Dear El Dorado County Supervisor:

I am writing today to request you all to please address the concerns of your constituents and direct your county staff to prepare the required Election Reports for the 1-2-3 Petitions by July 15, 2014.

This is a huge opportunity for you all to show that you want to be our servants in government and listen and react to your constituents who put you all in office.

Deep pockets are trying to corrupt our government and it will not look good if you all do not listen to your people on this one. Please help your people fight the deep pockets of the Region Builders who have HIRED outside of El Dorado County to come in and lie to collect their signatures for their phony petitions.

Please do the right thing tomorrow and direct staff to prepare the required reports.

Thank you,

Pam Rossi

Shingle Springs, CA.
