

May 22, 2012

Roger,

In keeping with our process for Firework Display Agenda Items for Board approval, would you please review the letter below and email back your response regarding this event being in compliance with the zoning.

Thank you.

Loretta,

The Town Center East PD allows outdoor events such as the fireworks display. No special use or temporary use permit are required by Zoning Code. OK to go ahead.

Thank you,

Roger Trout roger.trout@edcgov.us
