5. Unless otherwise stipulated by the program funding this MOU, equipment and/or miscellaneous property purchased/reimbursed with funds or furnished by the State under the terms of this MOU, shall only be used for performance of this Agreement or another State Contract.

6. Within sixty (60) calendar days prior to the termination or end of this agreement, CONTRACTOR shall provide a final inventory report of equipment and/or miscellaneous property to the COUNTY Contract Administrator and shall, at that time, query the State as to the requirements, including the manner and method, of returning State equipment and/or miscellaneous property to the State. Final disposition of equipment and/or miscellaneous property shall be at the State expense and according to the State instructions. Equipment and/or miscellaneous property disposition instructions shall be issued by the State immediately after receipt of the final inventory report. At the termination or conclusion of this agreement, the State may at its discretion, authorize the continued use of state equipment and/or miscellaneous property for performance of work under a different State agreement.

GENERAL TERMS AND CONDITIONS

A. Contract Exhibits

This Contract between the Department of Alcohol and Drug Programs (State) and the county named in the Standard Agreement attached hereto (Contractor) consists of the Standard Agreement; Exhibit A1, listing of ADP allocated funding sources; Exhibit B, entitled "General Terms and Conditions," which contains Contract provisions applicable to all of the Contractors; Exhibit C, which defines the rights and obligations of the parties regarding Negotiated Net Amount (NNA) funds; and Exhibit D (if applicable), which defines the rights and obligations of the parties regarding Medicaid/Medi-Cal funds, as expended through the Drug Medi-Cal (DMC) Program.

B. Contract Term

The term of this Contract shall be from July 1, 2010, through June 30, 2013. Except as provided in Exhibit C, Article III, Sections H and I, the expenditure period for the funds available hereunder shall be as stated on Exhibit A1. State is under no obligation to extend or renew this Contract.

C. Nullification of Exhibit D (if applicable).

The parties agree that if the Contractor fails to comply with the provisions of Health and Safety Code (hereinafter referred to as HSC) Section 11758.46, Exhibit D shall be null and void and severed from the remainder of this Contract.

In the event Exhibit D becomes null and void, an updated Exhibit A1 will take effect reflecting the removal of DMC State General Fund (SGF), DMC Perinatal State General Fund (PSGF), and federal Medicaid funds from this Contract. Exhibit C of this Contract will remain in effect until amended or terminated.

D. Unenforceable Provisions

In the event any provision of this Contract is held invalid or unenforceable by any court of competent jurisdiction, the holding will not invalidate or render unenforceable any other provision hereof.

E. Use of State Funds

1. Contractor may not use SGF DMC funds allocated pursuant to Exhibit D to pay for any non-DMC services. Contractor may not transfer SGF DMC funds allocated pursuant to Exhibit D to SGF discretionary funds allocated pursuant to Exhibit C.

Exhibit B – Preliminary - County Contract – FY 2010 through FY 2013 – Multi-Year

2. SGF provided by the California Department of Corrections and Rehabilitation (CDCR) through an interagency agreement shall be subject to specific expenditure requirements as stated in the "Services to California Department of Corrections and Rehabilitation Parolee Services Network," as identified in Document 1D(a) of Exhibit C, which is incorporated by this reference.

F. Contract Amendments

1. Both the Contractor and the State may agree to amend or renegotiate the Contract.
2. Contract amendments will be required to change encumbered amounts for each year of a multi-year contract period, of which the first amendment will be based on the Governor's Budget Act allocation of that specific fiscal year. The signed contract from the Contractor will be due to the Department of Alcohol and Drug Programs within 90 days from the Department's issuance to the County. If the signed Contract from the Contractor is not received within 90 days from the Department's issuance to the County, the State may withhold all NNA payments under Exhibit C of this Contract until the required amendment is received by the State.
3. Contract amendments may be requested by the Contractor until May 1 of each of the contract's fiscal years. An amendment proposed by either party shall be forwarded in writing to the other party.
 - (a) The proposed amendment submitted by Contractor shall include the proposed changes, and a statement of the reason and basis for the proposed change.
 - (b) Amendments shall be duly approved by the County Board of Supervisors or its authorized designee, and signed by a duly authorized representative.
4. No amendment or variation of the terms of this Contract shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or agreement not incorporated in the Contract is binding on any of the parties.
5. Contractor acknowledges that any newly allocated funds that are in excess of the initial amount for each fiscal year may be forfeited if the State does not receive a fully executable contract amendment on or before June 30.

