Agency

Community Services Division

Animal Services

Purpose of Animal Services

Public Safety

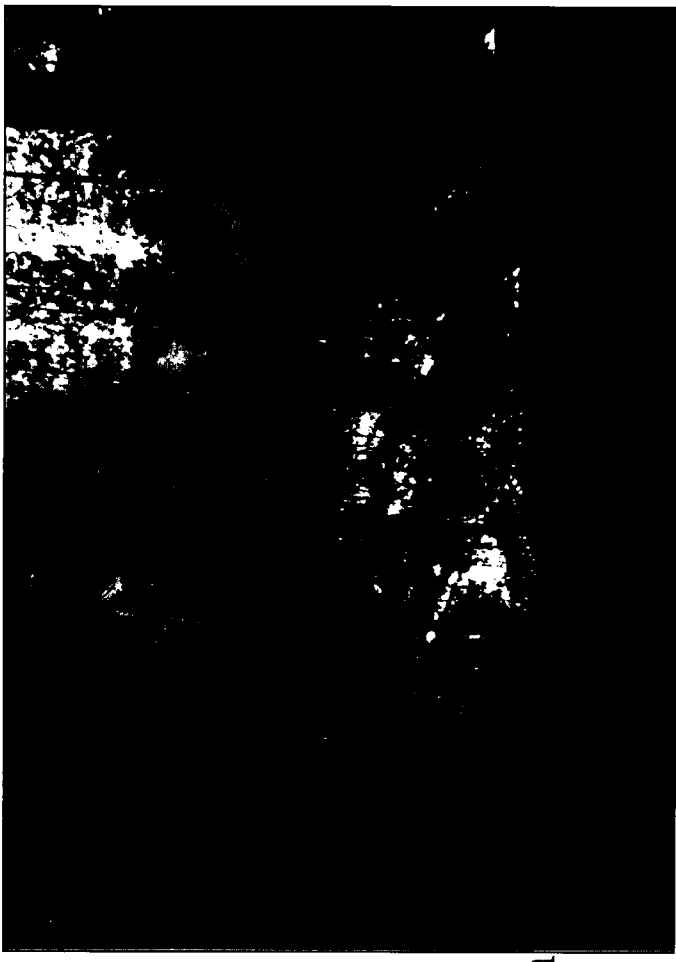

“The Purpose is to regulate the control and humane treatment of animals within the boundaries of El Dorado County for the protection of the safety and welfare of the public.”

**- El Dorado County
Ordinance 6.04.015**

Emergency Disaster Response:

California Emergency Services Act

- Requires animal services agencies to be part of emergency response operational planning and implementation efforts (fires and other threats).
- Encourages mutual aid between counties.
- El Dorado County benefits in times of need through the aid of other counties.
- 2015 Fires, received aid from other animal services agencies/non-profit animal disaster groups.

