The Premises are subject to inspection by the Federal Aviation Administration ("FAA") and COUNTY for compliance with FAA regulations and policies governing the use of federally obligated airport property.
- B. **Aeronautical Use Only.** LESSEE shall use the premises primarily for aeronautical use only, as defined by the FAA. The Premises are leased herein for the sole purpose of non-commercial storage, care, and maintenance of LESSEE'S aircraft. LESSEE shall not store any non-aeronautical items in the hangar unless that use is in compliance with FAA Policy on the Non-Aeronautical Use of Airport Hangars.
- C. **Residential Use Prohibited.** Residential use of the Premises is prohibited by the FAA. Residential use includes any overnight occupation of the Premises that is not directly related to the care, maintenance, or operation of LESSEE'S aircraft.
- D. **All Commercial Activity Prohibited.** Unless expressly provided for herein or by

other written agreement with COUNTY, nothing in this Lease shall be construed to grant LESSEE the right to rent Premises, including use of a hangar on the Premises, to others, conduct business or any commercial activity upon the Premises herein, including, but not limited to, those activities normally or actually conducted by fixed base operators upon Airport property. The storage of an aircraft used in LESSEE'S trade or business shall not be deemed a "commercial activity" and such aircraft shall be deemed to be "LESSEE'S aircraft" for purposes of this Section.

6. INSURANCE:

LESSEE shall provide proof of a policy of insurance satisfactory to COUNTY'S Risk Management Division and documentation evidencing that LESSEE maintains insurance that meets the following minimum requirements:

- A. Aircraft Liability Insurance of \$1,000,000 per occurrence for bodily injury and property damage for aircraft operated and/or stored on the Premises. Aircraft Liability Insurance shall include premises liability and evidence of coverage shall be provided to COUNTY'S Risk Management Division. If premises liability is not included in the Aircraft Liability policy, a separate Hangar Liability policy with a \$1,000,000 occurrence limit for injury or damage shall be obtained.

- D. The insurance shall be issued by an insurance company acceptable to COUNTY'S Risk Management Division or be provided through partial or total self-insurance likewise acceptable to COUNTY'S Risk Management Division.
- E. LESSEE agrees that the insurance required herein shall be in effect at all times during the term of this Lease. In the event said insurance coverage expires at any time or times during the term of this Lease, LESSEE agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of the term of the Lease, or for a period of not less than one (1) year. New certificates of insurance are subject to the approval of COUNTY'S Risk Management Division, and LESSEE agrees that the Lease shall not commence prior to the giving of such approval. In the event LESSEE fails to keep in effect at all times insurance coverage as herein provided, COUNTY may, in addition to any other remedies it may have, terminate this Lease upon the occurrence of such event.
- F. The certificates of insurance must include provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without 30-day prior written

notice to COUNTY; and

2. The County of El Dorado, its officers, officials, employees and volunteers are included as additional insured, on an additional insured endorsement for Aircraft Liability and Hangar Liability policies, but only insofar as the operations under this Lease are concerned. This provision shall apply to the Aircraft Liability and Hangar Liability Policies.

- H. Any deductibles or self-insured retentions must be declared to, and approved by, COUNTY. At the option of COUNTY, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects COUNTY, its officers, officials, employees, and volunteers; or LESSEE shall procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

- J. The insurance companies shall have no recourse against COUNTY, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- K. LESSEE'S obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this Lease.
- L. In the event LESSEE cannot provide an occurrence policy, LESSEE shall provide insurance covering claims made as a result of performance of this Lease for not less than three (3) years following completion of this Lease.
- M. The certificate of insurance shall meet such additional standards as may be determined by COUNTY, either independently or in consultation with COUNTY'S Risk Management Division, as essential for protection of COUNTY.