Exhibit B – Preliminary - County Contract – FY 2010 through FY 2013 – Multi-Year

G. Termination

1. This Contract may be terminated by either party by delivering written notice of termination to the other party at least 30 days prior to the effective date of termination. The notice shall state the effective date of and reason for the termination. In the event of changes in law that affect provisions of this Contract, the parties agree to amend the affected provisions to conform to the changes in law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Contract are severable and in the event that changes in law render provisions of the Contract void, the unaffected provisions and obligations of this Contract will remain in full force and effect.
2. State may terminate this Contract immediately for cause. The term "for cause" means that the Contractor failed to meet the terms, conditions, and/or responsibilities of the Contract. State shall provide the Contractor with written notice of the termination, including the effective date and reason for the termination. The termination of the Contract shall be effective as of the date indicated in the written notice.
3. The following additional provisions regarding termination apply only to Exhibit D of this Contract:
 - (a) In the event the federal Department of Health and Human Services (hereinafter referred to as DHHS), the California Department of Health Care Services (hereinafter referred to as DHCS), or State determines Contractor does not meet the requirements for participation in the DMC Program, State will terminate payments for services provided pursuant to Exhibit D of this Contract for cause.
 - (b) All obligations to provide covered services under this Contract will automatically terminate on the effective date of any termination of this Contract. Contractor will be responsible for providing or arranging for covered services to beneficiaries until the effective date of termination or expiration of the Contract.

Contractor will remain liable for processing and paying invoices and statements for covered services and utilization review requirements prior to the expiration or termination until all obligations have been met.
 - (c) In the event Exhibit D of this Contract is nullified, Contractor shall refer DMC clients to providers who are certified to provide the type(s) of services the client has been receiving.

In addition to the audit requirements in Exhibits C and D, this Contract, and any Subcontracts, shall be subject to the examination and audit by the California Bureau of State Audits for a period of three years from the date that final payment is made pursuant to the Contract (Government Code, Section 10527).
2. Contractor agrees that the State, the Comptroller General of the United States, and any authorized representatives have the right to review, obtain, and copy all records pertaining to the performance of this Contract. Contractor agrees to provide the State with any and all relevant information requested.
3. All expenditures of state and federal funds furnished to the Contractor and its Subcontractors pursuant to this Contract are subject to audit by the State. Such audits shall consider and build upon external independent audits performed pursuant to audit requirements of the Office of Management and Budget (OMB) Circular A-133 (Revised June 27, 2003). Objectives of such audits may include, but not be limited to, the following:

4. Contractor shall comply, and shall require that its Subcontractors comply, with all terms and conditions of this Contract and all pertinent state and federal statutes and regulations. Contractor and its Subcontractors shall permit the State, DHCS, DHHS, Comptroller General of the United States, or other authorized state or federal agencies and representatives, to inspect or otherwise evaluate the quality, appropriateness, and timeliness of services performed under this Contract. Contractor shall allow the State, DHCS, DHHS, the Comptroller General of the United States, and other authorized state or federal agencies and representatives to review and copy any and all books and records maintained by the Contractor and its Subcontractors related to these services at any time during normal business hours. Unannounced visits may be made at the discretion of the State. Employees who might reasonably have information related to such records may be interviewed.
5. The refusal of the Contractor or its Subcontractors to permit access to and inspection of electronic or print books and records, physical facilities, and/or refusal to permit interviews with employees, as described in this part constitutes an express and immediate material breach of this Contract and will be sufficient basis to terminate the Contract for cause or default.

I. Debarment and Suspension Certification

1. By signing this agreement, Contractor agrees to comply with federal suspension and debarment regulations found in 45 CFR Part 76. "Debarred" means excluded or disqualified from contracting with the federal, State or local government.

B. Payment Provisions

1. For each fiscal year, the total amount payable by the State to the Contractor under Exhibit C shall not exceed the encumbered amount. The funds identified for the fiscal years covered by Exhibit C are subject to change depending on the availability and amount of funds appropriated by the Legislature and the Federal Government. The amount of funds available for expenditure by the Contractor shall be limited to the amount identified in the final allocations issued by the State for that fiscal year or the NNA, whichever is less. Changes to encumbered funds will require written amendment to the Contract. State may settle costs for NNA services based on the year-end cost settlement report as the final amendment to the approved single state/county contract.
2. In the event a contract amendment is required pursuant to the preceding paragraph, Contractor shall submit to the State information as identified in Exhibit B, Section F(4)(a). 5. State may withhold monthly payments if the Contractor fails to timely submit reports and data required by the State, including but not limited to, reports required pursuant to Exhibit C, Article V. Upon the State's receipt of the complete and accurate reports, or data, Contractor's monthly payment shall commence with the next scheduled monthly payment, and shall include any funds withheld due to late submission of reports or data.

If differences cannot be resolved between the State and the Contractor regarding the terms of the final financial audit settlements for funds expended under Exhibit C, Contractor may request an appeal in accordance with the appeal process described in Document 1J(a), "NNA Audit Appeal Process," incorporated by this reference. When a financial audit is conducted by the Federal Government, the State, or the Bureau of State Audits directly with a Subcontractor of the Contractor, and if the Subcontractor disagrees with audit disallowances related to its programs, claims or services, Contractor shall, at the Subcontractor's request, request an appeal to the State in accordance with Document 1J(a).
