- A. The Department is entering into this Standard Agreement (“Agreement”) on the basis of, and in reliance on, facts, information, assertions and representations contained in the Application and any subsequent modifications or additions thereto approved by the Department. The Application and any approved modifications and additions thereto are hereby incorporated into this Agreement.
- B. The Grantee warrants that all information, facts, assertions and representations contained in the Application and approved modifications and additions thereto are true, correct, and complete to the best of the Grantee’s knowledge. In the event that any part of the Application and any approved modification and addition thereto is untrue, incorrect, incomplete, or misleading in such a manner that would substantially affect the Department’s approval, disbursement, or monitoring of the funding and the grant or activities governed by this Agreement, the Department may declare a breach hereof and take such action or pursue such remedies as are provided for breach.

2. Grant and Reimbursement Limit

The Department’s decision to approve or deny an application or request for funding pursuant to the Program, and its determination of the amount of funding provided, shall be final. The maximum total amount granted and reimbursable to the Grantee pursuant to this Agreement shall not exceed \$500,000.00.

3. Grant Timelines

- A. This Agreement is effective upon the date of the Department representative’s signature on page one of the fully executed Standard Agreement, STD 213, (the “Effective Date”).
- B. All Grant funds must be expended by the Grantee on or before December 31, 2024. To ensure that the Grantee is reimbursed on or before December 31, 2024, the Grantee shall deliver to the Department all final invoices for reimbursement on or before September 30, 2024. Under special circumstances, as determined by the Department, the Department may modify the September 30, 2024 deadline.

It is the responsibility of the Grantee to monitor the project and timeliness of draws within the specified dates.

EXHIBIT B

4. Allowable Uses of Grant Funds

- A. The Department shall not disburse funds unless it determines that the grant funds shall be expended in compliance with the terms and provisions of the NOFA and this Agreement.
- B. Grant funds shall only be used by the Grantee for eligible activities pursuant to Section VII of the NOFA and only for activities that were approved by the Department, and as stated in Attachment 1: Project Timeline and Budget and Project Description in the Grantee's approved LEAP Application, and/or any and all documentation incorporated into this Agreement and made a part thereof.
- C. Grant funds may not be used for administrative costs of persons employed by the Grantee for activities not directly related to the preparation and adoption of the proposed activity. The Grantee shall use no more than five percent of the total grant amount for costs related to administration of the project.
- D. A Grantee that receives funds under this Program may use a subcontractor. The subcontract shall provide for compliance with all the requirements of the Program. The subcontract shall not relieve the Grantee of its responsibilities under the Program.

- G. Approved and eligible costs incurred prior to the NOFA date are ineligible and will not be reimbursed.

5. Performance

- A. The Grantee shall take such actions, pay such expenses, and do all things necessary to complete all activities as incorporated into the LEAP application and in accordance with the schedule for completion set forth in the Statement of Work, the Grantee's Project Description and Attachment 1: Project Timeline and Budget, and within the terms and conditions of this Agreement.
- B. The Department may monitor expenditures and activities of Grantee, as the department deems necessary, to ensure compliance with program requirements.

EXHIBIT B

- C. The Department may request repayment of funds from Grantee or pursue other remedies available to it by law for failure to comply with program requirements.

6. Fiscal Administration

- A. The Grantee is responsible for maintaining records which fully disclose the activities funded by the LEAP grant. Adequate documentation for each reimbursable transaction shall be maintained to permit the determination, through an audit if requested by the State, of the accuracy of the records and the allowability of expenditures charged to LEAP grant funds. If the allowability of expenditure cannot be determined because records or documentation are inadequate, the expenditure may be disallowed, and the State shall determine the reimbursement method for the amount disallowed. The State's determination of the allowability of any expense shall be final, absent fraud, mistake or arbitrariness.
- B. Work must be completed prior to requesting reimbursement. The Department may make exceptions to this provision on a case by case basis. - F. The Request for Reimbursement must be for a minimum of fifteen percent (15%) of the maximum grant amount awarded. The Department may consider exceptions to the minimum amount requested on a case-by-case basis. All invoices shall reference the contract number and shall be signed and submitted to the Department's Program Manager at the address provided above in Section 6, Subsection D of this part. Invoices shall include at a minimum the following information:

- M. The Department may withhold ten percent (10%) of the grant until grant terms have been fulfilled to the satisfaction of the Department, including but not limited to submittal of the final close-out report.