Disasters can occur without warning

Road closures can prevent you from being able to return home

Rescuing your own animals may not be an option

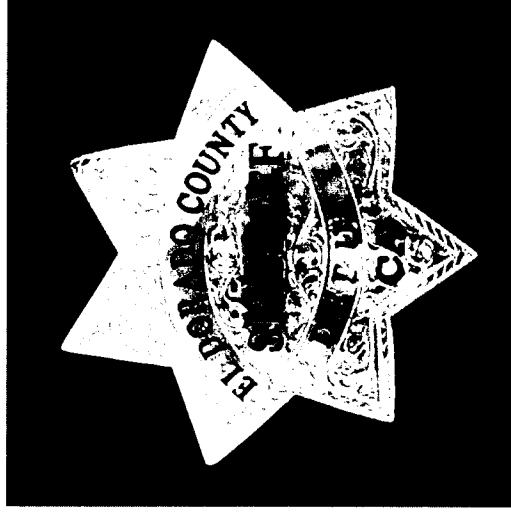

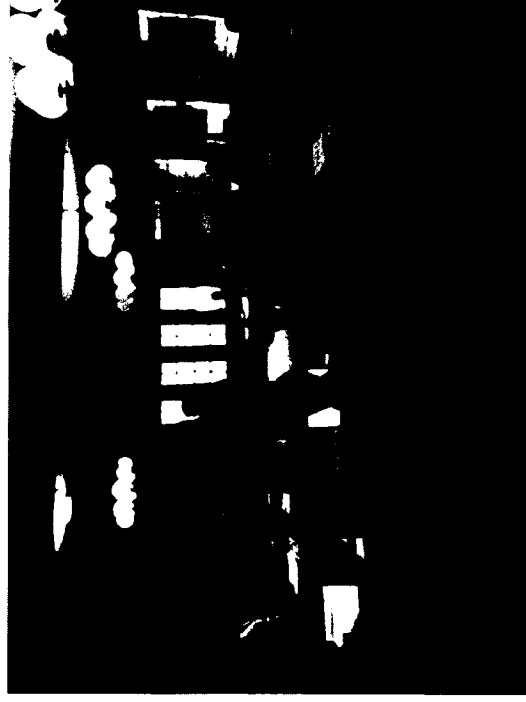

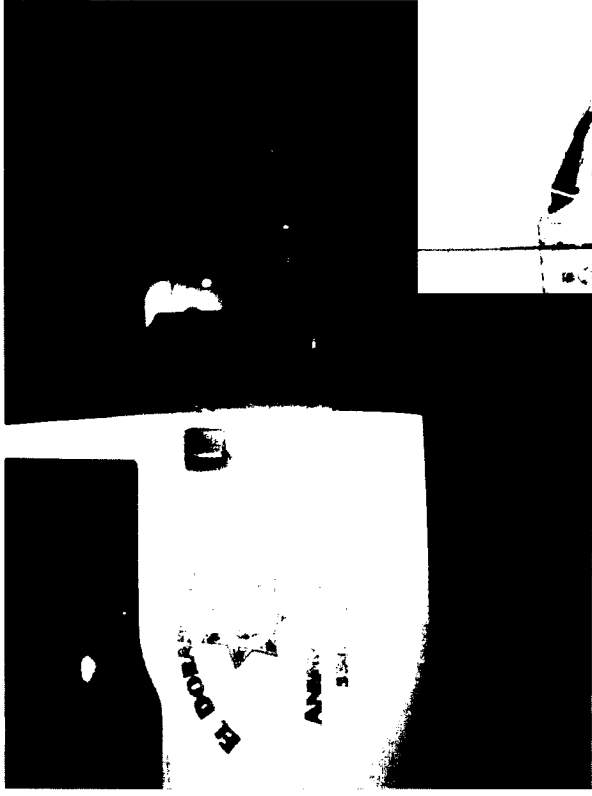

**Animal Services Officers can
enter beyond roadblocks to
evacuate animals**

Animal Services Officers can enter beyond roadblocks to evacuate animals

The Emergency Operations Center (EOC), Sheriff's Dispatch and Animal Services Dispatch gathers information from worried pet owners

