SUBJECT: **Fee Waiver Request – Props, Cops, and Rodders Temporary Use Permit**

I have reviewed the fee waiver request for the 'Props, Cops, and Rodders' car show fundraiser to be held at the Cameron Park Airpark, 3374 Mira Loma Drive, Cameron Park, CA 95682, on September 27, 2025.

The TUP fees of \$1,958.54 include \$985 for Planning fees, \$95 for Stormwater, \$86 for Environmental Management fees, and \$856 for Department of Transportation fees. The only fee that is not recommended for waiving is the technology fee of \$31.54. This fee is generally not waived because it is a nominal amount at the project level, and the total collected from all projects is important for the overall operations of the County.

Per Policy B-2, Section III (B), *"The Chief Administrative Officer shall have the discretion and authority to waive all or a portion of the fees for projects that meet these criteria up to \$1,000. Fee waivers over \$1,000 shall require the approval of the Board of Supervisors."*

In accordance with Section II, B(3) of the Policy, I support your request to present an item to the Board for consideration to waive the \$1,927 in fees. This project is proposed by a non-profit organization that will provide significant public benefits.
