PROPERTY @ 3811 EL DORADO ROAD, PLACERVILLE

April 25, 2025

I am writing in favor of the proposed recreational area behind our property.

The property @ 3811 El Dorado Road, has been in our family for more than seventy years. It was a place of family reunions, Easter egg hunts, Christmases, and joy. When my mom, Evelyn DeCorte, passed away in 2010; we continued to enjoy going to the home ~ then the break-ins started. Each time we went to the house it was to board up windows, repair locks, it became a negative visit. I no longer can drive by without feeling great sadness.

My hope is by developing the property the transients will no longer live in the area and it will once again become an area for family happiness.

Thank you for your time,

Laura Aparicio