**Officers are dispatched out
for rescue of animals
or animal welfare checks**

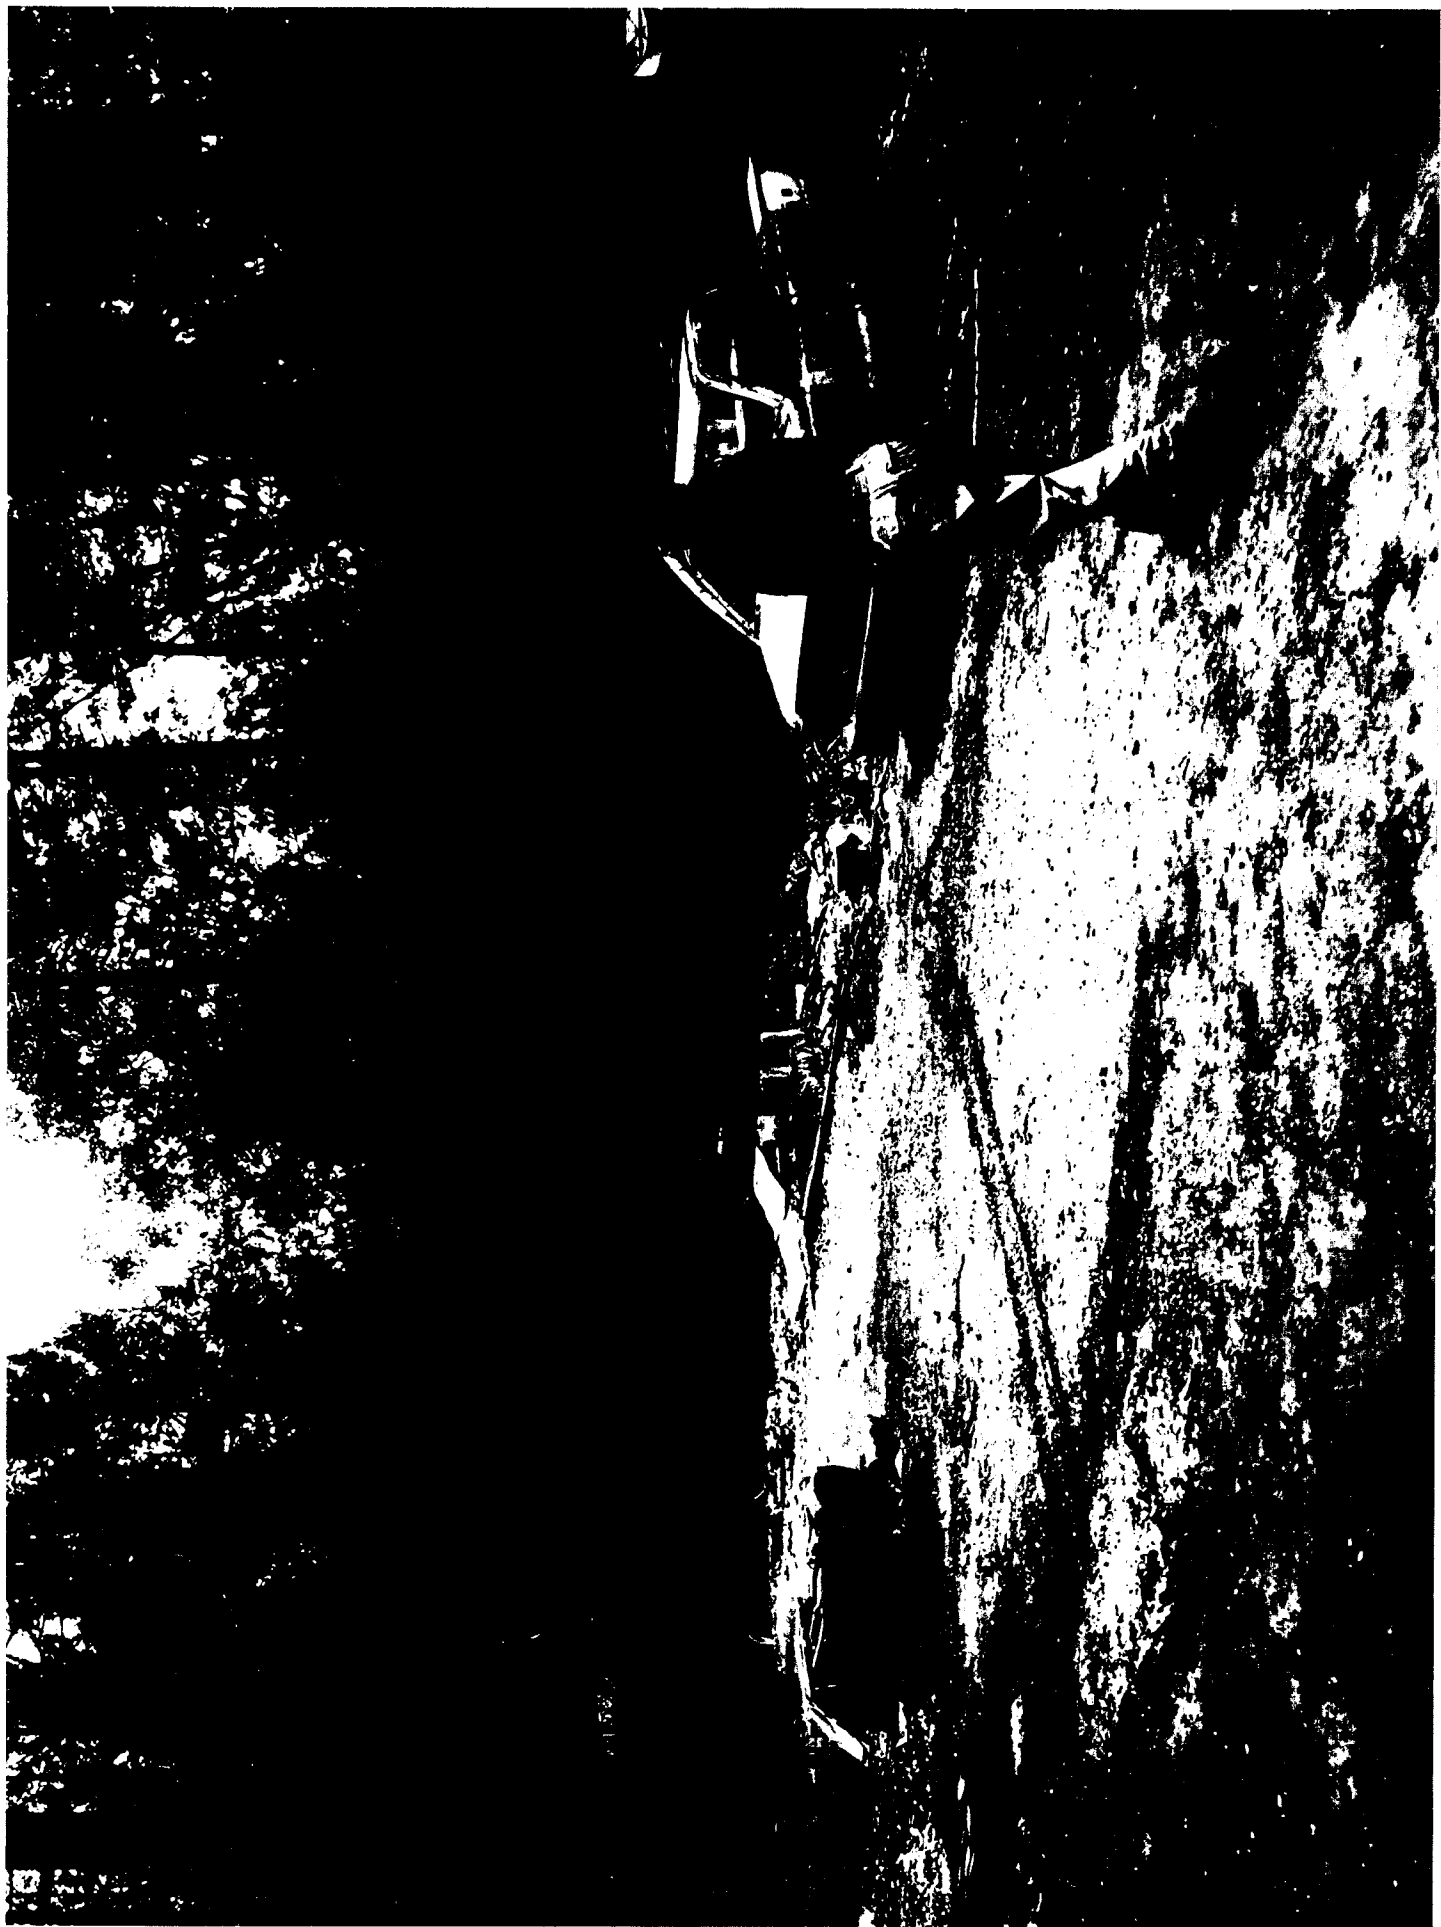

In large disasters, multiple counties work together to rescue

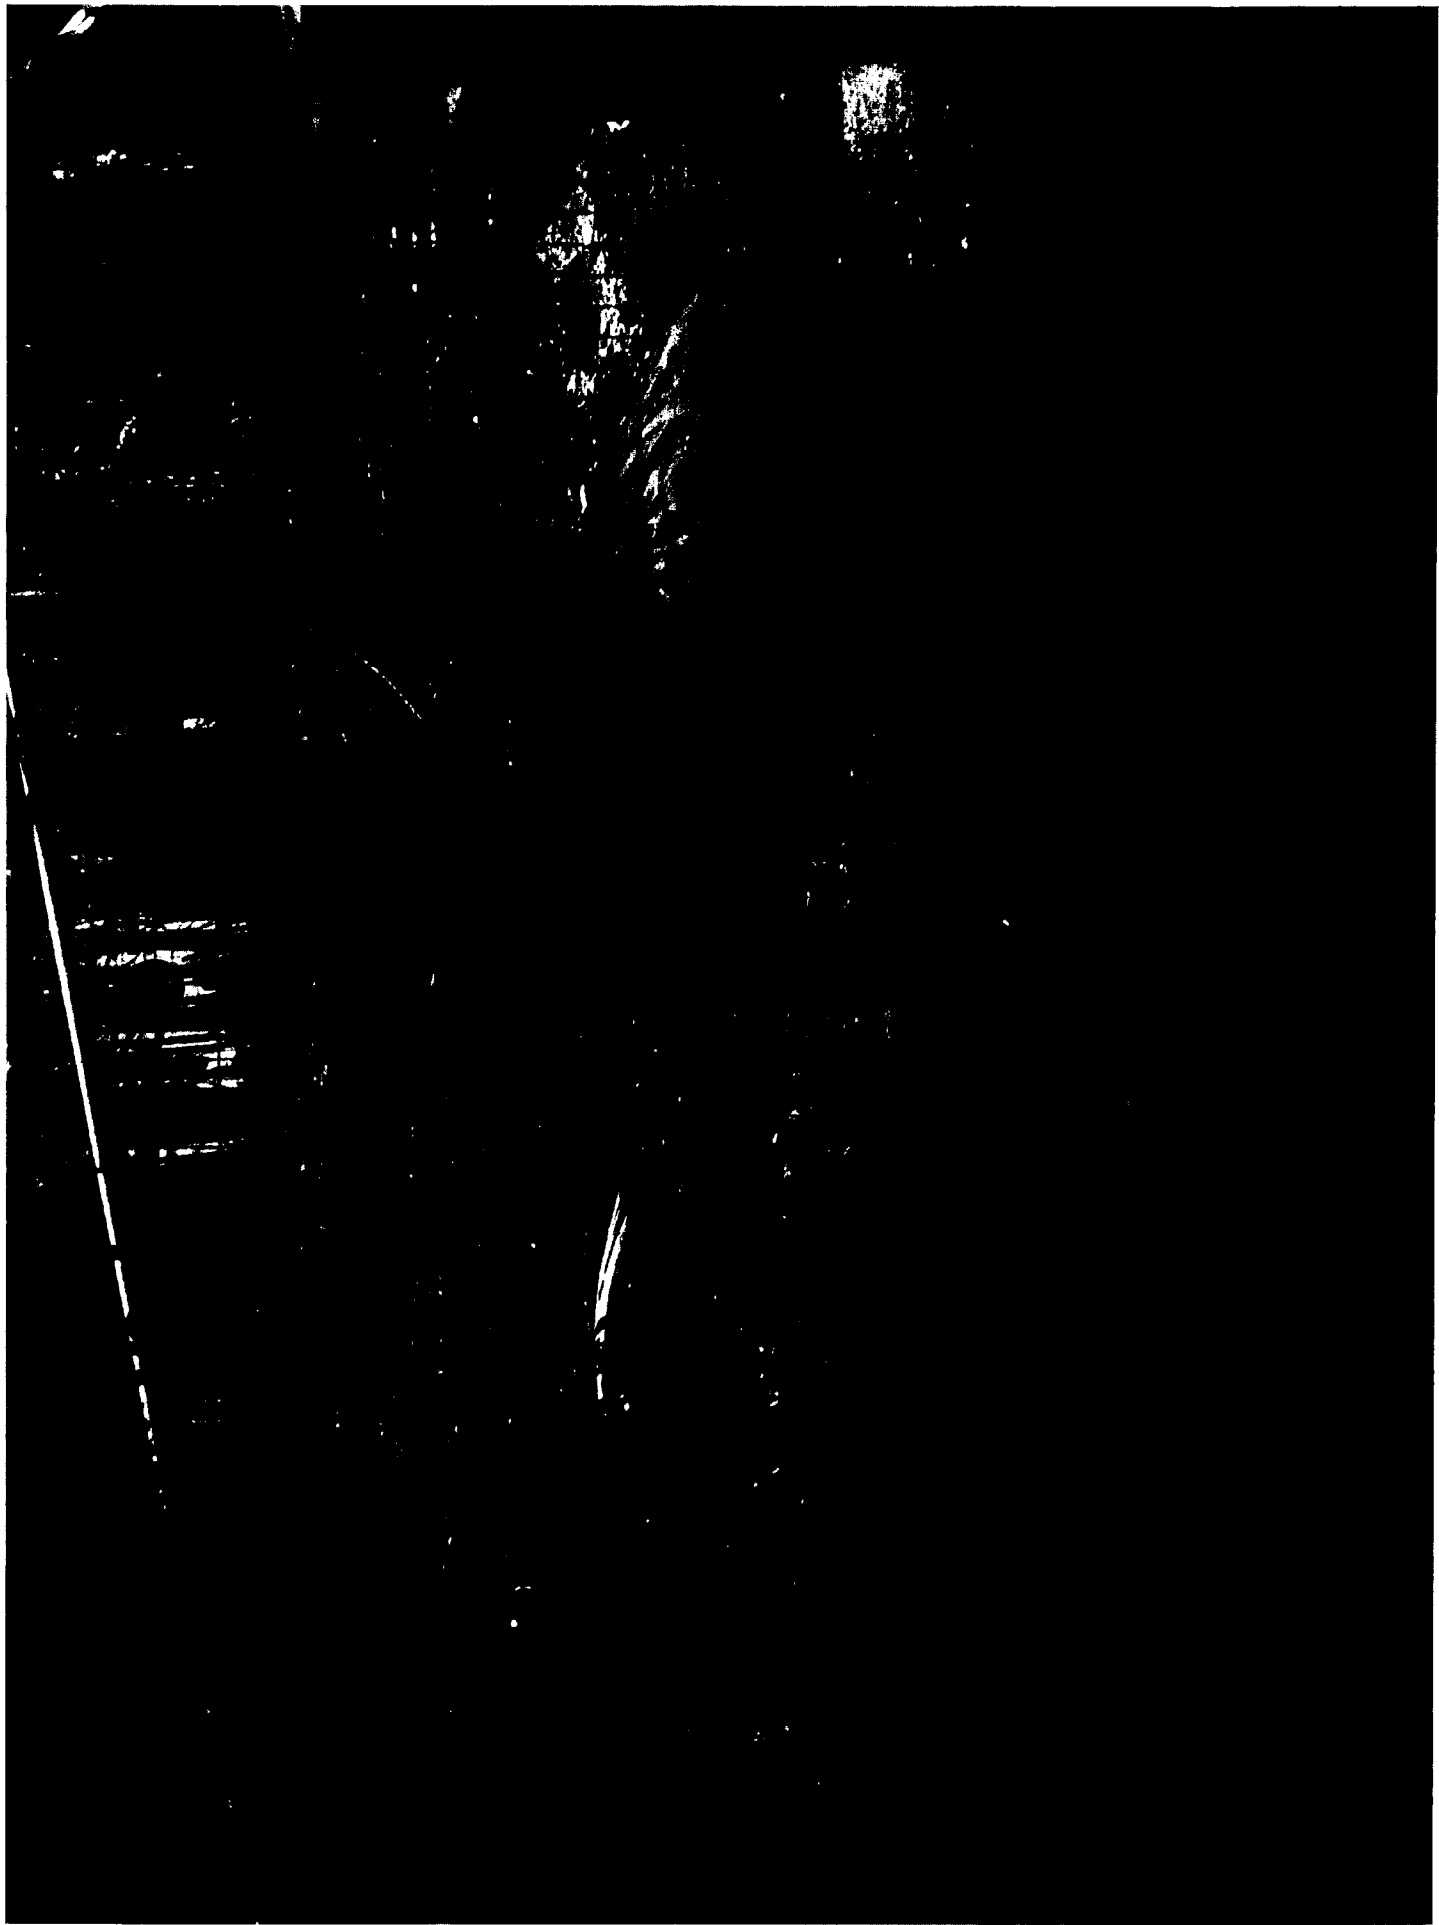

Officers often arrive at
locations that have
cast a

Rescue pets are brought to

Animal Evacuation

Shelter

**Volunteers
and staff care
for the
animals,
while vet
techs
monitor
them for