7. HOLD HARMLESS/INDEMNIFICATION:

To the fullest extent allowed by law, LESSEE shall, at LESSEE'S sole expense, indemnify, protect, defend, and hold harmless COUNTY, its officers, officials, employees, and volunteers from any and all claims, demands, suits, actions, and liabilities for any and all loss, damage, and liability for damages, including attorneys' fees and other costs of defense, whether for damage to or loss of property, injury to or death of any person, or economic or consequential loss, regardless of the degree of fault or negligence on the part of COUNTY, its officers, officials, employees, and volunteers, arising out of or relating directly or indirectly to this Lease, the tenancy created under this Lease, or the Premises, including without limitation:

- A. The use or occupancy, or manner of use or occupancy, of the Premises by LESSEE;

- B. Any act, error, omission, or negligence of LESSEE, or of any invitee, guest, or licensee of LESSEE;
- C. Any alteration, activities, work, or things done, omitted, permitted, allowed, or suffered by LESSEE in, at, or about the Premises, including the violation of or failure to comply with any applicable laws, statutes, ordinances, standards, rules, regulations, orders, decrees, or judgments in existence on the effective date of this Lease or enacted, promulgated, or issued after the effective date of this Lease;
- D. Any breach or default in performance of any obligation on LESSEE'S part to be performed under this Lease; and
- E. Any action to challenge COUNTY'S approval of the Lease or use of the Premises by LESSEE, including, but not limited to, any action brought pursuant to the California Environmental Quality Act, California Public Resources Code Section 21000, et seq., or 14 Code of Federal Regulations Part 16, FAA Rules of Practice for Federally Assisted Airport Proceedings.

LESSEE'S obligations pursuant to this Section include the duty to defend set forth in Civil Code Section 2778 and shall survive termination or expiration of this Lease.

LESSEE, as a material part of the consideration to COUNTY, hereby assumes all risk of damage to property or injury to persons in or upon the Premises and common areas (e.g., taxiways, runways, parking lot, snack bar, fuel areas, and grass area) arising from any cause except that caused by the active or sole negligence of COUNTY, its employees or agents, and LESSEE hereby waives all claims in respect thereof against COUNTY.

8. FIRE HAZARD:

LESSEE shall keep the Premises clear of oil, trash, or other materials that may be deemed a fire hazard.

COUNTY reserves the right to restrict LESSEE from conducting any activity or storing flammable, hazardous, or toxic materials or substances that are not compatible with aeronautical use or which would increase COUNTY'S insurance rate or cause COUNTY'S insurance to be canceled.

9. MAINTENANCE & REPAIR:

LESSEE shall at all times during the term of this Lease, maintain and keep, at LESSEE'S sole cost and expense, the Premises, including any hangar, land, any improvements made to the Premises, and facilities appurtenant thereto, in good order, repair, and safe condition and in compliance with all requirements of law. LESSEE shall not make or permit any other person to make any alterations for the purpose of maintenance and repair to the Premises without first obtaining the written consent of COUNTY Airport Operations Supervisor or successor authority. If COUNTY consents to those alterations to the Premises by LESSEE, subsequent to execution of this Lease, LESSEE shall make those at the sole cost and expense of LESSEE by a contractor or other person selected by LESSEE and approved in writing by COUNTY before work commences.

LESSEE shall comply with all applicable statutes, ordinances, rules, and regulations established by any federal, state, county, or local government agency in making any repairs or maintaining the Premises under this section. LESSEE shall maintain an area of ten (10) feet from the exterior walls of said hangar, or of the median point between hangars if there is less than twenty (20) feet between hangars, free from brush and weeds. If LESSEE fails to keep and maintain the leased Premises and improvements as required herein, COUNTY may at its own discretion following written notification, restore, repair, or correct any health, fire, or safety conditions and any expenses incurred by COUNTY shall be payable by LESSEE within fifteen (15) days of a written invoice for the expenses.

