 2. Approve P08-0026-E extending the expiration of the approved tentative parcel map for one year to January 27, 2017, based on the Findings and subject to the Conditions of Approval as presented.

BACKGROUND

The tentative parcel map (P08-0026) was approved by the Board of Supervisors on January 27, 2009, along with a Rezone (Z08-0028) and Planned Development (PD08-0015). The tentative parcel map consisted of 4 commercial lots containing suites ranging in size from 2,048 square feet to 2,350 square feet, and one common area lot of approximately 25,309 square feet for parking, landscaping and utilities (Exhibit F).

Since approval, the applicant has not filed or recorded a parcel map. The tentative parcel map had an original expiration date of January 27, 2012, which was automatically extended to January 27, 2016 as a result of recent state legislation including Subdivision Map Act (SMA) Sections 66452.23 (Assembly Bill AB 208) and 66452.24 (Assembly Bill AB 116) (Exhibit G). The applicant filed this time extension request on January 15, 2016.

ANALYSIS

This time extension request is for one additional year, pursuant to SMA Section 66452.6 and the County Subdivision Ordinance Section 120.74.030. If approved, the map would be extended to January 27, 2017.

The applicant states that the delay in filing and recording the parcel map is a result of difficulty in acquiring a loan for the condominium project due to the economic recession. The applicant is currently working with an interested bank to assume the loan. The applicant is prepared to file and record the parcel map upon completion and recordation of the Covenants Codes & Restrictions (CC&Rs). The one year extension should allow the applicant the time needed to facilitate project funding, finalize and record the project CC&Rs and record the parcel map.

The map remains consistent with the applicable policies under the current 2004 General Plan and the Zoning Ordinance, and the County Subdivision Ordinance. All applicable original conditions of approval shall remain in effect.
