Re: Building Industry Advisory Committee Appointees

Dear Julie;

El Dorado Builders' Exchange has appointed new members to represent EDDBE on the Building Industry Advisory Committee.

The primary representative will be Bob Granade of D.G. Granade Inc. and the alternate will be Jay Tinker, of JT Smarthomes.

You currently have both on your email contact list. I believe this change will need to be approved by the EDC Board of Supervisors.

Please keep my email address among the many for the public at large.

If you need any further information, please let me know.

Thank you,

Linda

Re: Appointment to BIAC as at-large member

Hello to all,

I am seeking appointment to a position that is available on the BIAC as an at-large member. Several of you know me and my background in construction and planning for nearly 35 years in this county as well as the many boards and committees I have been on since moving to El Dorado Hills 20 years ago. I have shown my dedication to making El Dorado County a better place. If anyone requires a list of my background and knowledge as it pertains to what I can bring to the BIAC, I would be happy to provide it. For Ron and Norma whom I do not know all that well, I believe Rusty, Helen and Jack would be able to fill you in on my background and service. I appreciate your time and consideration.

Sincerely,

Jeff Haberman