10. ALTERATIONS:

LESSEE shall not construct or maintain on the Premises any structure, improvement, including, but not limited, to any modifications affecting the use of the Premises (e.g. water line hook-ups or plumbing for appliances), or any material addition to or alteration of any building or structure erected on the Premises unless and until the plans and specifications, including those covering the exterior of the proposed structure, improvement, addition, or alteration, and the proposed location, have first been submitted to, and approved in writing by, the COUNTY Airport Operations Supervisor or successor authority. All improvements, alterations, additions, or modifications must be in accordance with Exhibit "B," Board of Supervisors Policy F-9 (incorporated herein and made by reference a part hereof), and any other applicable building regulation. All improvements, alterations, additions, or modifications must be compatible with aeronautical use of the Premises and consistent with federal laws, FAA regulations, state statutes, and the rules and regulations governing the use of federally obligated airport property.

11. TAXES AND POSSESSORY INTERESTS:

LESSEE understands that the Lease creates a property interest which may be subject to property taxation and that any possessory interests vested in LESSEE or his or her assignees through this Agreement make LESSEE or his or her assignees subject to the payment of any property taxes on that property interest pursuant to Revenue and Taxation Code Section 107.6. It is further agreed by and between the parties hereto that COUNTY has informed LESSEE that such property interest, together with any improvements as may be made by LESSEE, as may be created or allowed by this Lease may be subject to property taxation and that LESSEE may be subject to the payment of property taxes levied on such interest(s).

LESSEE agrees to pay all taxes levied upon the Premises and improvements on the Premises, including trade fixtures and inventory not owned by COUNTY and kept on the Premises.

12. LESSEE'S OBLIGATIONS TO COMPLY:

- A. Commercial Rate Applies to Rental. No person other than LESSEE may occupy any portion of the Premises without the prior written consent of COUNTY. In the event LESSEE no longer occupies hangar and obtains written consent from COUNTY for the rental of hangar to others, the rate shall automatically be adjusted upwards to the "Commercial Use" rate in effect at that time or as may be changed from time to time by the Board of Supervisors. In the case of hangars housing multiple aircraft, sharing of a portion of hangar with others will not trigger the increase to the established

“Commercial Use” rate as long as LESSEE occupies space in hangar with LESSEE’S aircraft. At the commencement of rental of hangar, or portion thereof, to others, a commercial general liability insurance policy must be provided that includes Hangar Keepers Liability coverage of at least \$75,000 or the value of stored aircraft. All other limits for insurance shall remain in effect as stated in Section 6 above. LESSEE remains responsible for the compliance of any shared or rented space with all terms of the Lease including, but not limited to, restricted use of the Premises as described in Section 5 above, maintenance and repair as described in Section 9, approved alterations as described in Section 10, and compliance with laws as described in Section 18.

- B. Transition Allowance. In the event LESSEE sells its aircraft and is actively pursuing replacement with another aircraft there shall be a six-month period allowed for occupancy by others for aeronautical use only as defined in Section 5. Written notice of this intent to replace must be provided to the Airports Operations Office within thirty (30) days of beginning of occupancy by others or the lease rate shall be adjusted upwards to the commercial rate in effect at that time, effective immediately upon occupancy by other than LESSEE. In the event that another aircraft is not obtained within this six-month period and the hangar is occupied by others, the lease rate shall be adjusted upwards without further notice and a revised billing will be provided for the balance of the annual lease period. Additional fees may be paid on a month to month basis but no further billing will be made by COUNTY after initial notice and billing of adjustment.
- C. Occupying Aircraft. LESSEE shall submit to COUNTY within thirty (30) days of sale, sublease, assignment, or rental of any aircraft stored on the leased property, the Aircraft Registration Number (“N-number”) and the name of the registered owner.
- D. LESSEE shall confine its activities to the leased Premises only excepting reasonable ingress and egress and the normal and intended use of the Airport runways and taxiways and other Airport public facilities.

13. ASSIGNMENT OR SUBLEASING:

LESSEE shall not transfer or assign its rights or interests to any other person under this Lease.