signs of
illness**

Pets with injuries are taken for veterinary examinations

EARLY WARNING

If you have animals, it is a good idea to evacuate while it is still voluntary. Once the roads are closed, you will not be able to return to your house

← Livestock ×

The "P000000" is the person ID for Chameleon. I will be for the owner. If an ALT contact is listed it will be identified. All Owners P ID's are marked with "LSD" to make it easy to find them with a super-search.

There are a few errors such as people that live on Hillsdale in EDH because of the "Isd" in Hillsdale they pop up.

Any animal that is too big to fit on an AC truck is labeled with a horse icon with the exception of cattle, (horses, llamas, alpacas)

All other animals are identified with a blue "ghost" (Goals, Pigs, ect)

☒ Evacuation Centers (Used in the past)

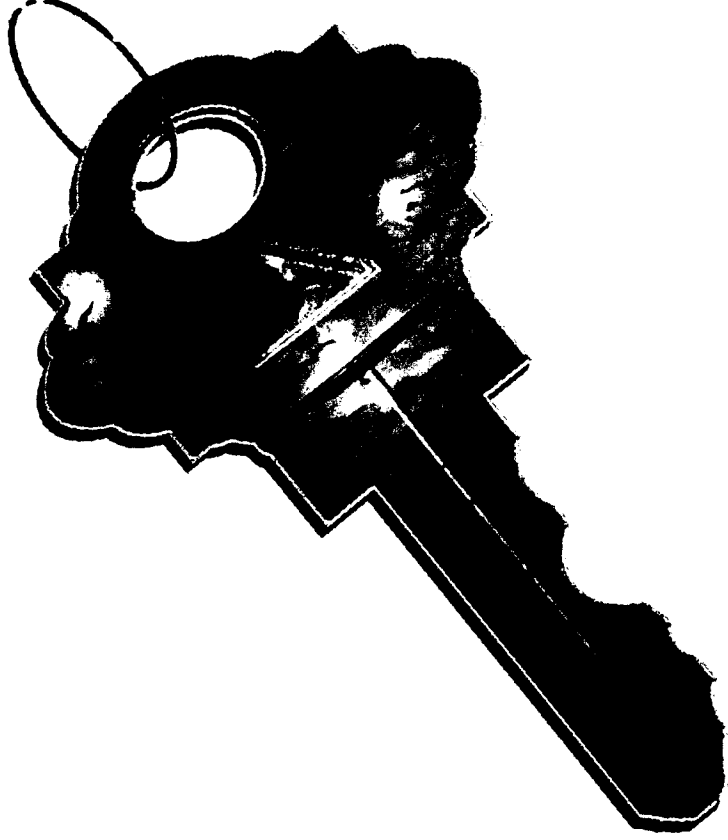

- 4 El Dorado County Fair & Event Center
- 4 Cold Springs Road Center
- 4 Pioneer Park
- 4 Golden Sierra High School

Have a metal address sign on a metal stake at the entrance of your property

**Hide a key in an easy to describe
location to allow access to pets
that live inside your home**

Place metal identification tags on ALL pets, and make sure pets are microchipped. Include animal's name, your last name and address.

Be sure all horses are trained and will load onto a trailer

**Create an alternate water source
for all livestock in case electricity
to well pumps & automatic watering
systems goes out**

DO NOT “cut animals loose.” They can be a hazard for emergency personnel and vehicles. Animals located inside the house or confined in enclosures are easier to evacuate.
