects County, its officers, officials, employees, and volunteers.