LESSEE shall not enter into an agreement with any person to sublet its rights under this Lease, including the right to occupy the Premises or use any hangar or other improvement upon the Premises, unless LESSEE first obtains the written consent of COUNTY to that sublet and complies with this Section. LESSEE shall provide proof to COUNTY that:

- A. SUBLESSEE has insurance that is in compliance with Section 6 of this Lease;
- B. SUBLESSEE has been provided a copy of this Lease and has entered into an agreement with LESSEE to comply with such terms;
- C. The term of the agreement with SUBLESSEE does not exceed the Term of this Lease;

D. SUBLESSEE has provided proof of aircraft ownership to the Airports Operations Office.

COUNTY may withhold consent for any commercially reasonable objection, including if COUNTY concludes that sublease would result in a non-aeronautical use or “commercial activity” as described in Section 5 above. LESSEE understands that such a sublease does not operate or be deemed to operate as a release of LESSEE from LESSEE’s obligations under this Lease, including annual payment of rent.

14. COUNTY’S RIGHTS:

COUNTY reserves to itself and to its successors or assigns hereunder the following rights:

- A. The right to have access to the Premises for the purpose of monitoring and evaluating the obligations of LESSEE hereunder to determine if the installation, maintenance, and use of the Premises are in compliance with all federal, state, and local laws and regulations and the terms and conditions under this Lease. County’s access will be as follows:
 - 1. Without prior notice at any time between the hours of 8:00 a.m. and 5:00 p.m., seven days per week.
 - 2. With prior notice, which may include same day notice, at all times outside the hours of 8:00 a.m. to 5:00 p.m. The notice required under this Section may be provided by posting a Notice of Inspection on the Premises.
 - 3. Without notice at any and all times in the case of emergency or in anticipation of an emergency as determined by COUNTY.
- B. The right to enter into the Premises to serve or post any required notices, to conduct inspections pursuant to this Section, and to carry out and enforce all laws and regulations and the terms and conditions of this lease.
- C. The right for the use and benefit of the public of flight for the passage of aircraft in the airspace above the surface of the Premises. This right includes, but not be limited to, the right to cause in said airspace any noise inherent in the operation of any aircraft through said airspace or from the taking off from or landing of said aircraft at said Airport.
- D. The right to further develop or improve the Airport as it sees fit without interference or hindrance by LESSEE.
- E. The right to maintain and keep in repair the landing area of the Airport and all publicly owned facilities at said Airport, together with the right to direct and control all activities of LESSEE in this regard. This right does not create any obligation to the LESSEE.
- F. The right to take appropriate action to ensure that terminal airspace that is required to protect instrument and visual operations to the airport (including operations at established minimum flight altitudes) will be cleared and protected by mitigating existing, and preventing future, airport hazards.

- G. During time of war or other national emergency, the right to enter into an agreement with the United States Government for military or naval use all or part of the Airport. If any such agreement is executed, the provisions of this lease instrument are suspended to the extent they are in conflict with that agreement.
- H. In the event the Airport or other premises herein leased are rendered totally or partially inaccessible, untenable, or unusable because of the condition thereof, which condition was not caused by COUNTY or its agents, and COUNTY, in its sole discretion, determines that restoration, repair, or further use is not desirable, this Lease shall be automatically terminated upon thirty (30) days' notice to LESSEE. In such event, COUNTY shall owe nothing as a result thereof and all and any costs or expenses of removal of structures as provided for herein are to be borne by LESSEE.
- I. During the term of this Lease COUNTY shall have the right, at COUNTY'S obligation and expense, to relocate the leased tract herein to a different location at the Airport and to move and install LESSEE'S hangar to such located tract, provided that:
1. LESSEE is given thirty (30) days' notice of such relocation; and
 2. COUNTY provides surfacing and improvements at the relocated tract at least equal to the surfacing and improvements at LESSEE'S prior location.

