**APPLICATION FOR APPOINTMENT TO COUNTY COMMISSIONS, COMMITTEES OR ADVISORY BOARDS**

This form is used for consideration of appointments made by the County Board of Supervisors. Please complete front and back of this form and attach a resume if available. Return completed form to the Clerk of the Board of Supervisors, County Government Center, 330 Fair Lane, Placerville, CA 95667.

- 1. Date: 08/27/2009
- 2. Committee, Commission, Board or principle area of interest:  
Diamond Springs-El Dorado Citizens' Advisory Committee
- 3. Application by: Kathleen McCoy
- 4. Resident of Supervisorial District: 3
- 5. List all County board, commissions or committees of which you are now or have been a member. Indicate dates of service.

El Dorado Union High School Health Advisory Committee 2005 to present

- 5. Summary of qualifications related to group(s) listed above. (What experience or special knowledge do you bring to your area of interest?)

Having taught at both Junior and Senior High Schools, I dealt daily with issues of student health as they affected not only the student's work in the classroom, but also the interaction of student's outside the classroom. For teachers a student's health is a lot more than just being able to get up, get dressed, go to school, do your homework and start all over the next day. Teachers can become involved in almost all aspects of a student's life when things fall apart in the classroom. I felt this committee with its emphasis on health, nutrition, physical and mental exercise, as well as family and reproductive health was an important one to serve on.

6. Affiliations with professional and/or community groups.

American Association of University Women  
League of Women Voters

7. Why do you seek appointment?

I spent two years in charge of the University of Southern California's Graduate Study Library and through reference selection became extremely interested in City Planning/land use. I have carried this interest with me for the rest of my career in teaching and Software Quality Assurance. I am a resident of El Dorado and am very concerned about the impact current development projects will have on the traffic patterns and quality of life for residents of Diamond Springs and El Dorado, as well as tourists on Highway 49.

8. Applicant's Name: Kathleen McCoy  
Address: \_\_\_\_\_  
Mailing Address: \_\_\_\_\_  
Phone: \_\_\_\_\_

9. Occupation & Title: retired Director of Software Quality Assurance  
Employer: none

10. Other Remarks:

I feel this committee should include citizens who's only "skin in the game" is that they live in the designated area. If the committee is comprised, like many others in the county, mainly of developers, then the ideas and interests of the general citizenry tend to be ignored. We need to start looking at this county differently thus allowing us to retain the rural character for which so many people moved here, but providing adequate employment and funding to support the needs of the county.

Appointees to Boards, Commissions or Committees are not considered to be County employees for purposes of benefits, such as Workers Compensation, health insurance, etc.

Logtown Fire Safe Council Volunteer, January 2009 to present

5. Summary of qualifications related to group(s) listed above. (What experience or special knowledge do you bring to your area of interest?)

I am a relatively new resident of the City of El Dorado, as I moved here one year ago. Since that time I have volunteered for GWCSO community road safety projects and attended all GWCSO Board regular and special board meetings. As a former board member, I have taken and received my Ethics Certificate, which is good for two years. I have attended most of the Logtown Fire Safe Council meetings for the past year. I am currently volunteering for the upcoming community event on October 3, 2009. As I am not employed at the present, I have made it my business to get involved with my community. I have been self-educating myself on the laws that govern community service districts. Thus, I am familiar with the Brown Act, Government Code 6100 (and others), and SB135-Kehoe.

6. Affiliations with professional and/or community groups.

Stated above. Additionally, I have 14 years experience in PTA and PTSA, at the local, county, and state levels. In the past, I sat on a number of Fremont Unified School District Board appointed committees and advisory boards, to include Ethnic Race Relations and Property Management.

7. Why do you seek appointment?

I seek appointment because I want to stay active in my community and remain informed on the issues involving it. My ideals and principals are level headed. I know I would assist in providing a positive influence on the outcome of the issues at hand, for the betterment of our communities. My life's experiences have provided me with solid ethical and moral standards. My willingness to do the research necessary to be informed is an asset to all I do.

