Chairman Knight,

Staff is requesting that the Board continue this item until September 25th BOS agenda. The County has received a written request from the City to advance funds for cash flow on this project, see Attachment 2A for Agenda Item 12-1090. The City will be reviewing their Audited Financial Statements for FY 2010-11 at their September 25th City Council meeting. County staff and the County Auditor have reviewed a draft of the Audited Financial Statement for FY 2010-11. The City opened bids on September 12th on the project and is reviewing the bids. Staff is hopeful that we will have sufficient information to hear this item on September 25th, but we are not ready for the BOS to review the item on September 19th.