15. NOTICES:

17. ACTS OF GOD, WAR/TERRORISM, AND OTHER CASUALTIES:

COUNTY shall not be responsible for monetary losses or damage to personal property, equipment, or materials of LESSEE caused by Acts of God, fire, epidemics, or public enemy including but not limited to acts of war and/or terrorism. LESSEE hereby waives any claims for damages against COUNTY resulting from said acts.

COUNTY OF EL DORADO, CALIFORNIA
BOARD OF SUPERVISORS POLICY

Subject: AIRPORTS - PORTABLE HANGER COLOR	Policy Number F-9	Page Number: 1 of 2
	Date Adopted: 10/19/1993	Revised Date:

BACKGROUND:

The practice of having a standard color for privately owned hangars at both Placerville and Georgetown Airports was established at approximately the time hangar agreements without reversion were allowed under the Airport Land Use Agreement for Portable Hangars. Placerville Airport has had the green color since approximately 1975. Georgetown Airport users chose a beige color in 1989 when the first hangars of that type were constructed. This has not been a written policy, but in most cases was followed as being in the best interest of the Airports.

PURPOSE:

The purpose of this policy is to formalize an unwritten policy, clarify the colors and provide for an orderly look by maintaining the uniformity of color for the portable hangars on both Placerville and Georgetown Airports.

POLICY:

1. The color of all privately owned hangars erected on Placerville Airport shall be **GREEN**. For the purposes of this policy the color **GREEN** is intended to mean a medium green color common to the existing **GREEN** hangars.
2. The color of all privately owned hangars erected on the Georgetown Airport shall be **BEIGE**. For the purposes of this policy the color **BEIGE** is intended to mean a medium beige/brown color common to the existing **BEIGE** hangars.
3. This policy shall be included in and made part of each privately owned hangar lease under the Airport Land Use Agreement for Portable Hangar, Airport Land

STORM WATER POLLUTION PREVENTION PLAN REQUIREMENTS, BMP'S

These requirements are intended to enforce compliance with the Placerville Airport Storm Water Pollution Prevention Plan (SWPPP). The **SWPPP is a Federal and State** requirement on all facilities considered to be industrial sites.

The Best Management Practices (BMP's) are the conditions that the plan uses to prevent and eliminate the introduction of pollutants into the Storm Water runoff and drainage areas of the Placerville Airport. The BMP's are not optional and must be adhered to for compliance with the Airport SWPPP. Following are the requirements and procedures that must be met to be in compliance.

REQUIRED BMP's:

1. Aircraft Washing:
 - No degreasing is allowed except by hand, then rags are disposed of in appropriate trash receptacles.
 - All hoses are required to have a nozzle to shut off the flow when not in use.
 - Wash aircrafts on an impervious area at least 200 feet away from any inlet to prevent wash water from entering storm water system.
 - Washing with a rag and bucket is strongly encouraged.
 - Soaps must be bio-degradable.
 - After wash area is dry it must be swept up and contaminates disposed of in appropriate trash receptacles.
 - No washing when rain may be forecasted for the near future.
2. A drip pan sufficient to catch and contain all oil and fluids shall be used at all times while performing any service on the asphalt, dirt or hangar floors.
3. No use of solvents or grease remover is allowed out doors. No engine washing or engine and belly degreasing allowed.
4. Some type of absorbent material must be readily available to soak up fluids and fuel that may be spilled. If a spill should occur, any residue on the pavement or dirt must be cleaned up immediately and disposed of off-site.
5. Used oil is to be put into oil recovery site at the Airport (if available) or disposed of off Airport property at a recycler of your choice. No oil dumping on Airport property.
6. Used hydraulic fluids, solvents or batteries are to be disposed of off Airport property at a recycler of your choice. The County does not provide this service.
7. A broom is to be used after servicing to insure that any dirt or debris are not left on any paved or concrete surfaces.
8. Periodic inspections for compliance will be done as required by our Storm Water Permit. The Airports are required by the State Water Quality Control Board to log/report any violations and show evidence in our annual report that the violations were addressed and corrective action was taken.
