**RE: RESPONSE TO EL DORADO COUNTY DEPARTMENT OF TRANSPORTATION'S REJECTION OF MYERS AND SONS CONSTRUCTION, LP BID ON ICE HOUSE ROAD BRIDGES MAINTENANCE PROJECT**

Dear Ms. Gifford,

Myers and Sons Construction, LP asked that the El Dorado County reconsider the rejection of Myers and Sons Construction, LP bid. The intent of El Dorado County's amended section 2-1.01 is to affirm that the bidder has received all of the documents related to the bid. It is Myers and Sons Construction's understanding that section 2-1.01 was amended to its current language due to bidders not purchasing plans and specifications from the county directly, but instead purchasing them from builder exchanges or downloading them from the internet.

Myers and Sons Construction, LP has met the intent of section 2-1.01, therefore the bid should be accepted and awarded to Myers and Sons Construction, LP. Myers and Sons Construction purchased the plans and specifications directly from El Dorado County and acknowledge receiving all of the addendums as part of the bid proposal that was turned in on bid day. Myers and Sons has attached a copy of the check used to purchase the plans and specifications of section 2-1.01.

Thank You,

Clinton W. Myers  
Vice-President  
Myers and Sons Construction, LP
