Why do you seek appointment? I've been on the board for a long time, have been in Pollock Pines since June of 1974. I have a deep interest in guiding our new/refurbished commercial buildings reflective of our mountain community, and keeping the area signage consistent with county guidelines. Our commercial corridor has been, and still does, need cohesion and a sense of community. I've been successful on the committee pursuing these goals.			
Additional Information Around 12 years on the board; participation in reviewing numerous projects within the community, successfully re-directing some to be more reflective of our community.