7. Why do you seek appointment?

This answer has two parts. I have been searching for opportunities to serve my community. This committee does that and fits with my architectural background. Secondly, the "At-Large Alternate" position on the BIA gives little (if any) chance for participation. This committee fills that desire also.

## PROFESSIONAL EXPERIENCE

**Steven P. Johnson, Architect**  
Placerville, California

04/07/08 to PRESENT

**Architect/Principal** – In April 2008 I chose to go into private practice and decided to share an office space with another licensed architect from the Placerville area. On a number of occasions, we would collaborate on the work as "Wolfe + Johnson Architects". At time when work load or other project conditions wouldn't allow, I proceeded with the projects on my own. The scope of architectural work for most of the projects during this period has encompassed commercial design and project management. The most challenging project to date has been the Progress House Drug Treatment & Rehab Center. The scope of services has taken the project from schematic design, through bidding and construction administration. Projects include:

### **Design/Project Management/Construction Administration**

- ~ Salon A & B @ Stagecoach Plaza - Placerville, California
- ~ SK Salon @ Hangtown Village Square - Placerville, California
- ~ Amerikan Ichi Sushi Restaurant @ Hangtown Village Square – Placerville, California
- ~ Snap Fitness @ Hangtown Village Square – Placerville, California
- ~ Hangtown Village Square Accessibility Improvements – Placerville, California
- ~ Marshall Hospital OSS Office Remodel – Placerville, California
- ~ Marshall Hospital Sterilizer Replacement – Placerville, California
- ~ Progress House Corporate Office Remodel – Placerville, California
- ~ Progress House Drug Treatment & Rehab Center – Placerville, California
- ~ Redline Engineering Warehouse Tenant Improvement – Georgetown, California
- ~ United Outreach Homeless Shelter (Preliminary Design) – Placerville, California

Architectural Project Manager - At the County of El Dorado I have been responsible for the creation of Request For Proposals (RFP's), the negotiation of consultant and construction contracts, the creation of construction documents, for the organization of construction bid procedures and for the administration of construction projects. My primary emphasis during the previous several years has been the construction of the new Juvenile Detention Facility in South Lake Tahoe, California. This project has been a new, interesting experience for me due to the state and federal grant guidelines that must be followed to properly administer the construction funds for this project. Projects include:

Design/Project Management/Construction Administration

- ~ El Dorado County Juvenile Detention Facility - South Lake Tahoe, California
- ~ Veterans Memorial Monument - Placerville, California
- ~ Measure 'S' Recreational Playfields - South Lake Tahoe, California
- ~ New Touchscreen Inmate Management System @ County Jail - South Lake Tahoe, California

## **PERSONAL BACKGROUND**

**Active 20-30 United States & Canada**

1999 to 2000

Former National Director, Region #2 – Region #2 was an area that encompassed Northern California and all of Nevada. My responsibility was to represent all the chapters within this region and serve on the Board of Directors as a voting member for the betterment and growth of the organization.

**Active 20-30 Club, #43**

1995 to 2001

*"A person never stands so tall as when kneeling the help a child"*. That is the motto of Active 20-30, an organization of young men and women dedicated to assisting special needs children. While a member of Active 20-30 #43 I served as a Board Member, First Vice President, President, Past-President. In 1997, I was awarded National President of the Year from the national association, Active 20-30 United States & Canada. In 2001, I was awarded the honor of being selected as a Past-Active Life member of the association.

**American Institute of Architect – Inland California Chapter**

1991

Director of Associates – While an associate member of the American Institute of Architect – Inland California Chapter, I served as the Chapter's Director of Associates. As a person who was actively working towards my own architectural license, I was in charge of representing the unlicensed membership to the Chapter's Board of Directors and assisting with the creation of programs that would help prepare people for the licensing exams.

**Associated Student Incorporated.**

1986 to 1988

Director/Student Senator, School of Architecture and Environmental Design – I serves on the Board of Directors for this student association, being responsible for a \$1 Million dollar budget. During my tenure, I was the chairman of the Election Committee. My responsibility was to represent all the students within the School of Architecture and Environmental Design at Cal Poly, San Luis Obispo, California.
