If this Agreement is terminated by Host Compliance in accordance with Section 5.3 (Termination for Breach), Customer will pay any unpaid fees covering the remainder of the term of the Agreement. In no event will Customer's termination after the first 6 months relieve Customer of its obligation to pay any fees payable to Host Compliance for the period prior to the effective date of termination.

If Host Compliance does not believe the options described in this section are reasonable then Host Compliance may suspend or terminate this Agreement and/or Customer's use of the affected Services with no further liability or obligation to the Customer other than the obligation to provide the Customer with a pro-rata refund of pre-paid fees for the affected portion of the Services.

6.4 General. The party seeking indemnification will promptly notify the other party of the claim and cooperate with the other party in defending the claim. The indemnifying party will have full control and authority over the defense, except that: (i) any settlement requiring the party seeking indemnification to admit liability requires prior written consent, not to be unreasonably withheld or delayed and (ii) the other party may join in the defense with its own counsel at its own expense.
